Proclamation for Manufacturing Month

Godfrey noted the month of October was designated as Manufacturing Month. He recognized Cambridge's manufacturers and wholesale/distributors as a critical component of our local economy, and provided information on the industry. The council members took turns reading the proclamation, and Godfrey proclaimed the month of October as Manufacturing Month.

Personnel Policy Review: Section 16 Holiday Leave

Vogel stated holidays were being amended to include all eligible employees, instead of just full-time employees. Part-time employees of at least 20 hours per week would be paid 4 hours of holiday pay, and full-time employees would still receive 8 hours of holiday pay. Floating holidays will also be adjusted for new employees depending on which third of the year they are starting in. Two floating holidays will be received if the starting date is between January 1st and April 30th, one floating holiday will be received if the starting date is between May 1st and August 31st, and no days will be received if the employee started September 1st or thereafter. If there are any conflicts for employees under a collective bargaining agreement, the collective bargaining agreement prevails. The council members gave a unanimous thumbs-up that they would like to see these amendments included in the 2022 Personnel Policy still awaiting final approval.

Personnel Policy Review: Section 18 Sick Leave

Vogel stated sick leave would be amended to be available for part-time employees working up to 20 hours each week, and they could accumulate 1.85 hours of sick leave for each two weeks of service. He said sick leave will also be amended so that employees will be able to use sick leave for up to 2 personal days per year. The council gave a thumbs-up to have these amendments included in the 2022 Personnel Policy that will be up for council approval in December 2021.

Unfinished Business

There was no unfinished business.

New Business

Resolution R21-050 Accept Feasibility Report & Order Public Hearings-2022 Street Improvements

Blank from SEH stated the feasibility study and report on improvements, requested for the 2022 Street Improvements by the council on September 7, 2021, have been completed. The project consists of improving the streets and underground utilities located in north half of the Goldenwood area and along East Rum River Drive South. Blank stated the improvements were investigated and the estimated cost of the project is \$5,350,900. The project funding will consist of various city funds (approximately 88%), and special assessments (approximately 12%) to the adjacent properties. Blank said the next step is to hold a public improvement hearing and an assessment hearing. He proposed they be held at the City Council meeting on December 6, 2021.

Zach Schmitz was in attendance and added more information about the project, the repairs being done, and also any new sidewalks being installed. Blank stated there is a petition from residents along Holly Street South that do not want a sidewalk installed along their street, and noted there would be many large trees that would be affected. He said another option for the sidewalk would be to install one along Joy Circle Southwest and Joy Court South. This would cost \$90,000 less due to better grading along the street and fewer pine trees that would be affected. The sidewalk could then

be connected into the Brown Park trail system from the south. Iverson and Ziebarth were concerned about Joy Lutheran church being involved in the sidewalk discussion as it would be a large undertaking on their part to keep that portion of sidewalk cleared in the winter. Blank said he would get in contact with them, and residents would have the ability to provide public comment at the hearing on December 6, 2021. Iverson moved, seconded by Conley, to adopt Resolution R21-050 receiving Feasibility Report, Ordering Public Hearing, Declaring Costs to be Assessed, and Ordering Hearing on Proposed Assessment. Motion passed unanimously.

Purchase Agreement for City lot located at 410 Garfield St. S.

Vogel informed the council that Luther Company, LLLP has agreed to pay \$175,000 for a .76-acre city-owned lot located at 410 Garfield Street South, with parcel number 15.300.0020. Shogren moved, seconded by Conley, to approve the Purchase Agreement between The City of Cambridge and The Luther Company, LLLP, a limited liability limited partnership under the laws of the State of Minnesota, for the sale of the property located at 410 Garfield Street South with parcel number 15.300.0020. Motion passed unanimously.

Parks, Trails, and Recreation Commission Appointments

Vogel stated there is a need to appoint three members to the Parks, Trails, and Recreation Commission due to Kriste Ericsson's term ending on January 31, 2022, School District Representative Aviva Hillenbrand resigning her position with the school district, and Youth Representative Elijah Anderson is now a second-year college student. Vogel said staff placed ads in the local newspapers and on social media sites soliciting applications for the open positions, and seven applications were received. He noted Ms. Ericsson has reapplied for the Member-at-Large Representative.

Applications were received from Christina Thayer Anderson for the School District Representative, Kriste Ericsson and Lindsay Rassmann for the Member-at-Large Representative, and Blake Ramlet, Savanna Murray, Clayton Kroehnart, and Natalie Randall for the Youth Representative. Vogel stated Ms. Randall and Mr. Kroehnart do not meet the criteria of being City of Cambridge residents, and will not be considered for the position. He also noted the commissioners will be compensated \$35.00 for each meeting attended, and is included in the proposed 2022 budget.

Ziebarth moved, seconded by Iverson, to appoint Christina Thayer as the Cambridge-Isanti School District Representative. Motion passed unanimously. Some concerns over residency status of the other applicants arised, and council members wanted to verify residency information before they made any further appointments. Shogren moved, seconded by Iverson, to table the Youth Representative and Member-at-Large appointments until the November 15th council meeting. Motion passed unanimously.

Resolution R21-051 Adopting Strategic Planning Initiatives

Vogel reviewed the 2021 Strategic Planning and Goal Setting work that was completed by the Cambridge City Council and staff with the help of consultant Phil Kern. He said it helped to clarify the city's vision, they defined core strategies, and created nine goals for the city to use in planning for the future. Vogel stated a new vision statement was also created to encapsulate the key elements of what they want for the City of Cambridge into a statement. He said these goals, vision, and strategies will help to guide the council and staff as they plan for the future of the city. Conley moved,

seconded by Ziebarth, to approve Resolution R21-051 adopting the 2021 Strategic Planning and Goal Setting Report. Motion passed unanimously.

Resolution R21- 052 Approve an Increase of the Fire Relief Association Service Pension Benefit Amount

Todd Tomczik stated a cost analysis was done on the Cambridge Firefighters Relief Association's pension that is administered by the State of Minnesota. He said the results indicated that at the present fund balance, the benefit level could be increase from the 2021 level of \$5,200 per year of service to \$5,800 per year of service. Tomczik said the increase in benefit level would leave the plan at 95% funded, and would not require any municipal contribution unless the portfolio should decrease. He said the increase in benefits would provide more incentives to attract new hires and help to retain current members. Ziebarth asked for more explanation on what the 95% funded level means to the city. Tomczik used a simple example that if 95% of our fire department were to quit, their retirement funds would still be fully covered. Godfrey asked Finance Director Moe if there were any financial concerns for the city, and Moe stated that once a level of benefits is set it can't be lowered. She said if there is ever a large downturn in the market and the plan decreases, then the city would be responsible for any non-funded pensions. Iverson moved, seconded by Shogren, to approve Resolution R21-052 approving the Cambridge Fire Department Relief Association Service Pension Benefit Amount and the PERA Volunteer firefighter Retirement Plan Cost Analysis. Motion passed unanimously.

Mayor's Report

Godfrey stated he wanted to start doing committee reports again starting in December. He said the Snowflake Parade will be on Saturday, November 20th. The Chili Feed and Santa will be in the City Center Mall again.

Council Concerns

There were no council concerns.

Also, \$32K of contractual services done in 2021, not done in 2020 related to GIS and water system resiliency in addition to the demolition of the old water tower.

Wastewater Fund 9-30-2021

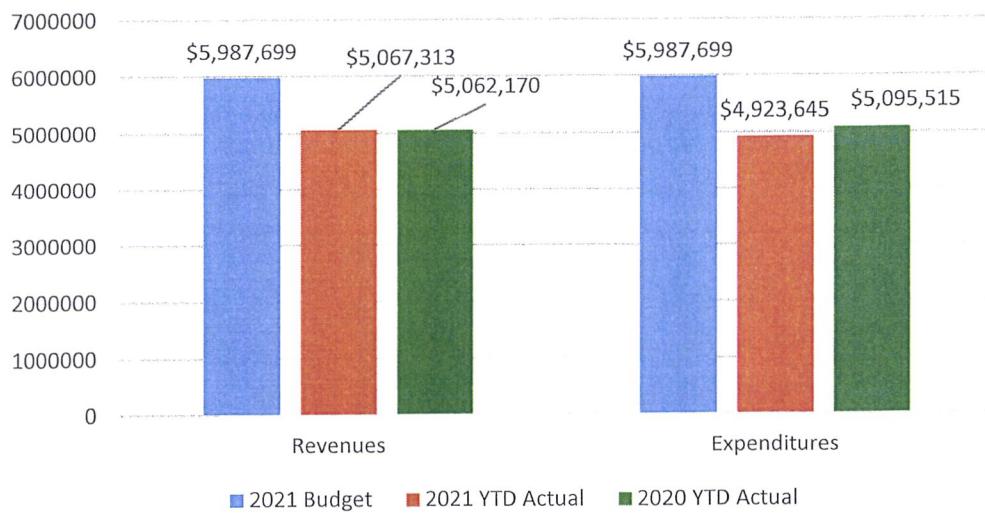

Wastewater Fund Notes—

Revenue exceeding 2020 due to \$600K more sewer connections charges being collected in 2021 as well as additional volume.

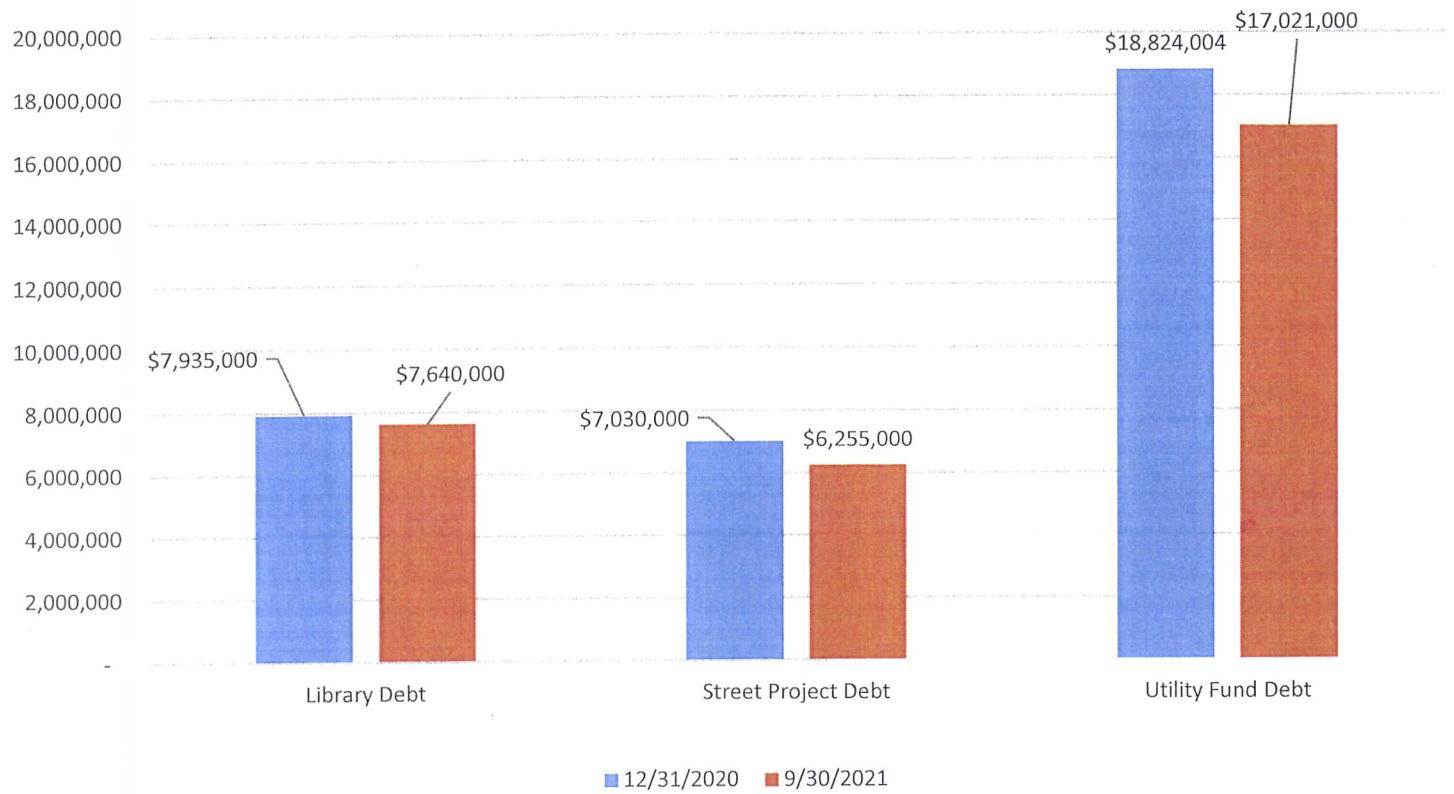

Expenses up \$25K due to timing of chemical purchases in 2021. Also, GIS contracting services and utility costs are up over 2021.

Northbound Liquor 9-30-2021

Northbound Liquor—
Sales are consistent with prior year. Expenses in 2021 are lagging behind 2020 due to reduced contract maintenance, timing of MN Municipal Beverage Association dues payment and reduced personnel costs.
