#### **Work Session**

There were no items under the work session.

#### **Unfinished Business**

Approve Amended Proposal from Inspec/SEH for Structural Engineering Analysis for Roof System

Gustafson noted that this item was the same proposal that was discussed at the preceding EDA Meeting. At that meeting, he informed the council members that staff is requesting approval for the amended proposal from Inspec for Engineering Services for Structural Analysis for City Hall and City Center Mall. He stated staff has been working with Inspec and SEH on the potential need for structural engineering for the City Hall and Mall roof to make sure that if there was to be additional weight or added insulation, that the new rooftop units had adequate support. Gustafson said he provided the roof plans for both buildings, City Hall and the Mall, and both Inspec and SEH are reviewing these and will be contacting the manufacturer to determine the load capacity.

The part of the proposal that was amended from Inspec, was under Section D, Compensation-Basic Services. Additional Coordination Services are \$1,000, Structural Analysis Services are \$4,700, and Design Services are \$4,000, for a total of \$9,700. Gustafson stated that at this time, staff does not anticipate structural modifications on these buildings and would not need the design services of \$4,000. He noted that if structural modifications are not required, Inspec and their team will not invoice the design fee of \$4,000. He also clarified that both the City Hall and City Center Mall will be proportionately paid for from the budget along with estimated reimbursable expenses as stated in the contract, and currently expects the City Hall portion to be \$4,200 and the City Mall portion to be \$5,700. Gustafson said there are funds on hand in the EDA Administration fund and the City Hall Capital Fund to pay for the proposed contract from Inspec, as well as the project which includes structural engineering services, replacement of roof and heating/cooling systems provided the bids are within the range given by Inspec. He stated the proposed funding for the project will be reviewed again prior to the awarding of the contract.

Morin asked about the need to have the structural analysis done, and if the engineers were expecting any issues with the new roof. Woulfe stated that newer heating and HVAC units are much larger and heavier now than they were when the roof had last been replaced. In light of this, there is a need to make sure that the current structure and roof trusses were capable of handling the extra weight. Woulfe said they are not expecting to find major issues with the structure, but just want to make sure that it is safe.

April 20, 2020 Page 2 of 7

Conley moved, seconded by Shogren, to approve the amended proposal from Inspec and SEH for structural engineering analysis for the roof system. Upon roll call, Godfrey, Shogren, Morin, Conley, and Iverson all voted aye, with no nays. Motion passed unanimously.

Approved Second Amendment for an Extension to the Purchase Agreement with Minnco Credit Union

Gustafson stated that Minnco Credit Union is requesting an extension to the Purchase Agreement for closing by July 31, 2020. Additional time is needed to explore additional site due diligence in the form of comments and preliminary approvals from Kohl's and Fleet Farm based on the initial site plan they are working on. Both companies have received the requests for preliminary approval from staff, but have yet to respond. Gustafson said that staff is supportive of this extension as long as this project continues in a positive direction.

Morin had a question about why Minnco is needing a second extension to their purchase agreement. Gustafson stated that they have been moving in a positive direction, but are waiting for the other businesses to respond. He said that the other businesses have 30 days in which to approve the plans, and that is what is delaying the progress. Gustafson said that Minnco is following and completing everything that is required of them, but that it is taking some extra time. Iverson moved, seconded by Conley, to approve the second amendment for an extension to the purchase agreement with Minnco Credit Union. Upon roll call, Godfrey, Iverson, Conley, Morin and Shogren all voted aye, with no nays. Motion carried unanimously.

#### **New Business**

Approve the Replacement of a Public Works Plow Truck

Schwab said the Public Works Department has been experiencing numerous mechanical issues with a 2011 International Plow Truck, Unit 115. The problem is with the first generation Maxxforce diesel engine it was equipped with. He said this type of problem is not isolated to Cambridge, as both MnDOT and ECE have trucks equipped with the same engine. They have experienced similar issues, and have considered replacing their entire fleet of Maxxforce equipped trucks. Schwab stated that they have had Unit 115 in the shop on numerous occasions over the last five years, and have spent over \$35,000 in repairs. He said the truck is currently in the shop due to a total emissions system failure. The estimated cost of repairs is \$23,000, and the technician can't guarantee the problem will be fixed. Schwab said other owners have had this same problem occur repeatedly, and that International now uses a Cummins engine instead of their own because of this.

As Unit 115 has become increasingly costly to maintain, Schwab said it has also proven to be an unreliable part of the fleet. He said snow removal has been challenging when one of the main fleet trucks has been down for repairs. Schwab said staff is proposing to have the repairs completed, and then trade the truck in to help purchase a replacement. The dealer for the State Contract has some 2020 models left in inventory, so the cost of the chassis would be the same as the 2020 model that was purchased in 2019.

Page 3 of 7

After figuring in a trade value of \$25,000 for the old truck, the cost of the new truck would be \$183,836.89. This price includes the extra equipment, and the tax, title, and license fees. Unit 115 was not scheduled to be replaced until 2030, but Unit 118 is scheduled to be replaced in 2022. Schwab said Unit 118 is mechanically sound and is primarily used as a back-up for other trucks that are down or need repairs. Schwab said staff has been working with the Finance Department, and is proposing to use the \$184,000 of Capital Funds allocated for replacement of unit 118 in 2022, to purchase a replacement for Unit 115. Unit 118 would then be replaced in 2025, and the balance of the future truck replacements would be postponed for two years from present programing.

Iverson asked why we were doing the repairs and then trading the truck in, instead of just trading it in or keeping it for parts. Schwab said the repairs have already been done, and trading it in will help the City gain back the cost of the repairs plus get \$2,000 towards the purchase of the new truck. He also stated that they would not be able to use the truck for parts, as they are not all compatible between different makes and model years.

Morin moved, seconded by Shogren, to approve the purchase of a 2020 International HV507 chassis from Astleford International, and the truck mounted equipment for an amount not to exceed \$184,000. The 2011 International Work Star (Unit 115) would be declared surplus property to be offered as trade-in, with proceeds being used towards the purchase of the 2020 model. Upon roll call, Godfrey, Iverson, Conley, Morin, and Shogren all voted aye, with no nays. Motion passed unanimously.

#### 2020 Street Improvements

Blank informed the council that on Tuesday, April 7, 2020, staff received and opened bids for the 2020 Street Improvement project. He stated a total of four bids were received, and Douglas-Kerr Underground from Mora, MN is the low bidder at \$5,265,560.65. The bid from Douglas-Kerr was less than the engineer's estimate of \$5,646,000, and is within the budget to fund this project. Blank said Douglas-Kerr has successfully completed other projects for the City, including the 2014 Street Projects, and concludes that they have the experience, equipment, and ability to successfully complete this project as well.

Blank also included a proposal from SEH to perform construction related services, including preconstruction coordination, full time on-site construction observation, construction staking, construction administration, project closeout, and record plan preparation. The estimated cost of these services is \$548,000 and will not be exceeded without City approval.

Godfrey had a question for Moe about how the sale of bonds for the project was going. She stated that staff was preparing for the sale of the bonds in the coming days, and have been informed that there is still a good bond market. Godfrey then asked what would happen if the sale of the bonds was not as favorable as planned. Moe said the City could then do private financing through a local bank instead of selling bonds, and that there is sufficient cash flow on hand to continue with the project. Shogren moved, seconded by Iverson, to approve Resolution R20- 032 accepting the bid and awarding a contract to Douglas-Kerr Underground for the 2020 Street Improvements, and to approve

April 20, 2020 Page 4 of 7

the proposal from SEH for construction services. Upon roll call, Godfrey, Iverson, Shogren, Conley, and Morin all voted aye, with no nays. Motion passed unanimously.

#### Resolution R20-033 General Fund Budget Amendment

Moe stated that due to the economic uncertainty related to the COVID-19 pandemic, she recommended the council take action to continue the City's strong financial position in order to ensure that essential services may be maintained. She said she is following guidance from The Government Finance Officers Association on budget adjustments for managing cash flow during times of crisis.

Moe reviewed the update to the General Fund Budget that reflects the City's initial response to the pandemic, with the main focus being on reducing capital spending. She said the City is delaying some of the capital projects, such as the Roof Replacement Project and the Street Light Pole Replacement Project, to free up some cash flow. There have also been adjustments made for an expected increase in property tax delinquency, a decrease in licenses and permits, a decrease in the School Resource Officer position, an increase in revenue from Northbound Liquor, as well as some other minor adjustments.

Moe said the City is not drawing on any of its reserves right now, and will still have them available if the economy gets worse. She stressed the importance of continuing with essential services and keeping the City's financial condition strong. Iverson moved, seconded by Shogren, to approve Resolution R20-033 approving amendments to the 2020 General Fund Budget. Upon roll call, Godfrey, Iverson, Shogren, Conley, and Morin all voted aye, with no nays. Motion passed unanimously.

#### Parkwood Park Fitness Equipment

Westover stated the City has developed a plan to develop the Parkwood Park, which was obtained through a conveyance of forfeited lands. The formal plan includes fitness equipment, handicap accessible equipment, horseshoe pits and shuffleboard, and a trail that has already been installed. Westover said the City has already received a grant from the Bernick's Foundation for \$22,750, but that the grant only covers part of the equipment being installed. She said she has received bids for the remainder of the equipment, and GTfit had the lowest bid of \$28,900.30.

Westover noted that the horseshoe pits and shuffleboard will be built and installed by the Public Works department. Conley moved, seconded by Shogren, to approve the bid from GTfit for park equipment to complete Parkwood Park, not to exceed \$28,900.30. Upon roll call, Godfrey, Shogren, Conley, Iverson, and Morin all voted aye, with no nays. Motion carried unanimously.

Mayor's Report

Godfrey noted his appreciation for the continued support of the local businesses through curbside pick-up. He also wanted to say thank you for all of the hearts and Bluejacket Pride he has seen in windows throughout our community.

Room Names- Cambridge Public Library

Woulfe informed the council that the Library needed to name the different rooms, so they could have signs ordered in time for the opening of the Library. She said they needed to have eight names total for the community room, the upstairs conference room, and the six study rooms. Woulfe said there was no naming policy in place and reviewed name suggestions submitted by the Library, Councilmember Shogren, and Councilmember Morin.

Godfrey proposed they use a theme for the names, and Shogren suggested they could use names of people that have served our community. Morin had a list of names that he had come up with which included: Cambridge, Sweden, Palmer, Spirit River, Yuasa, Rattvik, Beli Manastir, and Bluejacket. Conley liked the names Morin suggested, and the reasons he had for choosing them. Woulfe thought Heritage would be a better name than Sweden, Shogren wanted to include Great Northern as a name for the early railroad days, and Iverson liked the name Opportunity because Cambridge is an Opportunity Community.

After much discussion, the council decided to have the community room be named Great Northern Room. The upstairs conference and education room will be named Opportunity Room. The six study rooms will be named the Marlys Palmer Room, the Spirit River Room, the Yuasa Room, the Rattvik Room, the Beli Manastir Room, and the Bluejacket Room. Shogren moved, seconded by Iverson, to approve the room names and allow the signs for the Library to be ordered. Upon roll call, Iverson, Shogren, Morin, and Conley all voted aye, with no nays. Godfrey did not vote due his electronic connection being lost. The motion passed unanimously.

#### **Union Negotiations**

Woulfe read the announcement for closing the meeting pursuant to the Minnesota Open Meeting Law exception for union negotiation strategies.

#### **Adjournment of Council Meeting**

Being no further business before the City Council, Morin moved, seconded by Shogren, to adjourn the regular and closed meeting at 7:38 pm. Upon roll call, all members voted aye, with no nays. Motion carried unanimously.

#### **Mutual Aid Agreement Between**

# The City of North Branch And The City of Cambridge

#### **Purpose**

This agreement is made pursuant to Minnesota Statutes §471.59 which authorizes the joint and cooperative exercise of powers common to contracting parties. The intent of this agreement is to make equipment, personnel and other resources available to political subdivisions from other political subdivisions.

#### **Definitions**

- 1. "Party" means a political subdivision.
- 2. "Requesting Official" means the person designated by a Party who is responsible for requesting Assistance from other Parties.
- 3. "Requesting Party" means a party that requests assistance from other parties.
- 4. "Responding Official" means the person designated by a party who is responsible to determine whether and to what extent that party should provide assistance to a Requesting Party.
- 5. "Responding Party" means a party that provides assistance to a Requesting Party.
- 6. "Assistance" means:
  - ☑Public Works personnel and equipment
  - ☑Fire and/or emergency medical services personnel and equipment
  - **⊠**Law enforcement personnel and equipment
  - ☑Utility personnel and equipment
  - ☑Other personnel and equipment as may be needed to effectively respond to a natural disaster or other emergency.

#### Procedure

- A. **Request for assistance.** Whenever, in the opinion of a Requesting Official, there is a need for assistance from other parties, the Requesting Official may call upon the Responding Official of any other party to furnish assistance.
- B. Response to request. Upon the request for assistance from a Requesting Party, the Responding Official may authorize and direct his/her party's personnel to provide assistance to the Requesting Party. This decision will be made after considering the needs of the responding party and the availability of resources.

- C. Recall of Assistance. The Responding Official may at any time recall such assistance when in his or her best judgment or by an order from the governing body of the Responding Party, it is considered to be in the best interests of the Responding Party to do so.
- D. **Command of Scene.** The Requesting Party shall be in command of the mutual aid scene. The personnel and equipment of the Responding Party shall be under the direction and control of the Requesting Party until the Responding Official withdraws assistance.

#### Workers' compensation

Each party shall be responsible for injuries or death of its own personnel. Each party will maintain workers' compensation insurance or self-insurance coverage, covering its own personnel while they are providing assistance pursuant to this agreement. Each party waives the right to sue any other party for any workers' compensation benefits paid to its own employee or volunteer or their dependents, even if the injuries were caused wholly or partially by the negligence of any other party or its officers, employees, or volunteers.

#### Damage to equipment

Each party shall be responsible for damages to or loss of its own equipment. Each party waives the right to sue any other party for any damages to or loss of its equipment, even if the damages or losses were caused wholly or partially by the negligence of any other party or its officers, employees, or volunteers.

#### Liability

- A. For the purposes of the Minnesota Municipal Tort Liability Act (Minn. Stat. 466), the employees and officers of the Responding Party are deemed to be employees (as defined in Minn. Stat. 466.01, subdivision 6) of the Requesting Party.
- B. The Requesting Party agrees to defend and indemnify the Responding Party against any claims brought or actions filed against the Responding Party or any officer, employee, or volunteer of the Responding Party for injury to, death of, or damage to the property of any third person or persons, arising from the performance and provision of assistance in responding to a request for assistance by the Requesting Party pursuant to this agreement.
- C. Under no circumstances, however, shall a party be required to pay on behalf of itself and other parties, any amounts in excess of the limits on liability established in Minnesota Statutes Chapter 466 applicable to any one party. The limits of liability for some or all of the parties may not be added together to determine the maximum amount of liability for any party.
- D. The intent of this subdivision is to impose on each Requesting Party a limited duty to defend and indemnify a Responding Party for claims arising within the Requesting Party's jurisdiction subject to the limits of liability under Minnesota Statutes Chapter 466. The purpose of creating this duty to defend and indemnify is to simplify the defense of claims by eliminating conflicts among defendants, and to permit liability claims against multiple defendants from a single occurrence to be defended by a single attorney.

E. No party to this agreement or any officer of any Party shall be liable to any other Party or to any other person for failure of any party to furnish assistance to any other party, or for recalling assistance, both as described in this agreement.

#### **Charges to the Requesting Party**

Subd. 1. No charges will be levied by a Responding Party to this agreement for assistance rendered to a Requesting Party under the terms of this agreement unless that assistance continues for a period of more than 24 hours. If assistance provided under this agreement continues for more than 24 hours, the Responding Party will submit to the Requesting Party an itemized bill for the actual cost of any assistance provided after the initial 24 hour period, including salaries, overtime, materials and supplies and other necessary expenses; and the Requesting Party will reimburse the party providing the assistance for that amount.

Subd. 2. Such charges are not contingent upon the availability of federal or state government funds.

#### **Duration**

This agreement will be in force for a period of five (5) years from May 1, 2020 through April 30, 2024. Any party may withdraw from this agreement upon thirty (30) days written notice to the other party or parties to the agreement.

The Employer shall, upon written authorization from the individual employee, after the date of this Agreement, deduct from the pay of such employee the regular monthly Union membership dues and remit the same to the duly authorized representative of the Union. The Union will indemnify, defend and hold the Employer harmless against any claim(s) made and against any lawsuit(s) instituted regarding payroll deductions for dues.

Effective May 5, 2020 the Employer will, upon written notification of the individual employee, deduct from the pay of such employee the working dues assessment. These dues will be deducted at ten

cents (\$.10) per hour, not to exceed 40 hours per week. All money collected by the Employer, as provided here, shall be remitted, along with the reporting form which states the employee's name, last four digits only of social security number, hours worked, and amount of working dues owed, to Local 49's office located at 2829 Anthony Lane South, Minneapolis, Minnesota 55418, not later than the 15th day of the month following the month in which deductions were made.

#### ARTICLE 9. MANAGEMENT RIGHTS.

The Employer retains the full and unrestricted right to operate and manage all personnel, facilities and equipment; to establish functions and programs and levels of services to be provided; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct, and determine the number of personnel, including the right to employ and fire any number of employees, full-time or part-time, who do not qualify for recognition under Article 3; to determine whether services should be provided or purchased; to establish work schedules; and to perform any inherent managerial function not specifically limited by this Agreement.

Any term and condition of employment not specifically established or modified by this Agreement shall remain solely with the discretion of the Employer to modify, establish or eliminate.

#### **ARTICLE 10. GRIEVANCES.**

A grievance is defined as a dispute or disagreement as to interpretation or application of the specific terms and conditions of this Agreement.

#### STEP 1:

Whenever any employee or group of employees have a grievance, the employee(s) shall meet on an informal basis with the employee's immediate supervisor in an attempt to resolve the grievance within ten (10) days after the grievance occurred, or ten (10) days after the employee(s), through the use of the reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. If the grievance is not resolved within ten (10) days of receipt of the written grievance, serve his answer upon the exclusive representative.

If the grievance involves and affects more than five (5) employees, the grievance must be reduced to writing by the exclusive representative and served upon the Public Works Director within ten (10) days after the grievance, through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. The Employer shall within ten (10) days serve the Employer's answer upon the exclusive representative.

#### STEP 2:

The Public Works Director shall meet with the exclusive representative within ten (10) days after receipt of the written grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties. If no agreement is reached within ten (10) days of the first Step 2 meeting, the exclusive representative, if he elects to proceed with the grievance, must proceed with Step 3 by serving a proper notification on the Employer. The notification shall contain a concise statement indicating the intention of the party to

proceed with the grievance, and outline of the grievance, the provision(s) of the contract in dispute, and the relief requested.

#### STEP 3:

The Employer, its chief administrator, or its special representative, shall meet with the designated official or the exclusive representative within ten (10) days after receiving notice of intention to proceed with the grievance pursuant to Step 2. If resolution of the grievance results, the parties shall reduce the resolution to writing and sign the memorandum as provided in Step 2.

#### STEP 4:

The use of the Bureau of Mediation Services for mediation is permissible by mutual consent of the parties. Use of a mediator freezes the timeline for filing for arbitration. If mutual consent is not given, the grievance may move to Step 5.

#### STEP 5:

The Employer and the employee representative shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the Employer and the employee representatives are unable to agree on an arbitrator, they may request from the Director of the Bureau of Mediation Services, State of Minnesota, a list of five (5) names. This list maintained by the Director of the Bureau of Mediation Services shall be made up of qualified arbitrators who have submitted an application to the Bureau. The parties shall alternately strike names from the list of five (5) arbitrations until only one (1) remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on whom shall strike the first name, the question shall be decided by the flip of the coin. Each party shall be responsible for equally compensating the arbitrator for the arbitrator's fee and necessary expenses. The arbitrator shall not have the power to add to, subtract from, or to modify in any way the terms of the existing contract.

The decision of the arbitrator shall be final and binding on all parties to the dispute unless the decision violates any provision of the laws of Minnesota or rules or regulations promulgated there under. The decision shall be issued to the parties by the arbitrator, and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

The grievance process involving the Employer and employees shall occur during the normal workday whenever possible and employees shall not lose wages because of their necessary participation, unless they were otherwise not scheduled to work.

The parties, by mutual written agreement, may waive any step and extend any time limit in a grievance procedure. However, failure to adhere to the time limits may result in a forfeit of the grievance, or, in the case of the Employer, shall constitute a denial of the grievance as outlined in the last statement by the exclusive representative or employee.

The provisions of this grievance procedure shall be severable, and if any provision or paragraph under any circumstance is held invalid, it shall not affect any other provision or paragraph of this grievance procedure or the application of any provision of paragraph thereof under different circumstance.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and Union, and shall have no authority to make a decision on any other issue not so submitted.

The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

#### ARTICLE 11. DISCIPLINE/DISCHARGE OF EMPLOYEES.

**Section 1.** Non-probationary employees shall be disciplined or discharged only for just cause. Discipline by the Employer will be in one or more of the following forms, to be determined solely at the discretion of the Employer:

- a. oral reprimand;
- b. written reprimand;
- c. suspension;
- d. demotion; and/or
- e. discharge.

This Employer believes in progressive discipline in order to coach and correct behavior. However, this does not constitute a progressive discipline policy.

The Union shall have the right to challenge the propriety of the discipline or discharge of any employee and a settlement of the matter shall be made in accordance with Article 10, Grievances.

<u>Section 2.</u> An Employee who is to be suspended, demoted or discharged shall receive a written statement of cause of the suspension, demotion or discharge within 72 hours after the action has been taken. Suspensions will set forth the time period for which the suspension shall be effective. Demotions will state the classification to which the employee is demoted. The Union shall be provided with a copy of each such notice.

<u>Section 3.</u> Written reprimands, notices of suspension, and notices of discharge which are to become part of an employee's personnel file shall be read and acknowledged by signature of the employee.

Such signature shall not be an admission of guilt, but only an acknowledgment of receipt, and the employee shall have the opportunity to attach a response to the reprimand or notice to the copy in the employee's personnel file within one week after receipt of the Employer's written statement of cause for the written reprimand, suspension, demotion or discharge.

The employee will receive a copy of such reprimands and/or notices. Upon written request of the employee, a written reprimand shall be removed from the employee's personnel record if no further disciplinary action has been taken against the employee within one (1) year following the date of the reprimand, or if no disciplinary action has been taken against the employee for the same or related offenses within three (3) years following the date of the reprimand.

<u>Section 4A.</u> Employees shall have the opportunity to request to have a representative present when being questioned regarding a possible disciplinary action.

<u>Section 4B.</u> If an investigation is not commenced during the shift when the complaint is received, the employee shall still have an opportunity to request a representative.

<u>Section 5.</u> Employees may not be suspended without pay for more than thirty (30) working days at a time. Suspended employees will not accrue sick leave, but shall accrue vacation while under suspension.

<u>Section 6.</u> Employees may examine their own individual personnel files as provided by Minnesota law, specifically, Minn: Stat. 181.960 and 181.961. Only one personnel file shall be kept on each employee.

<u>Section 7.</u> Grievances relating to this Article may be initiated by the Union in Step 2 of the grievance procedure.

#### ARTICLE 12. STRIKES AND LOCKOUTS.

The Union, its officers or agents, or any of the employees covered by this Agreement, shall not cause, instigate, encourage, condone, engage in or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the faithful and proper performance of the duties of employment, regardless of the reason for so doing; except as may be provided under M.S. 179A.18.

In the event the Employer notifies the Union that an employee may be violating this Article, the Union shall immediately notify such employee in writing of the Employer's assertion and the provision of this Article. Any employee who violates this Provision may be subject to disciplinary action up to and including discharge. The Employer will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Union.

**ARTICLE 13. SENIORITY.** 

#### Section 1. Definition.

Seniority shall mean an employee's continuous length of service with the Department since his/her last date of hire. Seniority shall be prorated based upon 2080 hours per year. Overtime will not result in added seniority.

An employee's continuous service record shall be broken only by separation from service by reason of resignation, discharge for cause, retirement, death, or leave of absence without pay.

The Employer and Union shall prepare a seniority list to be submitted to the Employer for approval and posting. Seniority shall be the basis for determining longevity for all purposes.

#### Section 2. Lay Offs.

Employees may be laid off by the Employer to meet the needs of the Employer. In the event a layoff is necessary the work force may be reduced based upon job classification. Job classifications for purposes of layoff are:

Maintenance Worker
Mechanic

If an employee being laid off has more seniority than another employee in a different classification, the more senior employee may bump the less senior person in the different classification provided they meet the Minimum Qualifications for the position as outlined in the job description for that position.

An employee on lay off shall have an opportunity to return to work within twelve (12) months of the time of the employee's lay off before any new employee who qualifies for recognition under Article 3 is hired. Recalled employees shall have fourteen (14) calendar days after notification of recall by registered mail at the employee's last known address to report to work or forfeit all recall rights.

#### Section 3. Probationary Employees.

During the probationary period, a newly hired employee may be disciplined, demoted or discharged at the sole discretion of the Employer. The probationary period shall be one (1) year for new employees and promoted employees. After six months of employment in a new position the employee shall receive a 6-month evaluation performed by the Employee's department head. If the department head is satisfied that the Employee is satisfactorily performing all job functions, the department head may recommend to the City Administrator that the employee's learning and evaluation period be ended. The decision of the City Administrator to end the learning and evaluation period or to require the full learning and evaluation period is final.

#### Section 4. Promotions.

A promoted employee will be returned to his/her previous position at the employee's request, or at the request of the Employer, during the first six months in the new position. An employee who has been promoted to a position outside the bargaining unit shall retain bargaining unit seniority for six

months following such promotion. No bargaining unit seniority shall accrue while a person is employed in a non-bargaining unit position.

Permanent job vacancies, or newly created positions within the bargaining unit, shall be filled based on the concept of promotion from within, with seniority being the determining factor, provided that applicants:

- Have the necessary job qualifications, including but not limited to, requisite degrees, certification, and licensing to meet the standards of the job vacancy; and
- Have the ability to perform duties and responsibilities of the job vacancy.

Vacancies for newly created positions shall be posted for fifteen (15) working days.

#### ARTICLE 14. MILITARY LEAVE.

The City shall comply with the minimum requirements imposed by the laws of the State of Minnesota, Section 192.261 and any future amendments thereto, and the laws of the United States. Military leaves shall not count against an employee's vacation time.

#### ARTICLE 15. WORKER'S COMPENSATION.

Any worker's compensation benefits will be paid pursuant to Minnesota law.

#### ARTICLE 16. LEAVES OF ABSENCE.

#### Section 1. Jury Duty.

If an employee is called for jury duty or subpoenaed to testify in court, that employee is expected to attend as a civic duty. The Employer will continue the employee's salary, less the amount of the jury/witness payment, during such service. The employee may retain any mileage allowance paid by the entity requiring jury duty or subpoena to testify in court. Employer will not pay for any such mileage incurred for jury or witness duty of the employee. Any employee called for jury or witness duty must notify the Public Works Director as far in advance as possible of any such notice of jury or witness duty.

#### Section 2. Leaves Without Pay.

Employees may request a leave of absence without pay to allow for time away from work if all vacation and sick leave has been exhausted. Leave without pay is discretionary leave and will either be approved or denied by management. Each leave without pay request will be considered independently of other requests because the circumstances for leave without pay requests will vary from employee to employee. The Public Works Director may authorize leave without pay, and it may not exceed a period of ninety (90) days, except in extraordinary circumstances. Vacation benefits, sick days, and seniority will not accrue during this time.

#### Section 3. Family Medical Leave.

The Employer will comply with applicable state and federal statutes. (For a summary see the City of

Cambridge Personnel Policy, Section 25) Extensions may be granted only by agreement with the City Administrator.

#### Section 4. Funeral Leave.

#### CENTRAL PENSION FUND

The (City of Cambridge *Maintenance/Mechanic*) agrees to participate in the Central Pension Fund ("CPF") of the International Union of Operating Engineers, Local #49 and Participating Employers.

- 1. The CPF is a supplemental Pension Fund authorized by Minnesota Statutes, §356.24, Subdivision 1(10).
- 2. The Parties agree that the agreed upon amount that would otherwise be paid in salary or wages will be contributed instead to the CPF as pre-tax Employer contributions. Contributions from the Employer will not be funded from any source other than this wage reduction.
- 3. The hourly contribution rate will be applied to every hour compensated (i.e. hours worked, vacation, holiday and sick time) except for overtime hours for a maximum of 2080 hours per employee. The Employer shall remit this contribution directly to the International Union of Operating Engineers Central Pension Fund at 4115 Chesapeake Street N.W., Washington D.C. 20016.
- 4. A contribution of (\$1.00 Employer contribution) and (\$1.00 Employee contribution) equaling \$2.00 per straight time hour worked prevents annual CPF contributions for individual Employees from exceeding \$5,000.00 in a year and therefore complies with the limitations set forth under Minnesota Statutes, §356.24, Subd. 1(10) as amended.
- 5. For purposes of determining future wage rates, the Employer shall first restore the amount of the wage reduction, which is currently the CPF contribution rate of \$1.00 per hour, then apply the applicable wage multiplier, then reduce the revised wage by the CPF contribution rate.
- 6. For purposes of calculating overtime compensation, the Employer shall first restore the amount of the wage reduction \$1.00 then apply the applicable 1.5 wage multiplier required under the Fair Labor Standards Act (FLSA) and the Collective Bargaining Agreement, then pay the resulting amount for overtime worked.
- 7. The Parties agree that the Public Employees Retirement Association (PERA) interprets Employer contributions to the CPF as being included in determining "salary" for the purposes of the public pension.
- 8. The CPF "Plan of Benefits" and the "Agreement and Declaration of Trust" shall serve as the governing documents.
- 9. Effective May 4, 2020, the contribution rate equals: (\$1.00 Employee and \$1.00 Employer contribution) equaling \$2.00 per straight time hour worked.

10. Members, by majority vote, may change the contribution rate at any time during the life of the Collective Bargaining Agreement. The Union and Employer will work together to implement member approved changes as soon as is practicable.

The Fund shall be administered by eight (8) Trustees, four (4) of whom shall be appointed by the Union and shall act as Employee Trustees, and four (4) of whom shall be appointed by the A.G.C. and shall act as Employer Trustees. The A.G.Cand Union may each appoint up to two (2) alternate Trustees and shall designate the priority of those alternate Trustees to act (*i.e.*, 1<sup>st</sup> alternate, 2<sup>nd</sup> alternate). Alternate Trustees shall be qualified to act in the absence of a regular Trustee in the order in which they are designated as alternates. Trustees shall serve without compensation but they shall be reimbursed for all reasonable and necessary expenses properly and actually incurred by them in connection with the performance of their official duties as such. Trustees shall serve at the will of the party which appointed them. The Union or the A.G.C. shall select successor Trustees whenever vacancies occur among their respective appointees. A vacancy shall occur whenever a Trustee resigns, dies, or becomes incapacitated, or when a Trustee is removed by the party which appointed him.

Section 3.2. Resignation and Removal. A Trustee may resign and become and remain fully discharged from all further duty or responsibility hereunder upon giving thirty (30) days' notice in writing to the remaining Trustees and to the party by whom he was appointed, or such shorter notice as the remaining Trustees may accept as sufficient, in which notice there shall be stated a date on which such resignation shall take effect: and such resignation shall take effect on the date specified in the notice unless a successor Trustee shall have been appointed at an earlier date, in which event such resignation shall take effect immediately upon the appointment of such successor Trustee. Section 3.4. <u>Successor Trustee</u>, <u>Assumption of Office</u>. Any Successor Trustee shall immediately upon his appointment as a Successor Trustee and his acceptance of the Trusteeship in writing, as provided in Section 3.5, become vested with all the property rights, powers and duties of a Trustee hereunder with like effect as if originally named a Trustee, without the necessity of any formal conveyance or other instrument of title.

Section 3.5. Acceptance of the Trust by Trustees. A Trustee shall execute a written acceptance in a form satisfactory to the Trustees and consistent with the Act and thereby shall be deemed to have accepted the Trust created and established by this Trust Agreement and to have consented to act as Trustee and to have agreed to administer the Trust Fund as provided herein. Section 3.8. Officers. During the first month of each fiscal year, the Trustees shall elect from among themselves a Chairman, and a Secretary to serve for a term of one (1) year commencing during the first month of such fiscal year, or until his or their successors have been elected. When the Chairman is elected from the Employer-Trustees, then the Secretary-Treasurer shall be elected from the Employee Trustees; and when the Chairman shall be elected from the Employer Trustees. There shall be no limit on the number of consecutive terms or the total number of terms for which a Trustee may serve as an officer of the Trust Fund. The Secretary-Treasurer, or such other person as the Trustees may designate, shall keep minutes and records of all meetings, proceedings and acts of the Trustees and shall, with reasonable promptness, distribute copies of such minutes and records to all Trustees. In the absence of the Chairman, the Secretary shall preside at such meetings of the Trustees.

Section 3.9. <u>Power to Act in Case of Vacancy</u>. Section 3.11. <u>Attendance at Meetings; Minutes</u>. All official meetings of the Trustees shall be attended only by the Trustees and shall not be open to the public, except that there may attend

such other persons as may be designated by the Trustees or when invited so to do, and as may be otherwise required by law. Such minutes shall be approved by motion approved by a majority of Trustees considering that question.

#### Section 3.12. Quorum; Voting; Action without Meeting.

- (a) A majority of the total number of Trustees present in person at any meeting of the Board of Trustees shall constitute a quorum for the transaction of business. If at any meeting the number of Employer and Employee Trustees present shall be unequal, then the group of Trustees lesser in number shall be entitled to cast the same number of votes as the other group of Trustees. In the event there shall be present at any meeting less than all of the Trustees of a group and such Trustees shall be unable to agree as to the manner in which the vote of the absent Trustee(s) shall be cast then action on the matter under consideration shall be postponed until all Trustees of the group shall be present.
- (b) A quorum of a committee of the Board of Trustees, established in accordance with Section 5.7 of this Trust Agreement or otherwise, shall be a majority of the members of the committee, except as may be provided otherwise in the by-laws or by law.
- (c) Any action taken by the Trustees, except as herein otherwise provided, shall be by affirmative vote of a majority of the votes cast at a meeting. The Trustees must cast their votes in person, except as provided in subsection (a) of Section 3.12.
- (d) Action by the Trustees on any proposition may also be taken without a meeting such via an fax or email poll so long as no Trustee objects to proceeding in that fashion.

#### Section 3.13. Manner of Acting in the Event of Deadlock.

(a) A deadlock shall be deemed to exist whenever a proposal, nomination, motion or resolution made or proposed by any one of the Trustees is not adopted or rejected by a majority

vote and the maker of the proposal, nomination, motion or resolution notifies the remaining Trustees in writing that a deadlock exists.

- (b) In the event of such deadlock arising, the Trustees shall meet for the purpose of agreeing upon an impartial umpire to break such deadlock by deciding the dispute in question. In the event of the inability of the Trustees to agree upon the selection of such impartial umpire within a reasonable time, then either group of Trustees may petition the judge on duty of the District Court of the United States for the District of Minnesota at Minneapolis, Minnesota, who shall appoint such impartial umpire. Such impartial umpire shall immediately proceed to hear the dispute between the Trustees and decide such dispute, and the decision and award of such umpire shall be final and binding upon the parties. The reasonable compensation of such umpire and the costs and expenses (including, without limitation, attorneys' and reporter fees, filing fees and other court costs) incidental to any proceedings instituted to break a deadlock shall be paid by the Trust Fund.
- (c) Any impartial umpire selected or designated to break a deadlock shall be required to enter his decision within a reasonable time fixed by the Trustees. The scope of any such proceeding before such impartial umpire shall be limited to the provisions of this Trust Agreement and to the provisions of the rules, regulations and by-laws adopted by the Trustees and to the plan of benefits established by them. The impartial umpire shall have no jurisdiction or authority to change or modify the provisions of this Trust Agreement or to decide any issue arising under or involving the interpretation of any collective bargaining agreements between the Union, the Employers, and such impartial umpire shall have no power or authority to change or modify any provisions of any such collective bargaining agreements.

Section 3.14. Removal of Trustee (Violation of Acts). The Board of Trustees shall initiate action to cause the removal of any fellow member Trustee who may be serving as a Trustee in violation of the Act. The vacancy or vacancies caused by such a removal shall be filled in accordance with Section 3.3 of this Article.

# ARTICLE IV. CONTRIBUTIONS AND COLLECTIONS

#### Section 4.1. <u>Employer Contributions</u>.

- (a) Each Employer shall make prompt contributions or payments to the Trust Fund in such amount and under the terms as are provided for in the applicable collective bargaining agreement in effect from time to time between the Employer or his bargaining representative and the Union. An Employer may also be required to make contributions in such amount and under such terms as such Employer may be obligated, in writing, to make provided that such contributions shall be subject to acceptance by the Trustees. The Employer agrees that such contributions shall constitute an absolute obligation to the Trust Fund, and such obligation shall not be subject to set-off or counterclaim which the Employer may have for any liability of the Union or of an Employee.
- (b) Contributions to the Fund shall be paid to the Trustees or to such depository as the Trustees shall designate, only by check, bank draft, money order or other recognized written method of transmitting money or its equivalent, made payable to the order of the Operating Engineers Local #49 Health and Welfare Fund. The payment of contributions shall be made periodically at such times as the Trustees shall specify by rules and regulations or as may be provided in the applicable collective bargaining agreement.
- (c) Each Employer shall be responsible only for the contributions payable by him on account of Employees covered by him, except as may be otherwise provided by law.
- Section 4.2. <u>Employee Contributions</u>. Participants (i) who cease to perform work for an Employer for which work Employer contributions were required to be paid to this Fund as provided in Section 4.1 of this Article and (ii) who, at the time they last performed such work, had been eligible and qualified to receive benefits under the plan of benefits established by the Trustees under this Fund and (iii) who are members of such a class of such Participants as to whom the

Trustees, consistent with applicable law, have in their sole discretion determined to provide continued eligibility for benefits of such type and amount and for such period of time and on such terms as the Trustees in their discretion may wish to make available to such class, shall make periodic contributions or payments to the Trust Fund in such amounts and at such times and subject to such conditions, requirements, limitations and rules as the Trustees in their sole discretion may establish and impose with respect to such class of such Participants.

Section 4.3. Receipt of Payment and Other Property of Trust. The Trustees or such other person or entity designated or appointed by the Trustees are hereby designated as the persons to receive the payments heretofore or hereafter made to the Trust Fund by the Employers and Employees. The Trustees are hereby vested with all right, title and interest in and to such moneys and all interest which may be accrued thereon, and are authorized to receive and be paid the same.

Section 4.4. <u>Collection and Enforcement of Payments</u>. The Trustees, or such committee of the Trustees as the Board of Trustees shall appoint, or the Administrative Manager if one has been appointed and when directed by such committee or by the Board of Trustees, shall have the power to demand, collect and receive Employer payments and all other money and property to which the Trustees may be entitled, and shall hold the same until applied to the purposes provided in this Trust Agreement. They shall take such steps, including the institution and prosecution of, or the intervention in, such legal or administrative proceedings as the Trustees in their sole discretion determine to be in the best interest of the Trust Fund for the purpose of collecting such payments, money and property, without prejudice, however, to the rights of the Union to take whatever steps it deems necessary and wishes to undertake for such purposes.

Section 4.5. <u>Production of Records</u>. Each Employer shall promptly furnish to the Trustees, or their authorized representatives, upon written demand, any and all employment and business records deemed reasonably necessary by the Trustees to ensure that all required contributions have been made. Each Employer shall also render to the Trustees with the payment

of such contribution, or at such other regular intervals as the Trustees may request, written reports as to the wages paid to and hours worked by the bargaining unit Employees, other payroll data such as social security number, and the contributions due or payable to the Fund, as the Trustees may require. The Trustees or their agent, when so authorized by the Trustees, may, by their respective representatives, examine the pertinent employment and payroll records of each Employer whenever such examination is deemed necessary or advisable by the Trustees in connection with the proper administration of the Trust Fund and of the contracts or policies of insurance. The Union shall, upon the request of the Trustees, promptly furnish information in respect to an Employee's employment status.

Section 4.6. The parties hereto recognize that the prompt payment of Participating Employer and Employee Contributions hereunder is essential to the operation of the Trust and to the provision of benefits under the Health and Welfare Plan, and they agree to cooperate for purposes of securing prompt payment. They further recognize that it will be extremely difficult, if not impossible, to fix the actual damage to the Trust which will result from the failure of a Participating Employer or Employee to make his monthly contribution on or before the delinquent date.

Accordingly, the amount of damage to the Trust resulting from any such failure to make contributions hereunder before the 15th day of the month in which they are due (or such other day as provided in the applicable collective bargaining agreement) shall be fifteen percent (15%) of the delinquent contribution (or such other amount as provided for in the applicable collective bargaining agreement), which amount shall become due and payable to the Trust at its principal office as liquidated damages and not as a penalty, upon the day following the 15th day of the month (or such other day as provided for in the applicable collective bargaining agreement) in which such delinquency occurred. Payments and liquidated damages unpaid by the first day of the month following the month in which they are due shall bear interest from such date at the rate of eight percent (8%) per annum. If any individual Participating Employer or Employee is

delinquent in the making of contributions hereunder, the Board may take such action as it may deem appropriate to enforce collection. In such event, said Participating Employer or Employee shall be liable for all reasonable attorneys' fees, costs and other expenses incurred by the Board in taking such action.

Section 4.7. Non-payment, by any Employer, of any contribution or other moneys owed to the Fund shall not relieve any other Employer from his or its obligation to make required payments to the Trust Fund.

Such additional employers, Additional Associations and Additional Unions shall have no right to participate in the appointment, removal or replacement of Trustees.

#### (b) Termination of Coverage.

(1) The Trustees may, by resolution, terminate coverage by and under this Trust Agreement of any such additional collective bargaining unit, effective as of the last day of any calendar month not earlier than four (4) months after the adoption of such resolution, (i) if the Trustees in their sole discretion determine that continued coverage would be a detriment to the Employees, Participants and their Beneficiaries represented by the Union for whose benefit this Trust was originally created, or (ii) if the Trustees determine that contributions are not being made

by such additional collective bargaining unit employers timely and in accordance with the requirements of this Trust Agreement.

- (2) An Additional Union may, on behalf of the employees, Participants and their Beneficiaries, in an additional collective bargaining unit represented by it, terminate coverage by and under this Trust Agreement of any such additional collective bargaining unit, effective as of the last day of any calendar month not earlier than four (4) months after the Additional Union serves written notice of such termination on the Trustees, the Employer and the Union.
- Any such termination of coverage shall terminate the eligibility for benefits of all Participants and their Beneficiaries in such additional collective bargaining unit as of the effective date of such termination. Notwithstanding such termination of coverage, no payments whatsoever shall be made from or out of the Trust Fund to or for the benefit of the employees, Participants and their Beneficiaries of such additional collective bargaining unit or to any other trust fund or other entity created for the purpose of providing health and welfare benefits to the employees of such additional collective bargaining unit and, upon such termination of coverage, the Additional Union representing the employees, Participants and their Beneficiaries of such additional collective bargaining unit, and such employees, Participants and their Beneficiaries themselves, or any person claiming by or through or under any of them, shall have no further right, title or interest in or to the Trust Fund, or any part thereof, excepting, only, that any authorized regular benefits, or the balance thereof, payable to individual Participants and their Beneficiaries under bona fide claims accruing either prior to the effective date of such termination of coverage attributable to eligibility credits or bank of hours accumulated or earned by such Participants and their Beneficiaries prior to such date may continue to be paid after such termination.

Section 9.4. <u>Reciprocity Agreements</u>. The Trustees may, in their sole discretion, enter into such reciprocity agreement or agreements with other welfare funds as they determine to be in the best interests of the Trust Fund, provided that any such reciprocity agreement or agreement

shall not be inconsistent with the terms of this Trust Agreement or the collective bargaining agreements under which this Trust Agreement is maintained.

Section 9.5. Merger. The Trustees shall have the power to merge with any other fund established for similar purposes as this Trust Fund under terms and conditions mutually agreeable to the respective Board of Trustees, subject to the approval of the Union and the Employer.

Section 9.6. Refund of Contributions. In no event shall any Employer, directly or indirectly, receive any refund on contributions made by them to the Trust (except in case of a bona fide erroneous payment or overpayment of contributions, to the extent permitted by law) nor shall an Employer directly or indirectly participate in the disposition of the Trust Fund or receive any benefits from the Trust Fund. Upon payment of contributions to the Trustees, all responsibilities of the Employer for each contribution shall cease, and the Employer shall have no responsibilities for the acts of the Trustees, nor shall an Employer be obliged to see to the application of any funds or property of the Trust or to see that the terms of the Trust have been complied with.

#### Section 9.7. <u>Accounting and Judicial Settlements.</u>

- (a) Accounting. The Union or the Employer may, at any time demand of the Trustees an accounting with respect to any and all accounts, provided that the party demanding such accounting agrees to pay the necessary expenses thereof.
- (b) <u>Judicial Settlements and Action by Trustees</u>. The Trustees shall be entitled, at any time, to have a judicial settlement of their accounts and to seek judicial protection by any action or proceeding they determine necessary and, further, to obtain a judicial determination or declaratory judgment as to any question of construction of this Trust Agreement or for instructions as to any action thereunder and, further, as to any question relating to the discharge of their duties and obligations under, or in connection with the administration of, this Trust and as to the distribution of assets belonging to the Trust. Any such determination, decision or judgment shall be binding upon all parties to, or claiming under, this Trust Agreement.

Section 9.8. Withholding Payment. In the event any question or dispute shall arise as to the proper person or persons to whom any payments shall be made hereunder, the Trustees may withhold such payment until there shall have been an adjudication of such question or dispute which, in the Trustees' sole judgment, is satisfactory to them, or until the Trustees shall have been fully protected against loss by means of such indemnification agreement or bond as they, in their sole judgment, determine to be adequate.

Section 9.9. Gender. Whenever any words are used in this Trust Agreement in the masculine gender, they shall also be construed to include the feminine or neuter gender in all situations where they would so apply and whenever any words are used in the singular, they shall also be construed to include the plural in all situations where they would so apply and wherever any words are used in the plural, they shall also be construed to include the singular.

Section 9.10. Amendment of Trust Agreement. The provisions of this Trust Agreement may be amended at any time by unanimous agreement of the Trustees and shall be made into an instrument in writing executed by the Trustees, provided that no amendment shall (1) divert or provide for the use of the Trust Fund then in the hands of the Trustees from the purposes of this Trust Fund to provide group insurance in the event of death, illness or accident to the Employees, Participants or to their Beneficiaries as hereinabove set forth, or for the payment of such benefits as may be authorized under Sections 5.2 or 5.3 of Article V hereof. It is further provided that no amendment shall provide for the use or application of the Trust Fund for any purpose other than those set forth in Sections 2.1 and 5.2 hereof; or permit the return to, or payment of the Trust Fund, or any part thereof, to any Employer, except a contribution or other payment made by mistake of fact to the extent permitted by law; or so amend this Trust Agreement that there shall not be an equal number of Employer Trustees and of Employee Trustees to administer the Trust; or, be in conflict with collective bargaining agreement with the Union.

#### **AGREEMENT**

#### **ARTICLE 1. PURPOSE**

It is the purpose and intent of this Agreement to achieve and maintain sound, harmonious and mutually beneficial working and economic relations between the parties hereto; to establish an equitable and peaceful procedure for the resolution of differences and to establish rates of employment; and to set forth herein the complete rates of pay, hours of work and other terms and conditions of employment.

This Agreement constitutes the entire Agreement between the parties and no verbal statements shall supersede any of its provisions. Any amendment or agreement supplemental hereto shall not be binding unless executed in writing by the parties hereto.

#### **ARTICLE 2. AGREEMENT**

This Agreement is made and entered into by the parties as provided herein below for January 1, 2020 to December 31, 2022 between the City of Cambridge (hereinafter referred to as the "Employer"), and the International Union of Operating Engineers Local 49 (hereinafter referred to as the "Union").

#### **ARTICLE 3. RECOGNITION**

The Employer recognizes the Union as the certified exclusive bargaining representative for the employees as shown by Exhibit "A" pursuant to Minnesota Statutes §179A.03, subdivision 8 as certified by the Bureau of Mediation Services on April 3, 2020 (BMS Case Number 20PTR2355). This does not include supervisors, office staff, professional staff, administrative staff, temporary employees, seasonal employees, or any other City employees.

#### **ARTICLE 4. DURATION AND EFFECTIVE DATES**

This Agreement shall be effective as of the 1<sup>st</sup> day of January 2020 and shall remain in full force and effect to and including the 31<sup>st</sup> day of December 2022, subject to the right on the part of the Employer or the Union to open this Agreement by written notice to the other party not later than ninety (90) days prior to the expiration of this Agreement. Failure to give such notice shall cause this Agreement to be renewed automatically for a period of twelve (12) months from year to year.

Unless mutually agreed by the parties to the contrary, a first meeting shall be held no later than sixty (60) days after such notification. It is mutually agreed that both parties shall be in receipt of those sections to be revised, and the proposed revisions and/or any additions to the Agreement, no later than ten (10) calendar days before such first meetings. Further, it is agreed by both parties that in the event of such notice, each Article of this Agreement not referred to in such notice shall remain in full force and effect throughout the subsequent Agreement year(s).

#### **ARTICLE 5. TERMS AND CONDITIONS**

This Agreement defines the terms and conditions of employment for the parties as provided in Article 2 above. The right to employ, promote, discipline, or discharge employees shall be vested in the Employer, subject only to such limitations as are contained in this Agreement.

#### **ARTICLE 6. SUCCESSOR CLAUSE**

#### **ARTICLE 7. SAVINGS CLAUSE**

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provision shall immediately become null and void, leaving the remainder of the Agreement in full force and effect, and the parties shall thereupon seek to negotiate substitute provisions which are in conformity with the applicable law.

#### **ARTICLE 8. PAYROLL DEDUCTION FOR DUES**

The Employer shall, upon written authorization from the individual employee, after the date of this Agreement, deduct from the pay of such employee the regular monthly Union membership dues and remit the same to the duly authorized representative of the Union. The Union will indemnify, defend and hold the Employer harmless against any claim(s) made and against any lawsuit(s) instituted regarding payroll deductions for dues.

Effective May 5, 2020 the Employer will, upon written notification of the individual employee, deduct from the pay of such employee the working dues assessment. These dues will be deducted at ten cents (\$.10) per hour, not to exceed 40 hours per week. All money collected by the Employer, as provided

here, shall be remitted, along with the reporting form which states the employee's name, last four digits only of social security number, hours worked, and amount of working dues owed, to Local 49's office located at 2829 Anthony Lane South, Minneapolis, Minnesota 55418, not later than the 15<sup>th</sup> day of the month following the month in which deductions were made.

#### **ARTICLE 9. MANAGEMENT RIGHTS**

The Employer retains the full and unrestricted right to operate and manage all personnel, facilities and equipment; to establish functions and programs and levels of service to be provided; to set and amend budgets; to determine the utilization of technology; to establish and modify the organizational structure; to select, direct, and determine the number of personnel, including the right to employ and fire any number of employees, full-time or part-time, who do not qualify for recognition under Article 3; to determine whether services should be provided or purchased; to establish work schedules; and to perform any inherent managerial function not specifically limited by this Agreement.

Any term and condition of employment not specifically established or modified by this Agreement shall remain solely within the discretion of the Employer to modify, establish or eliminate.

#### **ARTICLE 10. GRIEVANCES**

A grievance is defined as a dispute or disagreement as to interpretation or application of the specific terms and conditions of this Agreement.

#### STEP 1:

Whenever any employee or group of employees have a grievance, the employee(s) shall meet on an informal basis with the employee's immediate supervisor in an attempt to resolve the grievance within ten (10) days after the grievance occurred, or ten (10) days after the employee(s), through the use of a reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. If the grievance is not resolved within ten (10) days of the first informal meeting, the grievance may be reduced to writing by the exclusive representative and served upon the immediate supervisor. Service must be made within ten (10) days of the last informal meeting. This Employer shall, within ten (10) days of receipt of the written grievance, serve his answer upon the exclusive representative.

If the grievance involves and affects more than five (5) employees, the grievance must be reduced to writing by the exclusive representative and served upon the Public Works Director within ten (10) days after the grievance, through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. The Employer shall within ten (10) days serve the Employer's answer upon the exclusive representative.

#### STEP 2:

The Public Works Director shall meet with the exclusive representative within ten (10) days after receipt of the written grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties. If no agreement is reached within ten (10) days of the first Step 2 meeting, the exclusive representative, if he/she elects to proceed with the grievance, must proceed with Step 3 by serving a proper notification on the Employer. The notification shall contain a concise statement indicating the intention of the party to proceed with the

grievance, and outline of the grievance, the provision(s) of the contract in dispute, and the relief requested.

#### **STEP 3:**

The City Administrator shall meet with the designated official or the exclusive representative within ten (10) days after receiving notice of intention to proceed with the grievance pursuant to Step 2. If resolution of the grievance results, the parties shall reduce the resolution to writing and sign the memorandum as provided in Step 2.

If the parties are unable to reach agreement within ten (10) days after the first Step 3 meeting, either party may request arbitration by serving a written notice on the other party of their intention to proceed with arbitration.

#### STEP 4:

The use of the Bureau of Mediation Services for mediation is permissible by mutual consent of the parties. Use of a mediator freezes the timeline for filing for arbitration. If mutual consent is not given, the grievance may move to Step 5.

#### STEP 5:

The Employer and the employee representative shall endeavor to select mutually acceptable arbitrator to hear and decide the grievance. If the Employer and the employee representatives are unable to agree on an arbitrator, they may request from the Director of the Bureau of Mediation Services, State of Minnesota, a list of five (5) names. This list maintained by the Director of the Bureau of Mediation Services shall be made up of qualified arbitrators who have submitted an application to the Bureau.

The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on whom shall strike the first name, the question shall be decided by the flip of a coin. Each party shall be responsible for equally compensating the arbitrator for the arbitrator's fee and necessary expenses. The arbitrator shall not have the power to add to, subtract from, or to modify in any way the terms of the existing contract.

The decision of the arbitrator shall be final and binding on all parties to the dispute unless the decision violates any provision of the laws of Minnesota or rules or regulations promulgated thereunder. The decision shall be issued to the parties by the arbitrator, and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

The grievance process involving the Employer and employees shall occur during the normal workday whenever possible and employees shall not lose wages because of their necessary participation, unless they were otherwise not scheduled to work.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and Union, and shall have no authority to make a decision on any other issue not so submitted.

The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

#### ARTICLE 11. DISCIPLINE/DISCHARGE OF EMPLOYEES

<u>Section 1.</u> Non-probationary employees shall be disciplined or discharged only for just cause. Discipline by the Employer will be in one or more of the following forms, to be determined solely at the discretion of the Employer:

- a. oral reprimand;
- b. written reprimand;
- c. suspension;
- d. demotion; and/or
- e. discharge.

This Employer believes in progressive discipline in order to coach and correct behavior. However, this does not constitute a progressive discipline policy.

The Union shall have the right to challenge the propriety of the discipline or discharge of any employee and a settlement of the matter shall be made in accordance with Article 10, Grievances.

<u>Section 2.</u> An Employee who is to be suspended, demoted or discharged shall receive a written statement of cause of the suspension, demotion or discharge within 72 hours after the action has been taken. Suspensions will set forth the time period for which the suspension shall be effective. Demotions will state the classification to which the employee is demoted. The Union shall be provided with a copy of each such notice.

<u>Section 3.</u> Written reprimands, notices of suspension, and notice of discharge which are to become part of an employee's personnel file shall be read and acknowledged by signature of the employee. Such signature shall not be an admission of guilt, but only an acknowledgment of receipt, and the Employee shall have the opportunity to attach a response to the reprimand or notice to the copy in the Employee's personnel file within one week after receipt of the Employer's written statement of cause for the written

reprimand, suspension, demotion or discharge. The employee will receive a copy of such reprimands and/or notices.

Upon written request of the employee, a written reprimand shall be removed from the employee's personnel record if no further disciplinary action has been taken against the employee within one (1) year following the date of the reprimand, or if no disciplinary action has been taken against the employee for the same or related offenses within three (3) years following the date of the reprimand.

<u>Section 4.</u> a. Employees shall have the opportunity to request to have a representative present when being questioned regarding a possible disciplinary action.

b. If an investigation is not commenced during the shift when the complaint is received, the Employee shall still have an opportunity to request a representative.

<u>Section 5.</u> Employees may not be suspended without pay for more than thirty (30) working days at a time. Suspended employees will not accrue sick leave, but shall accrue vacation while under suspension.

<u>Section 6.</u> Employees may examine their own individual personnel files as provided by Minnesota law, specifically, Minn. Stat. 181.960 and 181.961. Only one personnel file shall be kept on each employee.

<u>Section 7.</u> Grievances relating to this Article may be initiated by the Union in Step 2 of the grievance procedure.

#### **ARTICLE 12. STRIKES AND LOCKOUTS**

The Union, its officers or agents, or any of the employees covered by this Agreement, shall not cause, instigate, encourage, condone, engage in, or cooperate in any strike, work slowdown, mass resignation, mass absenteeism, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part of the faithful and proper performance of the duties of employment, regardless of the reason for so doing; except as may be provided under Minn. Stat. 179A.18.

In the event the Employer notifies the Union that an employee may be violating this Article, the Union shall immediately notify such employee in writing of the Employer's assertion and the provision of this Article. Any employee who violates this provision may be subject to disciplinary action up to and including discharge. The Employer will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Union.

#### **ARTICLE 13. SENIORITY**

#### Section 1. Definition

Seniority shall mean an employee's continuous length of service with the Department since his/her last date of hire. Seniority shall be prorated based upon 2080 hours per year. Overtime will not result in added seniority.

An employee's continuous service record shall be broken only by separation from service by reason of resignation, discharge for cause, retirement, death, or leave of absence without pay. The Employer and

Union shall prepare a seniority list to be submitted to the Employer for approval and posting. Seniority shall be the basis for determining longevity for all purposes.

#### Section 2. Lay Offs.

Employees may be laid off by the Employer to meet the needs of the Employer. In the event a layoff is necessary the work force may be reduced based upon job classification. Job classifications for purposes of layoff are:

Lead Operator
Water-Wastewater Operator
Lab Technician

If an employee being laid off has more seniority than another employee in a different classification, the more senior employee may bump the less senior person in the different classification provided they meet the Minimum Qualifications for the position as outlined in the job description for that position.

An employee on lay off shall have an opportunity to return to work within twelve (12) months of the time of the employee's lay off before any new employee who qualifies for recognition under Article 3 is hired. Recalled employees shall have fourteen (14) calendar days after notification of recall by registered mail at the employee's last known address to report to work or forfeit all recall rights.

#### Section 3. Probationary Employees.

During the probationary period, a newly-hired or rehired employee may be discharged at the sole discretion of the Employer. The probationary period shall be one (1) year for new employees, and promoted employees. After six months of employment in a new position the employee shall receive a 6-month evaluation performed by the Employee's department head. If the department head is satisfied that the Employee is satisfactorily performing all job functions, the department head may recommend to the City Administrator that the employee's learning and evaluation period be ended. The decision of the City Administrator to end the learning and evaluation period or to require the full learning and evaluation period is final.

#### Section 4. Promotions.

A promoted employee will be returned to his/her previous position at the employee's request, or at the request of the Employer, during the first six months in the new position. An employee who has been promoted to a position outside the bargaining unit shall retain bargaining unit seniority for six months following such promotion. No bargaining unit seniority shall accrue while a person is employed in a non-bargaining unit position.

Permanent job vacancies, or newly created positions within the bargaining unit, shall be filled based on the concept of promotion from within, with seniority being the determining factor, provided that applicants:

- have the necessary job qualifications, including, but not limited to, requisite degrees, certification, and licensing to meet the standards of the job vacancy; and
- have the ability to perform duties and responsibilities of the job vacancy.

Vacancies for newly created positions shall be posted for fifteen (15) working days.

#### **ARTICLE 14. MILITARY LEAVE**

The City shall comply with the minimum requirements imposed by the laws of the State of Minnesota, Section 192.261 and any future amendments thereto, and the laws of the United States. Military leaves shall not count against an employee's vacation time.

#### **ARTICLE 15. WORKER'S COMPENSATION**

Any worker's compensation benefits will be paid pursuant to Minnesota law.

#### **ARTICLE 16. LEAVES OF ABSENCE**

#### Section 1. Jury Duty

If an employee is called for jury duty or subpoenaed to testify in court, that employee is expected to attend as a civic duty. The Employer will continue the employee's salary, less the amount of the jury/witness payment, during such service. The employee may retain any mileage allowance paid by the entity requiring jury duty or subpoena to testify in court. Employer will not pay for any such mileage incurred for jury or witness duty of the employee. Any employee called for jury or witness duty must notify the Public Works Director as far in advance as possible of any such notice of jury or witness duty.

Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The City agrees to pay the reasonable and customary charges of the Registrar for the services performed. The City reserves the right to remove the Registrar upon thirty days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the Bond Register to the successor Registrar.

#### 2.06. Registration

The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

- (a) <u>Register</u>. The Registrar shall keep at its principal corporate trust office a Bond Register (the "Bond Register") in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.
- (b) <u>Transfer of Bonds</u>. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each Interest Payment Date and until such Interest Payment Date.
- (c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.
- (d) <u>Cancellation</u>. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.
- (e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.
- (f) <u>Persons Deemed Owners</u>. The City and the Registrar may treat the person in whose name any Bond is at any time registered in the Bond Register as the absolute owner of the Bond, whether the Bond shall be overdue or not, for the purpose of receiving payment of or on account of, the principal of and interest on the Bond and for all other purposes; and all payments made to any registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon Bond to the extent of the sum or sums so paid.
- (g) <u>Taxes</u>, <u>Fees and Charges</u>. For every transfer or exchange of Bonds (except for an exchange upon a partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.
- (h) <u>Mutilated, Lost, Stolen or Destroyed Bonds</u>. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any Bond

destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that the Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

- (i) <u>Authenticating Agent</u>. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, subd. 1, as amended.
- (j) <u>Valid Obligations</u>. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Resolution as the Bonds surrendered upon such transfer or exchange.

#### 2.07. Execution, Authentication and Delivery

The Bonds shall be prepared under the direction of the City Administrator and shall be executed on behalf of the City by the signatures of the Mayor and City Administrator, provided that the signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been prepared, executed and authenticated, the City Administrator shall deliver them to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

#### 2.08. Securities Depository

For purposes of this section the following terms shall have the following meanings:

"Beneficial Owner" shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person's subrogee.

"Cede & Co." shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

"DTC" shall mean The Depository Trust Company of New York, New York.

"Participant" shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

"Representation Letter" shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC's Operational Arrangements.

- (a) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC. The Registrar and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this Resolution, registering the transfer of Bonds, and for all other purposes whatsoever, and neither the Registrar nor the City shall be affected by any notice to the contrary. Neither the Registrar nor the City shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the Bond Register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this Resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC's Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.
- (b) In the event the City determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the City may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (d) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (d) hereof.

- (c) The execution and delivery of the Representation Letter to DTC by the Mayor or City Administrator, if not previously filed, is hereby authorized and directed.
- (d) In the event that any transfer or exchange of Bonds is permitted under paragraph (a) or (b) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this Resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this Resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

There are hereby established two accounts in the Bond Fund, designated as the "Debt Service Account" and the "Surplus Account." There shall initially be deposited into the Debt Service Account upon the issuance of the Bonds the amount set forth in clause (a) above. Thereafter, during each bond year (each twelve month period commencing on February 2 and ending on the following February 1, a "Bond Year"), as monies are received into the Bond Fund, the Finance Director shall first deposit such monies into the Debt Service Account until an amount has been appropriated thereto sufficient to pay all principal and interest due on the Bonds through the end of the Bond Year. All subsequent monies received in the Bond Fund during the Bond Year shall be appropriated to the Surplus Account. If at any time the amount on hand in the Debt Service Account is insufficient for the payment of principal and interest then due, the Finance Director shall transfer to the Debt Service Account amounts on hand in the Surplus Account to the extent necessary to cure such deficiency. The City hereby covenants and agrees that, for the payment of the costs of the Improvement Projects, the City has done or will do and perform all acts and things necessary for the final and valid levy of special assessments in an amount not less than 20% of the cost of the Improvements

Project financed by the Bonds. The City estimates it will levy special assessments in the aggregate principal of \$[402,872.00]. It is estimated that the principal and interest on such special assessments will be levied beginning in 2021 and collected in the years 2021-2030 in the amounts shown on Exhibit B attached hereto. The principal of the assessments shall be made payable in annual installments, with interest as established by the Council in accordance with law on unpaid installments thereof from time to time remaining unpaid. In the event any special assessment shall at any time be held invalid with respect to any lot or tract of land, due to any error, defect or irregularity in any action or proceeding taken or to be taken by the City or by this Council or by any of the officers or employees of the City, either in the making of such special assessment or in the performance of any condition precedent thereto, the City hereby covenants and agrees that it will forthwith do all such further things and take all such further proceedings as shall be required by law to make such special assessment a valid and binding lien upon said property.

#### SECTION 6. PLEDGE OF NET REVENUES

It is hereby found, determined and declared that the City owns and operates the System as a revenue-producing utility and convenience and that the net operating revenues of the System, after deducting from the gross receipts derived from charges for the service, use, and availability of the System, the normal, current and reasonable expenses of operation and maintenance thereof, will be sufficient, together with any other funds actually appropriated by the City, for the payment when due of the principal of and interest on the Utility Bonds herein authorized, and on any other bonds to which such revenues are pledged.

Pursuant to Minnesota Statutes, Section 444.075, the City hereby covenants and agrees with the registered owners from time to time of the Bonds, that until the Utility Bonds and the interest thereon are discharged as provided in Section 8 or paid in full, the City will impose and collect reasonable charges in accordance with said Section 444.075 for the service, use and availability of the System according to schedules sufficient to produce net revenues sufficient to pay the Utility Bonds and any other bonds to which said net revenues have been pledged, and the net revenues, to the extent necessary, are hereby irrevocably pledged and appropriated to the payment of the Utility Bonds herein authorized and interest thereon when due. Nothing herein shall preclude the City from hereafter making further pledges and appropriations of the net revenues of the System for payment of additional obligations of the City hereafter authorized if the Council determines before the authorization of such additional obligations that the estimated net revenues of the System will be sufficient, together with any other sources pledged to the payment of the outstanding and additional obligations, for payment of the outstanding Utility Bonds and such additional obligations. Such further pledges and appropriations of net revenues may be made superior or subordinate to or on a parity with, the pledge and appropriation herein made.

#### SECTION 7. PLEDGE OF SALES TAX REVENUES

The City hereby pledges to, and shall deposit in, the Sales Tax Projects Subaccount in the Debt Service Account in the Bond Fund, to the extent required to pay debt service on the Sales Tax Bonds when due, proceeds of the Sales Tax, which proceeds have been and may be pledged on a parity basis to other obligations of the City authorized to be issued by the Special Legislation and Sales Tax Resolution, as the same may be amended from time to time.

#### SECTION 8. PLEDGE OF TAXING POWERS

For the prompt and full payment of the principal of and interest on the Bonds as such payments respectively become due, the full faith, credit and unlimited taxing powers of the City shall be and are hereby irrevocably pledged. In order to produce aggregate amounts which, together with the collections of other amounts as set forth in Section 4, will produce amounts not less than 5% in excess of the amounts needed to meet when due the principal and interest payments on the Bonds, ad valorem taxes are hereby levied on all taxable property in the City, the taxes to be levied and collected in the following years and amounts:

Levy Years

Collection Years

Amount

See attached schedules

The taxes shall be irrepealable as long as any of the Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the tax levies from other legally available funds, in accordance with the provisions of Minnesota Statutes, Section 475.61.

#### SECTION 9. DEFEASANCE

When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this Resolution to the registered owners of the Bonds shall cease. The City may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms by depositing with the Registrar on or before that date an amount equal to the principal, redemption premium, if any, and interest then due, provided that notice of such redemption has been duly given as provided herein. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or trust company qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or earlier designated redemption date, provided, however, that if such deposit is made more than ninety days before the maturity date of the Bonds to be discharged. the City shall have received a written opinion of Bond Counsel to the effect that such deposit does not adversely affect the exemption of interest on any Bonds from federal income taxation and a written report of an accountant or investment banking firm verifying that the deposit is sufficient to pay when due all of the principal and interest on the Bonds to be discharged on and before their maturity dates.

# SECTION 10. TAX COVENANTS, ARBITRAGE MATTERS AND CONTINUING DISCLOSURE

#### 10.01. General Covenant

The City agrees with the registered owners from time to time of the Bonds that it will not take, or permit to be taken by any of its officers, employees or agents, any action that would cause interest on the Bonds to become includable in gross income of the recipient under the Internal Revenue Code of 1986, as amended (the "Code") and applicable Treasury Regulations (the "Regulations"), and agrees to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations. All proceeds of the Bonds deposited in the Construction Fund will be expended solely for the payment of the costs of the Projects. The Projects are and will be owned and maintained by the City and available for use by members of the general public on a substantially equal basis. The City shall not enter into any lease, management contract, use agreement, capacity agreement or other agreement with any non-governmental person relating to the use of the Projects, or any portion thereof, or security for the payment of the Bonds which might cause the Bonds to be considered "private activity bonds" or "private loan bonds" pursuant to Section 141 of the Code.

## 10.02. Arbitrage Certification

The Mayor and City Administrator being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code and applicable Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds, it is reasonably expected that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of the Code and the applicable Regulations.

# 10.03. Arbitrage Rebate.

The City acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations unless the Bonds qualify for an exception from the rebate requirement pursuant to one of the spending exceptions set forth in Section 1.148-7 of the Regulations and no "gross proceeds" of the Bonds (other than amounts constituting a "bona fide debt service fund") arise during or after the expenditure of the original proceeds thereof.

# 10.04. Qualified Tax-Exempt Obligations

The City Council hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions, and hereby finds that the reasonably anticipated amount of tax-exempt governmental obligations (within the meaning of Section 265(b)(3) of the Code) which will be issued by the City and all subordinate entities during calendar year 2020 does not exceed \$10,000,000.

#### 10.05. Reimbursement

The City certifies that the proceeds of the Bonds will not be used by the City to reimburse itself for any expenditure with respect to the Project which the City paid or will have paid more than 60 days prior to the issuance of the Bonds unless, with respect to such prior expenditures, the City shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations, provided that this certification shall not apply (i) with respect to certain de minimis expenditures, if any, with respect to the Project meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to "preliminary expenditures" for the Project as defined in Section 1.150-2(f)(2) of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the "issue price" of the portion of the Bonds allocable to the Project.

#### 10.06. Continuing Disclosure

- (a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12). relating to continuing disclosure (as in effect and interpreted from time to time, the "Rule"), which will enhance the marketability of the Bonds, the City hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds. The City is the only obligated person in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. If the City fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, Owner or Bondowner means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, "Beneficial Owner" means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Bond for federal income tax purposes.
- (b) <u>Information To Be Disclosed</u>. The City will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the City, the following information at the following times:
  - (1) on or before twelve (12) months after the end of each fiscal year of the City, commencing with the fiscal year ending December 31, 2020, the following financial information and operating data in respect of the City (the "Disclosure Information"):

- (A) the audited financial statements of the City for such fiscal year, prepared in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the City, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the City; and
- (B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under headings: Current Property Valuations, Direct Debt, Tax Levies and Collections, US Census Data/Population Trend, and Employment/Unemployment Data, which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the City shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the City shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access System ("EMMA") or to the SEC. If the document incorporated by reference is a final official statement, it must be available from the MSRB. The City shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect, provided, however, if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1) or subsection (d), then the City shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

- (2) In a timely manner not in excess of ten business days after the occurrence of the event, notice of the occurrence of any of the following events (each, a "Material Fact"):
  - (A) Principal and interest payment delinquencies;
  - (B) Non-payment related defaults, if material;
  - (C) Unscheduled draws on debt service reserves reflecting financial difficulties;

- (D) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) Substitution of credit or liquidity providers, or their failure to perform;
- (F) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax status of the security;
- (G) Modifications to rights of security holders, if material;
- (H) Bond calls, if material, and tender offers;
- (I) Defeasances;
- (J) Release, substitution, or sale of property securing repayment of the securities, if material;
- (K) Rating changes;
- (L) Bankruptcy, insolvency, receivership or similar event of the obligated person;
- (M) The consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (N) Appointment of a successor or additional trustee or the change of name of a trustee, if material.
- (O) Incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; and
- (P) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

For purposes of the events identified in paragraphs (O) and (P) above, the term "financial obligation" means (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule

As used herein, for those events that must be reported if material, an event is "material" if it is an event as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, an event is also "material" if it is an event that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

- (3) In a timely manner, notice of the occurrence of any of the following events or conditions:
  - (A) the failure of the City to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
  - (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the City under subsection (d)(2);
  - (C) the termination of the obligations of the City under this section pursuant to subsection (d):
  - (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and
  - (E) any change in the fiscal year of the City.

# (c) Manner of Disclosure.

- (1) The City agrees to make available to the MSRB through EMMA, in an electronic format as prescribed by the MSRB, the information described in subsection (b).
- (2) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

# (d) Term; Amendments; Interpretation.

(1) The covenants of the City in this section shall remain in effect so long as any Bonds are Outstanding. Notwithstanding the preceding sentence, however, the obligations of the City under this section shall terminate and be without further effect as of any date on which the City delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the City to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided in paragraph (c)(3) hereof) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the City or the type of operations conducted by the City, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the City agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

The Bonds have been designated as "qualified tax-exempt obligations" pursuant to Section 265(b) of the Internal Revenue Code of 1986, as amended.

The City and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the City.

#### Background

The City's election equipment supplier, ES&S, is offering a solution to aide in protecting poll workers and voters from airborne infections with the Check-in Protective Shield.

Benefits of having the protective shields are:

- They are a clear barrier that can be placed at roster judge and ballot judge tables where contact with voters is unavoidable.
- These stable and transparent partitions provide an effective barrier against airborne infection.
- These shields were designed to be compatible for use with the City's Knowlnk pollbooks.
- They could also be used at City Hall's front counters when not in use for elections.

Protecting our election judges is a prime concern given the age demographics of our judges and the number of voters interacted with on election day. I believe purchasing these shields demonstrates the City's commitment to taking proactive precautions to protect our judges. It also provides another layer of protection for City staff if City Hall is permitted to reopen by the Governor.

#### Fiscal Note

The City has four roster judge and one ballot judge table for each precinct so we would need 10 shields.

| 10 shields @ \$149.95 per shield | \$1,499.50 |  |  |
|----------------------------------|------------|--|--|
| Shipping                         | \$ 500.00  |  |  |
| Total                            | \$1,999.50 |  |  |

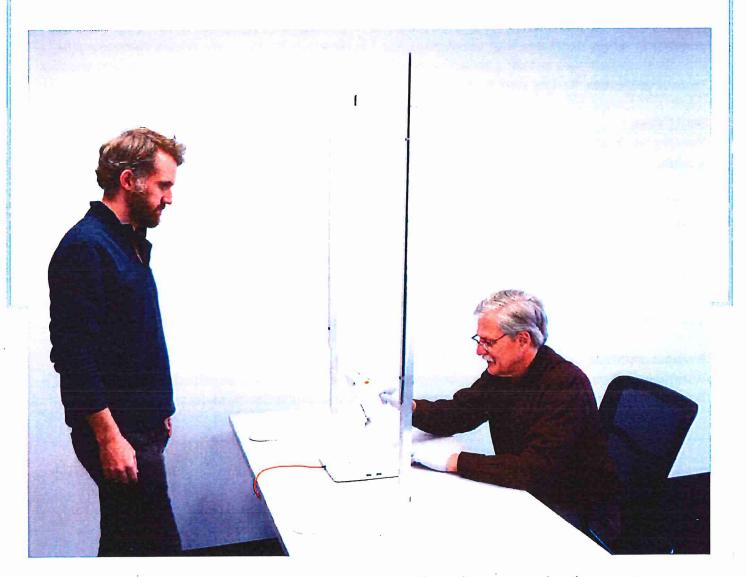

With the cancellation of the League of Minnesota Cities conference, I recommend reducing the Council's Schools & Meetings line item (101-41110-440) by \$2,000 and move those funds to Elections Small Tools and Equipment (101-41410-240) to cover the cost.

#### Recommendation

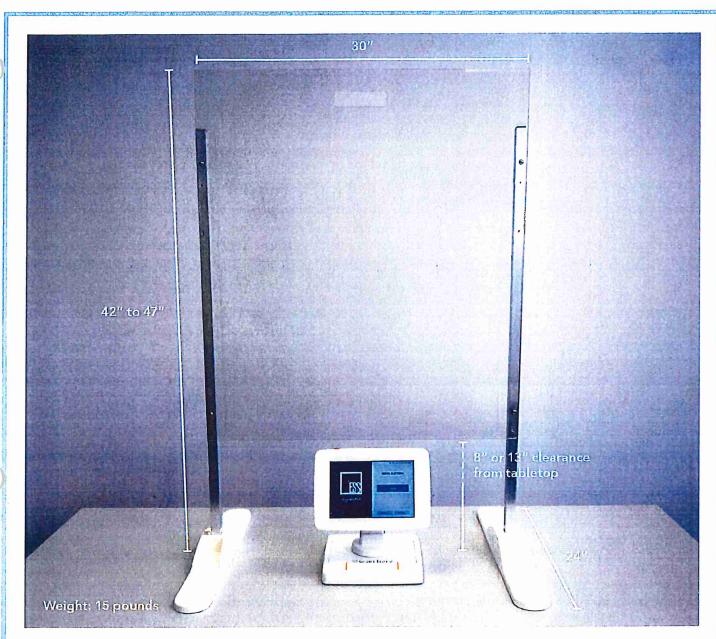

Authorize staff to purchase ten Check-In Protective Shields from ES & S and direct the Finance Director to make the necessary budget adjustments as outlined in the fiscal note.

# Check-In Protective Shield

The Check-In Protective Shield is a clear barrier placed at voter check-in stations. It is designed to support public health measures at polling places.

#### **EASY SET UP**

Snap each leg into the plastic foot to assemble.

## **COMPATIBILITY**

Accomodates ES&S, Knowlnk, Tenex and paper pollbooks.

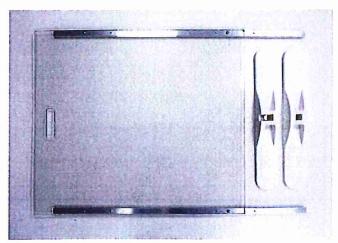

## **SANITIZING**

Surfaces should be cleaned with 70% isopropyl alcohol.

RE:

2020 Taxiway A Relocation

Construction Contract Award Recommendation

SEH No. CAMBR 146032

14.00

#### PROJECT SCOPE:

The 2020 projects for the Cambridge Municipal Airport include relocation of Taxiway A, land acquisition, and obstruction removal.

The taxiway relocation project includes moving the existing taxiway 40 feet east, farther from the runway to meet FAA separation standards. Project bidding includes a base bid for a 25 foot taxiway width, Alternate 1 for an additional 10 feet of pavement (35 feet total width), and Alternate 2 which would add LED taxiway edge lighting.

The land acquisition includes a parcel to the southeast of the airport that was purchased as airport property in 2019. Due to a long history of tree obstructions on this property, the obstructions within the protected airport approach and departure surfaces will be removed as part of the 2020 obstruction removal project.

#### Bid Results - 2020 Taxiway A Relocation:

On Thursday April 23, 2020, bids were received by the City of Cambridge for the 2020 Taxiway A Relocation project. The bids included a Base Bid, Alternate 1, and Alternate 2.. Two (2) bids were submitted, with the results as follows:

| Contractor          | Base Bid         | Alternate 1 |            | Alternate 2 |            | Total Bid |            |

## Quote Results - 2018 Obstruction Removal:

On Wednesday, April 29, 2020, contractors were requested to submit quotes for the 2020 Obstruction Removal project to SEH, Inc. The Engineer's estimate for the project was \$35,500. Three (3) quotes were submitted, with the results as follows:

| Contractor                  | Bid Amount  |
|-----------------------------|-------------|
| YTS Utility Group, LLC      | \$28,723.00 |
| Reliable Tree Service, Inc. | \$40,000.00 |
| Husky Construction, Inc.    | \$61,500.00 |

Construction Contract Award Recommendation Page 2

Land Acquisition:

In 2019 Parcel 13A was purchased and became airport property. The land was purchased for \$460,000. With the inclusion of professional service fees the total Land Acquisition cost was \$509,200. The City of Cambridge paid these costs in 2019 and will be reimbursed through the 2020 FAA Grant.

#### SEH RECOMMENDATION:

Based on the outcome of the bids and quotes, as well as the company reputations, it is SEH's recommendation that the City of Cambridge award the 2020 Taxiway A Relocation project to North Valley, Inc. and the 2020 Obstruction Removal project to YTS Utility Group, LLC., contingent on reception of the FAA and MnDOT Aeronautics grant.

In reliance on our experience with both the contractors and information provided in the bid and quote, we have determined that they have a sufficient understanding of the project and equipment to perform the construction for which it bid. SEH makes no representation or warranty as to the actual financial viability of the contractor or its ability to complete its work.

SEH has worked with other Minnesota Airports to secure additional FAA entitlement funding through entitlement transfers, much like Cambridge has done for other airports in the past. The following funds have been secured for the 2020 projects:

Red Wing - \$150,000 Austin - \$150,000 Walker - \$75,000

The eligible portions of the project are anticipated to fully funded by a 100 percent FAA grant. This is due to the recently passed stimulus CARES Act, which granted \$10 billion in additional funding to the FAA to use to help communities fund airport improvement projects during FY2020. Your project will still be funded by entitlement dollars for 90 percent of the project and the CARES Act funds will cover the remaining 10 percent.

The MnDOT and local shares for the project are anticipated to be zero percent for federally eligible portions. If Alternate 1 is awarded, that portion of the project would be funded with a MnDOT grant at 70 percent, with 30 percent of the costs covered locally. Since the final FAA and MnDOT eligibility determination is made once the grant application is submitted, there may be some changes in the final local share.

Proposal QTB119138

Lindsay Reidt, PE SEH, Inc. 535 Vadnais Center Drive Saint Paul, MN 55110

Re:

Proposal for Construction Materials Testing Services 2020 Taxiway A Relocation

Cambridge Municipal Airport 1212 Airport Avenue N Cambridge, Minnesota

Dear Ms. Reidt:

Braun Intertec Corporation is pleased to submit this proposal to provide construction materials testing services for the taxiway relocation project at the municipal airport in Cambridge, Minnesota.

# **Our Understanding of Project**

We understand that SEH is coordinating the Taxiway A Relocation Project at the Cambridge Municipal Airport in Cambridge, Minnesota. The project consists of reclaiming existing taxiway and constructing new taxiway during 2020. The project is planned to be completed in multiple phases including Phase 1, 2, and 3. The project will consist of reclaiming existing pavement and aggregate and will include a bituminous pavement section.

## **Available Information**

This proposal was prepared using the following documents and information.

- Project plans and specifications prepared by SEH on April 7, 2020
- A Geotechnical Evaluation Report prepared by Braun Intertec under Braun project B1809318, dated October 4, 2018.

# **Project Approach and Staff Qualifications**

#### **Construction Materials Testing**

Qualified technicians working under the direction of a professional engineer will provide the services. Experience and certification information is available upon request once we are provided with schedule information. Concrete technicians assigned to the project are ACI Concrete Field Testing Technician — Grade I certified to conduct the required concrete testing. Soil technicians are certified to use a nuclear AA/EOE

gauge for soil density testing, so test results can be determined on site and evaluated once the required laboratory testing is completed. Field test results will be verbally reported daily to the general contractor on site, with written field and laboratory reports distributed shortly after.

# Scope of Services

Services are performed under the direction of a licensed professional engineer, either on a periodic basis, depending on the construction schedule and when they are requested by the general contractor. After reviewing available information to determine compliance with project plans and/or specifications, other design or construction documents, and applicable ASTM and other industry standards, our scope of services for the project will be limited to the tasks defined below.

## **Soil Related Services**

- Perform laboratory Proctor tests to determine the maximum Proctor dry densities and optimum moisture contents of prospective fill materials on the P-207 FDR.
- Test compacted fill placed below pavements and in areas for which compaction specifications have been provided, to determine if the relative compaction was achieved.

# **Paving Related Services**

- Perform full-time bituminous paving observation during placement of bituminous pavement
- Perform verification testing in accordance with MNDOT 2360 specifications

# **Engineering Consulting and Project Communication and Reporting Services**

- Provide engineering consulting services, attend project meetings, review test results and observations reports, and prepare required final reports.
- Management, including scheduling of our field personnel and communication with the contractor, owner, and design team.
- Transmit results to the project team on weekly basis to the contractor, owner, fabricators and design team.

# Basis of Scope of Work

The costs associated with the proposed scope of services were estimated using the following assumptions. If the construction schedule is modified or the contractor completes the various phases of the project at different frequencies or durations than shown in this proposal, we may need to adjust the overall cost accordingly. The scope of work and number of trips required to perform these services are as shown in the attached table. Notable assumptions in developing our estimate include:

- Project construction to happen during summer of 2020.
- We estimated five (5) trips for compaction testing of P-207 blended base placement.

- We have estimated three (3) trips will be required for asphalt paving inspection time will be needed to complete this project over all phases of construction.
- Sample and test bituminous pavement materials for compliance with the project documents. This task includes Rice specific gravity, Gyratory density, fine aggregate angularity, percent crushed, asphalt content and extracted aggregate gradation tests of the bituminous.
- Obtain cores and measure the thickness and density of the compacted bituminous pavement for compliance with the project documents. We assume the bituminous contractor will cut the cores.
- You, or others you may designate, will provide us with current and approved plans and specifications for the project. Modification to these plans must also be sent to us so we can review their incorporation into the work.
- We will require a minimum of 24 hours' notice for scheduling inspections for a specific time. Shorter than 24 hours' notice may impact our ability to perform the requested services, and the associated impacts will be the responsibility of others.

#### Cost

We will furnish the services described in this proposal for an estimated fee of \$10,225. A tabulation showing hourly and unit rates associated with our proposed scope of services is attached. The actual cost of our services will be based on the actual units or hours expended to meet the requirements of the project documents.

This cost estimate was developed with the understanding that the scope of services defined herein will be required and requested during our normal work hours of 7:00 a.m. to 4:00 p.m., Monday through Friday. Services that we are asked to provide to meet the project requirements or the contractor's construction schedule **outside** our normal work hours will be invoiced using an overtime rate factor. The factor for services provided outside our normal work hours or on Saturday will be 1.25 times the normal hourly rate for the service provided. The factor for services provided on Sunday or legal holidays will be 1.5 times the normal hourly rate for the service provided. You will be billed only for services provided on a time and material basis.

Because our services are directly controlled by the schedule and performance of others, the actual cost may vary from our estimate. Invoices for our services will be based on the actual number of hours provided for the project and the units tested. It is difficult to project all of the services and the quantity of services that may be required for any project. If services are required that are not discussed above, we will provide them at the rates shown in the attached table or, if not shown, at our current Schedule of Charges. We will invoice you on a monthly basis.
