# EDA Code of Conduct And Bylaws February 2012

# **City of Cambridge EDA Code of Conduct**

## **Purpose**

The EDA Board determines that a code of conduct for its members is essential for the public affairs of the city. By eliminating conflicts of interest and providing standards for conduct in business matters, the EDA hopes to promote the faith and confidence of the citizens of Cambridge in their action and to encourage its citizens to serve on its Authority and boards and commissions.

## **Standards of Conduct**

No board member may knowingly:

- a. Violate the open meeting law.
- b. Participate in a matter that is before the EDA that affects the person's financial interests or those of a business with which the person is associated, unless the effect on the person or business is no greater than on other members of the same business classification, profession, or occupation. If a conflict of interest does exist, the person will remove themselves from the table and sit with the audience until the discussion / action on the item has been concluded.
- c. Use the person's public position to secure special privileges or exemptions for the person or for others.
- d. Use the person's public position to solicit personal gifts or favors.
- e. Use the person's public position for personal gain.
- f. Except as specifically permitted pursuant to Minnesota Statute §471.895, accept or receive any gift of substance, whether in the form of money, services, loan, travel, entertainment, hospitality, promise, or any other form, under circumstances in which it could be reasonably expected to influence the person, the person's performance of official action, or be intended as a reward for the person's official action.
- g. Disclose to the public, or use for the person's or another person's personal gain, information that was gained by reason of the person's public position if the information was not public data or was discussed at a closed session of the EDA or committee.
- h. Disclose information that was received, discussed, or decided in conference with the EDA's or city's legal counsel that is protected by the attorney-client privilege unless a majority of the EDA has authorized the disclosure.

Except as prohibited by the provisions of Minnesota Statute Section §471.87, there is no violation of item (b) of this section for a matter that comes before the EDA, if the board member publicly discloses the circumstances that would violate these standards and refrains from participating in the discussion and vote on the matter.

## Complaint, Hearing

Any person may file a written complaint with the EDA Executive Director alleging a violation of the aforementioned standards of conduct. The complaint must contain supporting facts for the allegation. The EDA may hold a hearing after receiving the written complaint.

A hearing must be held only if the EDA determines (1) upon advice of the city attorney, designee, or other attorney appointed by the EDA, that the factual allegations state a sufficient claim of a violation of these standards or rise to the level of a legally-recognized conflict of interest, and (2) that the complaint has been lodged in good faith and not for impermissible purposes such as delay.

The EDA's determination must be made within 30 days of the filing of the allegation with the Executive Director. If the EDA determines that there is an adequate justification for holding a hearing, the hearing must be held within 30 days of the determination. At the hearing, the person accused must have the opportunity to be heard. If after the hearing, the EDA finds that a violation of a standard has occurred or does exist, the EDA may censure the person, refer the matter for criminal prosecution, request an official not to participate in a decision, or remove the member from office.

- III. THE OPEN MEETING LAW. The Minnesota Open Meeting Law, Minn. Stat. Chapter 13D, generally requires that all meetings of public bodies be open to the public.
  - A. This presumption of openness serves three basic purposes:

- 1. To prohibit actions from being taken at a secret meeting, where it is impossible for the interested public to become fully informed concerning decisions of public bodies, or to detect improper influences.
- 2. To ensure the public's right to be informed.
- 3. To afford the public an opportunity to present its views to the public body.
- B. The EDA views providing and encouraging citizen access to meetings as one of its most important duties. As a result, all EDA meetings, including special and adjourned meetings, with the exception of closed meetings, as provided by Minn. Stat. Chapter 13D, shall be open to the public.
- C. In calculating the number of days for providing notice under the Minnesota Open Meeting Law, the first day that the notice is given is not counted, but the last day is counted. If the last day is a Saturday, Sunday, or legal holiday, that day is omitted from the calculation and the following day is considered the last day (unless, it happens to be a Saturday, Sunday, or legal holiday).
- D. In keeping with the intent of the Minnesota Open Meeting Law, Authority members shall not use any form of electronic communications technology, such as text messaging or e-mail, to communicate with one another or third parties during a public meeting in a manner that is hidden or shielded from the public view.
- E. Pursuant to Minn. Stat. § 13D.01, subd. 6, at least one copy of the written materials made available to Authority at or before the meeting shall also be made available for inspection by the public, excluding any non-public data, attorney-client privileged or materials related to agenda items of closed meetings.
- **IV. QUORUM.** A simple majority (three members) of the Authority shall constitute a quorum for the valid transaction of any scheduled business to come before the Authority.

## V. EDA MEETINGS.

- A. *Location.* All meetings, including special, recessed, and continued meetings, shall be held at the Cambridge City Hall in Council Chambers, unless otherwise designated by motion.
- B. **Regular meetings.** A schedule of regular meetings shall be kept on file with the Executive Director. The EDA will meet on the first month of each month at 3:00 pm and the third Monday of each month at 6:00 pm. If a meeting falls on a holiday, the meeting shall be moved to the Tuesday of the same week. All regular EDA meetings must be recorded. The order of business shall be as follows:
  - 1. Call to order

- 2. Approval of agenda
- 3. Consent agenda
- 4. New business
- 5. Unfinished business
- 6. Adjourn
- C. **Special meetings.** A special meeting is a meeting that is held at a time or location different from that of a regular meeting. A special meeting may be called by the President or any two EDA members by filing a request for the meeting with the Executive Director at least three days before the meeting. Days shall be counted as provided in III-C. Notice to the public of special meetings must be given pursuant to Minn. Stat. § 13D.04, subd. 2. All special EDA meetings must be recorded.
- D. *Emergency meetings*. An emergency meeting may be called by the President or any two EDA members. An emergency meeting is a special meeting called because of circumstances that, in the judgment of the Authority require immediate consideration by the public body. Posted or published notice of an emergency meeting is not required. However, the Authority will make a good faith effort to notify each news outlet that has filed a written request for notice. Notice must be given by telephone or any other method to notify members of the public body. The notice must include the subject of the meeting.
- E. **Closed meetings.** The Minnesota Open Meeting Law allows some meetings to be closed to the public for defined purposes. When a meeting is closed, the Executive Director will state the reason for closing the meeting on the record and cite the state statute that permits closure.
- F. Recessed or continued meetings. When a meeting is recessed or continued, the presiding officer shall state the time and place for the next meeting to occur pursuant to Minn. Stat. § 13D.04, subd 4. The time and place shall be noted in the minutes. If the time and place is stated and noted in the minutes, no additional notice of the meeting is required. However, if the time and place is not stated, the notice procedures for special meeting shall be required.
- G. *Organizational meetings.* The Authority will conduct its organizational meeting concurrent with the first regular EDA meeting in February of each year to:
  - 1. Elect officers.
  - 2. Review bylaws and make any needed changes.
- VI. PRESIDING OFFICER. The President shall preside at all meetings of the EDA.
  - A. Role of the presiding officer. The presiding officer shall preserve order, enforce the Authority's Rules of Order and Procedure as adopted in VII, and determine, without debate, all questions of procedure and order, subject to the final decision of the Authority on appeal as provided in VI-D. The presiding officer shall determine the order in which each member may speak and may move matters to a vote once the officer has determined that all members

have spoken. The presiding officer may determine whether a motion or proposed amendment is in order and may call members to order.

- B. **Adjourning meetings.** If considered necessary, because of grave disorder, the presiding officer may adjourn or continue the meeting to another time or suspend the meeting for a specified time.
- C. **Designation of a sergeant-at-arms.** The presiding officer may request that local law enforcement designate a member to serve as a sergeant-at-arms at EDA meetings. The sergeant-at-arms shall carry out all orders or instructions given by the presiding officer for the purpose of maintaining order and decorum at meetings.
- D. **Motions and voting.** The presiding officer may make motions, second motions, speak on any questions, and vote on any matter properly before the Authority.
- E. Absences of the presiding officer. In the absence of the President, the Vice President shall preside. In the absence of both the President and Vice President, the Executive Director shall call the meeting to order. The first order of business shall be to select a presiding officer for the meeting from the members present. The Executive Director shall preside until the Authority members present choose a member to act as presiding officer.
- F. Appeals of rulings of the presiding officer. Any member of the Authority may appeal to the full Authority a ruling on order or procedure made by the presiding officer.
  - 1. **Procedure for appeals.** An appeal is made by motion. No second is need for the motion. The member making the motion may speak once solely on the question involved, and the presiding officer may speak once solely to explain his or her ruling, but no other Authority member may participate in the discussion.
  - 2. Once both the maker of the motion and the presiding officer has spoken, the matter must be voted upon by the Authority as a whole.
  - 3. The appeal shall be sustained if it is approved by a majority of the members present, exclusive of the presiding officer.
- G. **Temporary designation of a presiding officer.** The presiding officer may choose to designate a temporary presiding officer before participating in debate on a given matter. In the alternative, the Authority may by majority vote designate a temporary presiding officer to preside over the debate on a given matter. The presiding officer shall resume presiding as soon as action on the matter is concluded.

## **VII. DECORUM OF AUTHORITY MEMBERS.**

- A. **Aspirational statement:** All Authority members shall assist the presiding officer in preserving order and decorum and in providing for the efficient operation of the meeting.
- B. **Aspirational statement:** No Authority Member shall engage in conduct which delays or interrupts the proceedings or which hinders honest, respectful discussion and debate.
- C. **Aspirational statement:** EDA meetings shall be conducted in a courteous manner that recognizes the validity of differing points of view and promotes the ideal of democratic discussion and debate free of insult, slander, and personal attacks and threats.
- D. To effectuate these aspirational goals, Authority members shall conduct themselves at meetings in a manner consistent with the following:
  - 1. No Authority Member shall engage in private conversation or pass private messages while in the chamber in order to not interrupt the proceedings of the Authority.
  - 2. No Authority Member shall leave his or her seat or make any noise of disturbance while a vote is being taken and until the result of the vote is announced.
  - 3. No Authority Member shall use profane or obscene words or unparlimentary language or use language that threatens harm or violence toward another person during an Authority meeting.
  - 4. No Authority Member shall speak on any subject other than the subject in debate.
  - 5. No Authority Member shall speak without being recognized by the chair; nor shall any Authority Member interrupt the speech of another Authority Member.
  - 6. No Authority Member shall disobey the decision of the presiding officer on questions of order or practice or upon the interpretation of the rules of Authority.
  - 7. No Authority Member shall engage in disorderly conduct that disturbs or disrupts the orderly conduct of any meeting.

VIII. MOTIONS. The purpose of this policy is to foster debate and discussion in an orderly manner, and not to suppress honest discussion with excessive formality. Without rules, confusion and disorderly proceedings would hamper all city action, no matter how well intended. Rules allow city business to be conducted as efficiently as possible, protect minority groups by giving every person a chance to be heard, prevent discussion of multiple topics at once, and allow decisions to be made by majority rule.

- A. *Rights of Authority members*. All Authority members are equal and have the same rights to make motions; object to motions in a timely manner; participate in debate; have their votes counted; and speak, when recognized, free of interruption.
- B. **Obligations of Authority members**. The rights of individual Authority members cannot be realized unless all Authority members also recognize their obligations as members of the political body. Authority members are obligated to receive the recognition of the chair before speaking, except as otherwise provided by these rules. No one has the right to speak at whim.

Authority members are obligated to speak directly on the subject being considered and observe time limits for comment. Finally, Authority members are obligated to address all remarks to the presiding officer, avoid personal attacks, and refrain from using any insulting or demeaning language or indecent or threatening behavior.

#### 1. Motions.

All formal actions of Authority must be by motion. Authority Member may make only one motion at a time.

## 2. Language for making a motion.

The appropriate language for making a motion shall be substantially similar to "I move to ."

## 3. Procedure for consideration of a motion.

All motions must be seconded for consideration and discussion. Once a motion has been made, the presiding officer shall restate the motion and (if applicable) open the motion up for debate, provided that the President determines that the motion is in order and no objections to the motion have been.

A motion is in order if it is made at a proper time in the proper format and does not violate any applicable rules of law, ordinance, or city policy, including city policies on decorum and civility, and is not made for the purpose of unduly delaying the proceedings. Debate shall follow the procedures in Rule 5. Once debate has concluded, the presiding officer shall restate the motion and call for a vote on the issue. A motion shall be considered passed if it receives a majority vote of those present at the meeting, unless otherwise required by law.

## 4. Objections to a motion.

a. Any member of the Authority may make an objection to a motion if he or she believes the motion is not in order. A motion is in order if it is made at a proper time in the proper format and does not violate any applicable rules of law, ordinance, or city policy, including city policies on decorum and civility, and is not made for the purpose of unduly delaying the proceedings.

- b. An objection to a motion must be made immediately following the motion and at no other time. The objector does not need to be recognized by the presiding officer in order to voice their objection. The appropriate language for making an objection shall be substantially similar to "I object to the motion as being out of order, and call for a ruling by the presiding officer."
- c. A motion may be objected to as not being made at a proper time if the motion was made by a person not called upon by the presiding officer to speak, or if it does not follow the agreed upon agenda for the meeting.
- d. The presiding officer shall determine whether the motion is in order.
- e. In determining whether the motion is in order, the presiding officer shall let the objector to the motion speak once explaining his or her position. Next, the presiding officer shall let the maker of the motion speak once to answer the concerns of the objector. Then the presiding officer shall make a formal ruling as to whether the motion was in order.
- f. If the motion is ruled out of order, the motion shall not be considered. If the motion is ruled in order, the presiding officer shall open the motion for debate (if applicable).
- g. The presiding officer's ruling may be appealed as provided in Rule 7.
- **5. Debate.** Generally only one motion may be considered at a time in debate. Once a motion has been made, the presiding officer shall restate the motion and open the motion for debate, if the motion is debatable. The presiding officer shall conduct the debate in accordance with the following:
  - a. For initial comments, all comments shall be limited to five minutes. For subsequent comments, all comments shall be limited to two minutes.
  - b. The maker of the motion shall be permitted to speak first on the issue.
  - c. To the extent possible, the debate shall alternate between proponents and opponents of the measure.
  - d. Everyone who wishes to speak on the issue must be permitted to speak once, before Authority members who have already spoken are permitted to speak again.
  - e. Authority members shall avoid repeating points already made in the debate or other duplicative conduct that may delay the proceedings. Where a point has already been made, Authority members may affirm agreement or disagreement.
  - f. Generally only one motion may be considered at a time in debate. Debate may only be interrupted by a motion to amend the original motion, a motion to take a brief recess, a motion to withdraw the motion by the motion's maker, a motion to divide a complex question, a motion to defer consideration to a later date, a motion to refer an issue to committee, motion for the previous question, a motion to limit debate, or a motion for a

call to order. When debate is interrupted by any of these motions, the interrupting motion shall be resolved prior to resuming debate.

6. Definitions of motions that may interrupt debate (secondary motions). As explained in #5, only certain motions may interrupt debate on a motion. These are called secondary motions. When a secondary motion is made, the presiding officer must follow the same procedures in #3 to consider the secondary motion.

A secondary motion must be resolved, either by being ruled out of order by the presiding officer or debated and voted upon by the Authority, before debate on the main motion can resume. Secondary motions may also be made outside of debate, where appropriate. For example, a motion to take a brief recess can be made before, during, or after a debate.

a. Motion to amend the original motion. The maker of the motion does not need to consent to a motion to amend. However, he or she may vote against the amendment or withdraw their motion via a motion to withdraw prior to any amendment being approved. Only two amendments may be made to an original motion to avoid confusion. The amendments should be voted on in reverse order, with the last amendment being voted upon first. To avoid confusion, complex language should be put in writing. A motion may not be amended so substantially as to essentially reject the original motion, though different language may be proposed so as to entirely substitute for the original language.

The appropriate language for making a motion to amend shall be substantially similar to "I move to amend the motion by inserting between . . . . and . . . ." or "I move to amend the motion by adding after . . ." or "I move to amend the motion by striking out . . ." or "I move to amend the motion by striking out . . . and inserting . . ." or "I move to amend by striking out the motion . . . and substituting the following."

b. **Motion to take a brief recess** is not a motion to adjourn or continue the meeting to another time or place. Instead, it is a motion to take a brief respite no greater than 20 minutes. If a motion to take a brief recess is granted, the presiding officer may set a time for the meeting to resume. In addition, the presiding officer is authorized to call for a brief recess on his or her own initiative, without a vote, to maintain order in the meeting.

The appropriate language for making a motion to recess shall be substantially similar to "I move to take a brief recess for \_\_\_\_ minutes."

c. *Motion to withdraw a motion* is not subject to debate, and it can only be made by the motion's maker before a motion is amended.

The appropriate language for making a motion to withdraw shall be substantially similar to "I move to withdraw my motion."

d.	<b>Motion to divide a complex question</b> may be used for complex items of business. It allows the Authority to break larger questions into smaller parts, which are considered separately.
	The appropriate language for making a motion to divide a complex question shall be substantially similar to "I move to divide the question into parts. Part 1 shall be
e.	Motion to table or defer consideration to a later date is not subject to debate. It may be used to defer or delay consideration of a matter.
	The appropriate language for making a motion to defer consideration shall be substantially similar to "I move to defer consideration of the main motion/this item until"
f.	Motion to refer an issue to committee is not subject to debate. It may be used to refer an issue to a city committee, such as the park board or planning commission, for their report. The motion should contain an expected receipt day for the report.
	The appropriate language for making a motion to refer an issue shall be substantially similar to "I move to refer the main motion/this issue to the committee for its consideration and recommendation. The committee should report back to the Authority in days/weeks."
g.	<b>Motion for call of the previous question</b> is not subject to debate. It may be used only after at least 20 minutes of debate on a single motion or when all members of the Authority have been permitted to speak at least once on the motion. If approved by the majority, a vote must be taken on the motion under debate immediately.
	The appropriate language for making a motion to call the previous question shall be substantially similar to "I move to call the previous question" or "I move for an immediate vote on this issue."
h.	<i>Motion to limit debate</i> is not subject to debate. It may be used to establish time limits for debate.
	The appropriate language for making a motion to limit debate shall be substantially similar to "I move to limit debate on this issue to minutes per person" or "I move to limit Authority debate on this issue to no more than minutes total."
i.	<b>Motion for a call to order</b> is not subject to debate. It may be used to signal to the presiding officer that the Authority Member feels the proceedings have gotten disorderly.

The appropriate language for making a motion for a call to order shall be substantially similar to "I move for a call to order by the presiding officer."

NOTE: Most secondary motions should not literally interrupt debate. They may not be made in the midst of the comments of a speaker duly recognized by the presiding officer, or silence the speaker's speech. To make a secondary motion, the maker must be called upon and recognized by the presiding officer. There are two exceptions to this rule—a motion for a call of the previous question and a motion for a call to order. These motions may be made at any time—even in a manner that interrupts a speaker. However, these motions should be made only in the rare instance where a meeting has become out of control, strayed from the agenda, or become disorderly.

## 7. Appealing procedural decisions of the presiding officer.

- a. Any member of the Authority may appeal to the full Authority a ruling on order or procedure made by the presiding officer.
- b. **Procedure for appeals.** An appeal is made by motion. No second is needed for the motion. The member making the motion may speak once solely on the question involved, and the presiding officer may speak once solely to explain his or her ruling, but no other Authority Member may participate in the discussion.
- c. Once both the maker of the motion and the presiding officer has spoken, the matter must be voted upon by the Authority as a whole.
- d. The appeal shall be sustained if it is approved by a majority of the members present, exclusive of the presiding officer.

## 8. Other special motions explained.

a. **Motion to adjourn** is not subject to debate. It may be used to suggest a conclusion to the meeting. The presiding officer may adjourn a meeting on his or her own initiative, without a vote, if necessary to maintain order.

The appropriate language for making a motion to adjourn shall be substantially similar to "I move to adjourn the meeting."

b. Motion to go into closed session may be used to close the meeting pursuant to the Minnesota Open Meeting Law. When the motion is made, the basis for closing the meeting and the applicable law must be stated into the record. The presiding officer may also close the meeting on his or her own initiative, without a Authority vote, if closing the meeting is mandatory under the law or if directed by the city attorney.

	The appropriate language for making a motion to go into closed session shall be substantially similar to "I move to close the meeting in order to consider
	pursuant to of the Minnesota Open Meeting Law."
c.	<b>Motion to leave a closed session</b> may be used to conclude a closed session and return to an open meeting.
	The appropriate language for making a motion to leave a closed session shall be substantially similar to "I move to open the meeting."
d.	<b>Motion to revive consideration of an issue</b> may be used to request consideration of an issue previously tabled, deferred, or referred to committee at any prior meeting.
	The appropriate language for making a motion to revive shall be substantially similar to "I move to revive consideration of previously tabled/deferred/referred to committee."
e.	<b>Motion to reconsider</b> may be made only at the <b>same</b> meeting where the issue was originally considered and voted upon. It may be made only by a person on the prevailing side of an issue. In the event of a tie vote, those voting against the issue shall be considered the prevailing side.
	The appropriate language for making a motion to reconsider shall be substantially similar to "I move to reconsider"
f.	Motion to rescind or repeal may be made at any meeting following the meeting where the issue was originally considered and voted upon. It may be made by any Authority Member, whether or not he or she was on the prevailing side. It may not be made when prevented by law or where substantial reliance on the Authority's previous decision has occurred (for example, in the area of contracts or hiring/termination of employees).
	The appropriate language for making a motion to reconsider shall be substantially similar to "I move to rescind/repeal the Authority's previous action related to as stated in resolution number"
g.	Motion to prevent reintroduction of an issue for months is not subject to debate. It may be used to limit discussion of an issue that has been raised and/or moved for reconsideration several previous times.
	The appropriate language for making a motion to prevent reintroduction shall be substantially similar to "I move to prevent reintroduction of this issue for months."

h.	Motion to suspend the rules or to consider a motion informally should be used
	sparingly on issues likely to be uncontroversial. Complex motions and resolutions
	should still be put in writing. This motion may permit informal discussion of an issue
	(such as a roundtable discussion, brainstorming session, visioning session, etc.) where
	appropriate.

The appropriate language for	making a motion to proc	eed informally shall be
substantially similar to "I move	e that we suspend the ru	les and proceed informally in
discussing the issue of	."	

**9. Resolutions.** Simple motions shall be used for meeting matters. Substantive issues, such as the approval or disapproval of capital projects; the censure of Authority members, and amendments to the bylaws shall be by resolution. All resolutions shall be written and numbered in a manner consistent with the Authority's record keeping policies.

The appropriate language for a motion for the adoption of a resolution shall be substantially similar to "I move to adopt the resolution numbered \_\_\_\_\_."

10. Robert's Rules not applicable. These model rules are designed specifically for Minnesota EDAs. Further, these rules were drafted to be an appropriate level of regulation and formality for smaller governing bodies typically seen in Minnesota cities. Robert's Rules of Order is not assumed to apply or to supplement these regulations. Where a situation arises that is not addressed by these rules, the intent of these rules, as expressed in the preamble, should be effectuated by the presiding officer, in consultation with the city attorney.

#### IX. VOTING.

- A. The votes of the EDA will be taken by voice vote. The presiding officer shall announce the results of all votes of the Authority.
- B. A clear statement of the matter being voted upon and the names of those voting for and against the matter shall be recorded in the official minutes.
- C. Authority members may ask for a roll call of the vote by the President on any motion or resolution.
- D. The city administrator may ask for a verification roll call if the vote of a Authority Member is not clear on the voice vote.
- E. A majority vote of the quorum present shall be sufficient for all matters before the Authority, unless otherwise provided by state law.

F. Whenever a matter is put forward for a vote, every Authority Member shall vote, unless a bona fide conflict of interest, as defined by state law, exists.

## X. PUBLIC COMMENT AT AUTHORITY MEETINGS AND AT PUBLIC HEARINGS

- A. Public participation and comment at Authority meetings. EDA meetings are the forum for the EDA to conduct business. While EDA meetings are open to the public pursuant to the Minnesota Open Meeting Law, they are not a forum for public expression. As such, members of the public are not allowed to participate in Authority discussion and debate without a specific invitation and/or formal recognition by the presiding officer. Members of the public shall not applaud, engage in conversation, or engage in other behavior through words or action that may disrupt the proceedings of Authority.
- B. Members of the public shall follow the direction of the presiding officer. Members of the public who do not follow the direction of the presiding officer will be warned that further disruptive conduct will result in removal from the meeting. After warning, if the conduct continues, the presiding officer may ask the member of the public to leave the meeting room.
  - If the member of the public refuses to follow the direction of the presiding officer, the presiding officer may direct the sergeant-at-arms to remove the person through any lawful means. In emergency situations, or where conduct is an egregious threat to the safety of the public or the Authority, a warning is not necessary before the sergeant-at-arms is directed to remove the person.
- C. **Public comment period.** A limited forum for residents of Bridge Park to speak with the Authority is provided on the agenda for the Authority meeting held the first Monday of every month. Public comments during the public comment period are subject to these limitations:
  - 1. Speakers must be recognized by the presiding officer before speaking and are limited to three minutes for comment.
  - 2. When multiple speakers appear to speak on the same topic, comments should not be repetitive. The presiding officer may request speakers to appoint a spokesperson.
  - 3. The presiding officer may place a time limit on the public comment period if necessary to allow for the conduct of city business. If there is not sufficient time at the meeting to hear all public comments, the comment period may be deferred to the next regular Authority meeting or at a continued meeting.
  - 4. Speakers must sign up prior to speaking and provide a name, address, and brief summary of the subject matter they wish to address. The sign-up sheet will be available at the start of the EDA meeting.

- 5. Speakers must direct their remarks toward the presiding officer.
- 6. Speakers shall not use obscene, profane or threatening language, nor conduct themselves in a threatening, loud, or boisterous manner that disrupts the conduct of the meeting or the security of the public.
- 7. Speakers are required to follow the direction of the presiding officer.
- 8. Speakers who do not follow the direction of the presiding officer will be warned that further disruptive conduct will result in removal from the meeting. After warning, if the conduct continues the presiding officer may ask the speaker to leave. If the speaker refuses to follow the direction of the presiding officer, the presiding officer may direct the sergeant-at-arms to remove the speaker through any lawful means. In emergency situations, or when conduct is an egregious threat to the safety of the public or the Authority, a warning is not necessary before the sergeant-at-arms is directed to remove the speaker.
- 9. Authority will generally not respond at the same meeting where an issue is initially raised by a member of the public. Generally the matter will be referred to staff for further research and possible report or action at a future Authority meeting.
- D. A summary of these rules for public comment may be provided in the Authority meeting room.

XI. PUBLIC HEARINGS. Public hearings are sometimes required by law to allow the public to offer input on EDA decisions. When public hearings are required by law, notice shall be provided as required by state statute. Public hearings shall be commenced at the time advertised in any notice required by law.

- A. *General procedure for public hearings.* The order of business for all public hearings conducted by Authority shall be:
  - 1. Opening comments by presiding officer announcing the purpose of the public hearing.
  - 2. Presiding officer opens the public hearing portion of the meeting.
  - 3. Staff presentation (including city administrator, attorney, engineering reports if any).
  - 4. Developer/other presentation (if any).
  - 5. Public comments.
  - 6. Reading of written comments.
  - 7. Presiding officer formally closes the public hearing portion of the meeting.

- B. Speakers who wish to address the EDA at a public hearing must follow the same rules in Section X Public Hearings. However, the presiding officer may allow additional time for speakers, as required, to comply with applicable state law.
- C. Speakers may also provide written comments to the EDA before or at the meeting. Written comments may be read aloud by the City Administrator or their designee. Anonymous, unsigned communications will not be read.
- D. The presiding officer may continue the hearing, if necessary, following the procedures in Section V Authority meetings, subsection F.

XII. PROCEDURE FOR RESOLUTION AND ORDINANCE ADOPTION. All resolutions and ordinances shall be in writing. Unless otherwise provided by law, all ordinances shall be adopted by a majority vote of Authority members present at the Authority meeting. Unless otherwise provided by law, ordinances do not require multiple readings, and may be adopted as presented at the first available meeting.

XIII. BOARD, COMMISSION, AND COMMITTEE ASSIGNMENTS. All assignments of Authority members to serve on city boards, commissions, and committees shall be by a majority vote of Authority members present at the meeting, unless otherwise provided by law.

XIV. SEATING ASSIGNMENTS. Authority members shall occupy the chairs assigned to them by the presiding officer.

XV. SUSPENSION OR AMENDMENT OF THESE RULES. Any or all of these rules may be temporarily suspended by a majority vote of the Authority members present at the meeting, except as otherwise required by Minnesota law. These rules shall not be repealed or amended except by a majority vote of the whole Authority after notice has been given at a preceding Authority meeting.

### XVI. MISCELLANEOUS.

- A. Fiscal Year: The fiscal year of the Authority shall be January 1 to December 31.
- B. **Treasurer's Bond:** The Treasurer shall give bond to the state conditioned for the faithful discharge of official duties. The bond must be approved as to form and surety by the Authority and filed with the Secretary. The bond must be for twice the amount of money likely to be on hand at any one time, as determined at least annually by the Authority, provided that the bond must not exceed \$300,000.
- C. **Checks:** All Authority checks shall be signed by the Treasurer or Assistant Treasurer, or the Executive Director and one other officer named by the Authority. The check must state the name of the payee and the nature for which the check is issued.

- D. **Financial Statement:** The Authority shall examine the financial statement together with the Treasurer's vouchers, which financial statement shall disclose all receipts and disbursements, their nature, money on hand, the purposes to which it shall be applied, the Authority's credits and assets and its outstanding liabilities in a form required by the City's financial statements. If the Authority finds the financial statement and Treasurer's vouchers to be correct, it shall be approved by motion.
- E. Report to the City: The Authority shall annually, at a time designated by the City, make a report to the City Council giving a detailed account of its activities and of its receipts and expenditures for the preceding calendar year, together with additional matters and recommendations it deems advisable for the economic development of the City.
- F. **Budget to the City:** The Authority shall annually send its budget to the City Council at a time fixed by the City. The budget shall include a written estimate of the amount of money needed by the Authority from the City in order for the Authority to conduct business during the upcoming fiscal year.
- G. Audits: The Authority's financial statements shall be prepared, audited, filed and published or posted in the manner required for the City's financial statements. The financial statements shall permit comparison and reconciliation with the City's accounts and financial reports and shall be filed with the State Auditor by June 30 of every year.
- H. **Depositories:** The Authority shall use the same depositories as approved by the City Council.
- Supplies, Purchasing, Facilities, and Services. The Authority may purchase supplies and materials it needs. The Authority may use the facilities of the City's purchasing department. The City may furnish offices, structures, space, secretarial, engineering, or other assistance needed by the Authority.

# Cambridge Economic Development Authority (EDA) January 22, 2013

Pursuant to due call and notice thereof, a regular meeting of the Cambridge Economic Development Authority (EDA) was held on Tuesday, January 22, 2012 at Cambridge City Center, 300 3<sup>rd</sup> Ave NE, Cambridge, Minnesota, 55008.

Members Present: President Chris Caulk, Vice President Lisa Iverson and EDA members

Marlys Palmer and Howard Lewis

Members Absent: David Schornstein

Others Present: Executive Director Lynda Woulfe and Economic Development Director

Stan Gustafson

## Call to Order

President Caulk called the meeting to order at 6:02 pm.

## Approval of Agenda

Lewis moved, seconded by Iverson, to approve the agenda as presented. Motion carried 4/0.

## **Consent Agenda**

Iverson moved, seconded by Palmer, to approve consent agenda items A – B as follows:

- A. Approval of EDA Bills #91606 #92191, totaling \$62,988.72
- B. Approve January 7, 2013 EDA Meeting Minutes

Upon call of the roll, Caulk, Iverson, Lewis, and Palmer, voted aye. No nay. Motion carried 4/0.

## New Business

## GPS 45:93 Membership

Gustafson stated GPS 45:93 is a regional consortium of public sector, private sector and non-profit parties in the region created to better attract high-wage, technology-based jobs. Gustafson reported GPS collaborates on industrial job retention, expansion, recruitment and development of start companies. Gustafson stated the annual dues are \$750 which is paid from the EDA marketing budget.

Gustafson stated the GPS membership consists of cities, counties, workforce, Central MN Jobs and Training, DEED, State House and Senate, Lakes & Pines, Initiative Foundation, ECRDC, MN Power, US Cable, ARRC Manufacturers, Allina, Pine Tech, four financial institutions and Pine Medical Center for a total of 29 members all within region 7E.

Gustafson stated the membership benefits include being a part of CVN, Positively MN, Economic Development Association Minnesota, Minnesota Real Estate Journal conference

attendance, and MNCar. Gustafson stated MNCar allows him to see what Metro Realtors are looking for their clients and the eblasts he sees are requests for certain size building or land and the preferred locations and he responds accordingly. Gustafson stated this is another marketing tool the City has access to without the high price of joining the group on our own. Gustafson stated if the City of Cambridge were to have individual memberships in these organizations, the total would be \$6,350.

Gustafson stated Cambridge continues to market to the metro or north metro realtors to indicate they are within close proximity to Minneapolis and St. Paul. GPS is a good regional organization and, when seeking specific funding, it is best to be associated with a regional organization rather than on your own.

Palmer confirmed the City does not get the same benefits through the Isanti County EDA as GPS 45:93.

Palmer moved, seconded by Iverson to approve the membership to GPS 45:93 for the calendar year of 2013 for \$750. Lewis confirmed the City is a member of the Chamber of Commerce. Motion passed 4/0.

## **Unfinished Business**

There was no unfinished business.

## Adjournment

Lewis moved, seconded by Iverson, to adjourn the meeting at 6:13 p.m. The motion carried 4/0.

Re: Report on EDA Housing Operations

## Bridges:

> Staff is working on a renewal reapplication for the Bridges Program for biennium 2013- 2015. Our current funding is \$234,000 (July 1, 2013 - June 30, 2015). It is unknown what the funding will be for the next biennium. We don't expect that there will be additional funds but we are hoping our current base funding is maintained so no one will be terminated from the program.

The State rental subsidy (Bridges) is a temporary subsidy designed to bridge a gap until a permanent subsidy (Section 8) is available. The Section 8 waiting list is not moving so no one is transferring off the Bridges Program. Currently we have 62 applications on file.

- > Program fully utilized.
- > Sent out FY 2012 1099's to Bridges landlords.

## <u>Public Housing</u>:

- Preparing paperwork/appointments for annual re-certifications (May) of all public housing tenants.
- Submitted Lead Based Paint Activity Report (52850) to HUD.
- > Staff will attend training at the Mpls. field office (HUD) Tuesday, January 29 Feb. 1 for both public housing and Section 8.
- Staff will be on vacation February 18 March 1. Being I will be gone I will not have housing reports ready until the March 18 board meeting.

## Section 8 Program:

- > Sent out FY 2012 1099's to Section 8 landlords.
- Submitted VMS report to HUD.
- > Staff is preparing the SEMAP (Section Eight Management Assessment Program) certification which is due February 29.

The Dept of Urban Development HAP is operating under a Continuing Resolution at the time. We have not yet received our 2013 funding renewal amount for the Section 8 Program. Due to the uncertainty of our 2013 funding, we are only utilizing 54 of our 58 vouchers to prevent a funding shortfall. We administer files for 51 families who have ported into our jurisdiction.

## Capital Fund:

▶ Packets were sent out to solicit of bids for the replacement of 15 interior doors in the common areas and 3 exit doors at Bridge Park; one on the north & south side of the building and one going out on the roof. (Staff received approval to solicit bids for 2011 capital projects at the July 2, 2012 board meeting). Bids are to in by Thursday, March 14 at 4 p.m.

## Resident Meeting –Thursday, January 17, 2013

### Resident fund report -

Bank account - \$226.51

Christmas expense - \$367.73 + 50.00 (pianist) = \$417.73

## Resident activity update:

✓ Ruth Thunstrom (689-8250) will teach the Nutrition Class again this year. She will be able to teach this class on Wednesday's or Thursday's starting in March. It is a series so Ruth would appreciate if you would commit to coming every week. Lunch is provided.

Resident's response: The best day for them is Thursday's all except the 4<sup>th</sup> Thursday when they have church service.

- ✓ **Laundry Room** A box has been placed in the laundry room for tenants to place items they want to donate to the food shelf or give to someone else.
- ✓ Annual recertification Explain paperwork needed for their May. Forms will be handed out the first week in February and will need to be turned back in by the first week in March. Verifications cannot be more than 90 days old (ex: bank statements, employment)/ Apartment inspections will be scheduled for the first part of April. Inspection dates and time will be posted on each floor and on the bulletin board.
- ✓ Storage rooms should be cleaned out and items removed if they are no longer being used to make room for other tenants.
- Residents are welcome to use common kitchen, however, when you do please clean up after. The microwave has been found dirty. If you use dishes they are to be sanitized in the dish washer. No hand washing. The dishwasher may have to be run oftener even if it is not full. Coffee carafes should not be immersed in water. Just rinse and drip dry.
- ✓ Upcoming capital projects: New doors, 15 interior doors and 3 exit doors. Work is scheduled to begin in April.
- ✓ **Staff will be on vacation** from Monday, February 18- February 28. We will be back in the office on March 1. Bill will be here at times and on call while we are gone. Please do not call him unless it is an absolute emergency. His number will be posted on the bulletin board.
- ✓ Next EDA meeting Monday, February 4, 3 p.m., Cambridge City Hall. Everyone is welcome to attend.

## EDA-Housing Division Meeting 2/4/2013

## Cambridge Economic Development Authority Staff Report

<u>Subject:</u> SEMAP certification reporting: Indicator 7, Expanding Housing Opportunities

Creating a Section 8 Policy outlining on how the PHA will conduct owner outreach, particularly to owners of units if there are identified areas outside of poverty or minority concentration in the Cambridge EDAs jurisdiction.

## Background:

The section eight management assessment program (SEMAP) measures the performance of the public housing agencies (PHAs) that administer the housing choice voucher program in 14 key areas.

Indicator 7 requires the PHA to have a written policy in its administration plan which includes actions the PHA will take to encourage participation by owners of units located outside areas of poverty and minority concentration, and which clearly defined areas in its jurisdiction that the PHA considers area of poverty and minority concentration.

In researching this, by means of reviewing the State of Minnesota Consolidated Plan and the U.S. Census (2010) no identifiable pockets of poverty or minority concentration were found in Chisago or Isanti County.

The Cambridge EDA did not have a policy outlining the action we would take if they were present. This information must be included in the administrative plan in order to receive full points on Indicator 7, Expanding Housing Opportunities, under SEMAP [24 CFR 985.3(g)].

## Board action requested:

Review and approve the policy as outlined on how the PHA will conduct owner outreach if areas of poverty or minority concentration were identified in the PHA jurisdiction.

### PART I. OWNERS IN THE HCV PROGRAM

## 13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]

### Recruitment

PHAs are responsible for ensuring that very low income families have access to all types and ranges of affordable housing in the PHA's jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for the PHA to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in the PHA's jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

## PHA Policy

The PHA will conduct owner outreach to ensure that owners are familiar with the program and its advantages. The PHA will actively recruit property owners with property located outside areas of poverty and minority concentration if these areas are identified in Chisago and Isanti Counties. The outreach strategies will include:

Distributing printed material about the program to property owners and managers

Contacting property owners and managers by phone or in-person Developing working relationships with owners and real estate brokers associations

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

No areas have been identified as areas of poverty and minority concentration within the PHA's jurisdiction:

Chisago County – No areas of poverty and minority concentration were identified in the State of MN Consolidation Report nor in the 2010 U.S. Census report (Feb.2013)

Isanti Co - No areas of poverty and minority concentration were identified in the State of MN Consolidation Report nor in the 2010 U.S. Census report (Feb.2013)
