# BROWN PARK #5

1055 24th Avenue Southwest

Brown Park is a 9.6-acre neighborhood park. The park contains a mixed oak-pine forest with about an acre of open land on the northeast corner. In 1990 paved looped trails were constructed connecting to the neighborhood in the southeast corner and to the City-wide trail network in the northwest corner.

Open 5 a.m. to 10 p.m.
