

Cambridge City Council Meeting Minutes

Monday, April 1, 2024

A regular meeting of the Cambridge City Council was held at Cambridge City Hall Council Chambers, 300 3rd Avenue NE, Cambridge, Minnesota, 55008.

Members Present: Mayor James Godfrey; Councilmembers Lisa Iverson, Aaron Berg, and Mark Ziebarth.

Members Absent: Councilmember Bob Shogren.

Staff Present: City Administrator Vogel, Deputy City Administrator Smith, Police Chief Schuster, Community Development Director Westover, and Assistant to the City Administrator Seiberlich.

Call to Order

Godfrey called the meeting to order at 6:00 pm and led the Pledge of Allegiance.

Approval of Agenda

Iverson moved, seconded by Ziebarth, to approve the agenda. All voted aye, no nays, motion passed unanimously.

Consent Agenda

Berg moved, seconded by Iverson, to approve consent agenda Items A-B:

- A. Approval of Regular City Council Meeting Minutes for March 18, 2024.
- B. Draft February 2024 Financial Statements.

Upon roll call, Godfrey, Ziebarth, Berg and Iverson voted aye, no nays. Motion carried unanimously.

Work Session

A Discussion of Inclement Weather Policy

Vogel asked Council to review the Inclement Weather Policy. Many employees drive significant distances to come into work and have expressed concerns about driving when the road conditions are poor. Some employees can work effectively from home, or they can choose to use PTO to cover their time off. This would not apply to employees that must come in, such as public works and police. If Council was uncomfortable on how it was being used could be reversed. This would likely be implemented only one to two times per year, and many employees would still come in since they live nearby. Vogel asked Council if they would be open to reviewing a draft policy at a future meeting.

Berg questioned if employees could use ESST for weather related days off if they do not feel safe coming into work. Vogel said a parent can stay home to care for their child if a school closes, in a similar fashion, employees can use ESST to stay home if they feel unsafe driving. The proposed policy would allow staff to make an administrative decision to close City Hall rather than burden the staff that do come in with covering those that are absent.

Iverson asked if a snow day was declared and an employee that must come in, such as public works staff, gets into an accident on their way to work can they sue the City? Vogel replied that he did not think so, but would follow up with City Attorney Squires.

Godfrey asked the benefit in closing City Hall compared to the current policy, Vogel said the proposed policy allows administration to plan instead of react. There are certain staff that need to be present for City Hall to be open, such as those capable processing bill payments or issuing permits, and unpredictable staffing levels puts strain on those that do come in.

Ziebarth expressed interested in seeing a proposal, he was in favor of putting employee safety first.

Councilmembers were in agreement to review a proposed policy in the future.

Unfinished Business

No unfinished business

New Business

A Ordinance Amendment-Alcoholic Beverages

Westover said current city code prohibits consumption of alcohol in city parks, and prohibits alcohol sales from mobile food vendors. Staff would like to allow consumption in city parks and sales from mobile vendors during city events only.

Berg motioned, seconded by Ziebarth, to approve Ordinance 784 Alcohol in Parks and Mobile Food Vendors for Special Events as presented and allow for a summary publication.

Iverson asked if this puts the City at risk for a potential lawsuit, Vogel said there would be burdens if the City was the supplier. But if the City is not the provider, it is for pay, and consumed in a designated area, the burden is on those providing to be sure they are not overserving. Vogel noted the City's Insurance has reviewed and approved this ordinance.

Upon vote, all voted aye, no nays. Motion passed unanimously.

B & C Approve Creation of Full-Time Custodian/Maintenance Position for Library and Two New Positions

Vogel said since Smith has taken over the management of facilities, she has been working with the City's lessee's such as the library and Play Inc. Per the contract, costs have been split for maintenance and cleaning of the library building. The library has chosen the service provider and the city has been paying two-thirds of that cost. The contractors spend about 45 hours per week cleaning the building, staff feel that can be done in less hours using a prioritized list. The proposed position can help with maintenance at City Hall, providing relief and support for Custodian Bob Johnson. By bringing in this position at the same grade as Johnson, it is estimated to cost the City approximately \$13,228 extra per year. Though, that could be less they were utilized to replace the contractor that mows and shovels at the library and Bridge Park, along with some maintenance at the library that is currently outsourced. This position would also give the City some input and control over the services provided.

Vogel said the City has been receiving cleaning services at Northbound Liquor through the Minnesota Department of Human Services vocational services group on a contract basis. This group helps

individuals find jobs and intergrade into a job culture. Their business model is shifting and they are now helping individuals find employment opportunities. This would be relative low cost at two days per week, two hours per day, cleaning the break room and bathroom. This individual would enter a formal employment relationship with the City, have co-workers, and be part of the City Hall staff events. The proposed seasonal summer position would include mowing at Bridge Park and the library. These employees would be assisted by a job coach at all times which the City would have no obligations for.

These positions were created through conversations and analysis with partners and people who have been providing services, and as staff were researching contracts and saw ways to improve services with minimal cost implications. These are position descriptions and classifications currently in place.

Ziebarth motioned, seconded by Berg, to approve the creation of the full-time custodian/maintenance position for the library and authorize the posting of the position, and approve the creation of an additional summer seasonal position, and an additional part-time cleaner position for Northbound Liquor. All voted aye, no nays, motion passed unanimously.

Mayor's Report

Godfrey hoped everyone had a happy and safe Easter.

Council Concerns

No Council concerns

City Attorney's Report

No City Attorney's report

City Administrator's Report

Vogel gave a legislative update on the public zoning issue including missing middle housing and multi-family housing with significant zoning preemptions to municipalities. The portions regarding missing middle that would have significantly increased density and limited lot sizes appears to have stalled out, and the focus has been shifted to multi-family being allowed in commercial districts by right. With the significant mobilization by Mayors, Councils, and staff throughout the state, authors have a much higher willingness to include cities in the conversation to come up with a more workable solution. Height requirements have been removed, there is a willingness to work on the parking concerns. There has been serious progress in the House, but in the Senate it has stalled out completely with the goal of revving things back up. It has been relayed that there is not enough votes on the missing middle housing, so there will be a return to the multi-family focus on the senate side as well. Vogel says he still is opposed, but it is much more palatable than what was previously discussed.

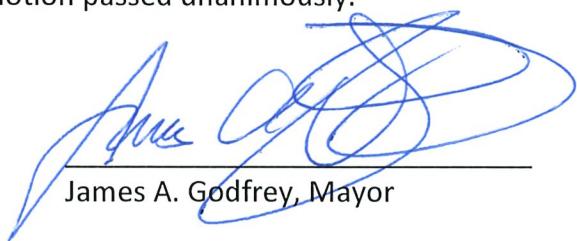

Vogel said the bonding language has not been started, though he is still working aggressively to secure a bond request for Hwy 95. Vogel encouraged residents and Councilmembers to reach out to the representatives and ask for a hearing.

Berg clarified they should reach out to Representative Johnson or Senator Koran to ask for the bill to be heard, Vogel that was correct.

Godfrey asked if Council should draft a joint letter, Vogel said it could, but it would be more impactful if individuals reached out. Johnson and Koran know the city wants a hearing, but it would be beneficial for electives to reach out as well. This bond would offset about \$700,000 of taxpayer dollars over the next two years of levy impact.

Adjournment of Council Meeting

Being no further business before the City Council, Ziebarth moved, seconded by Iverson, to adjourn the regular meeting at 6:32 pm. All voted aye, no nays, motion passed unanimously.

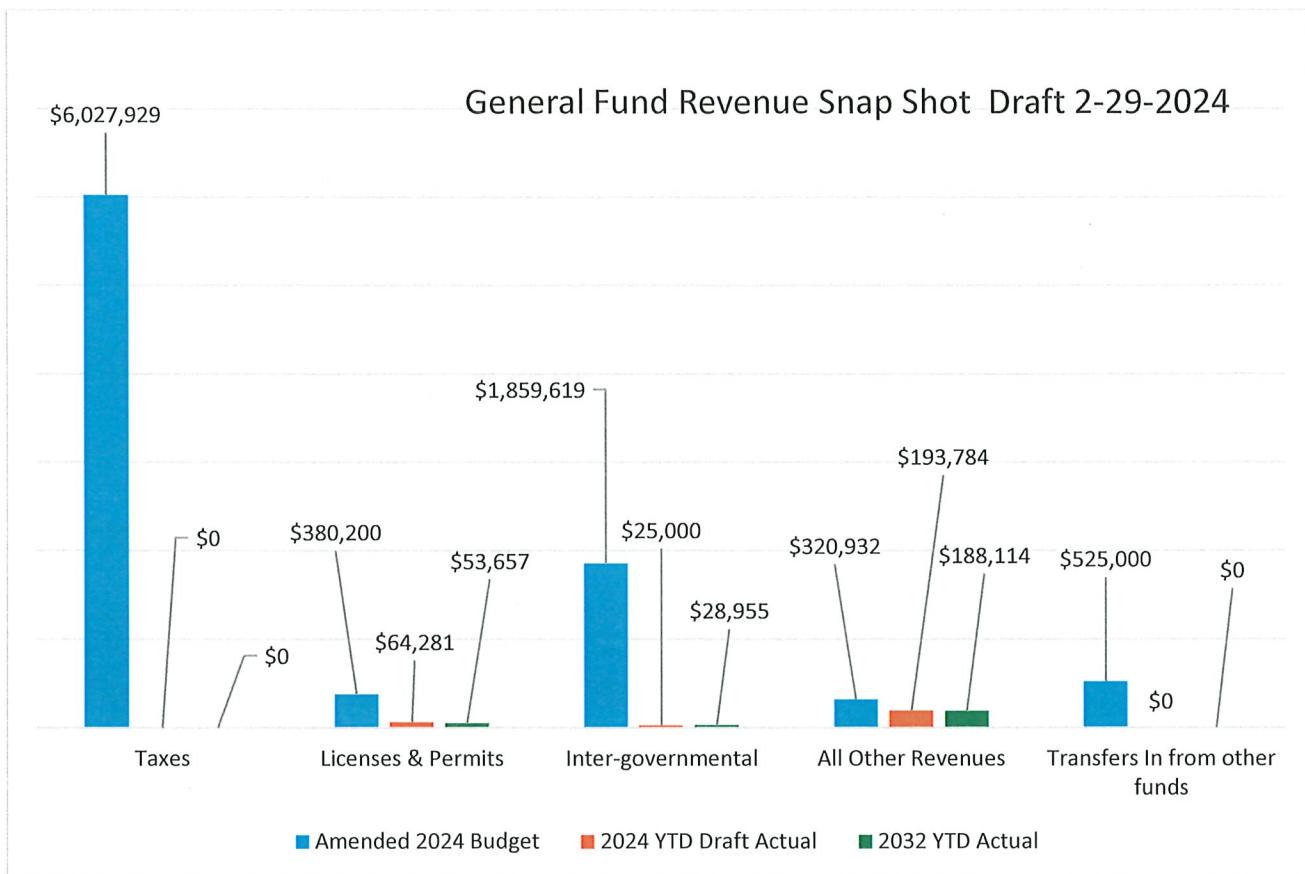

James A. Godfrey, Mayor

ATTEST:

Evan Vogel, City Administrator

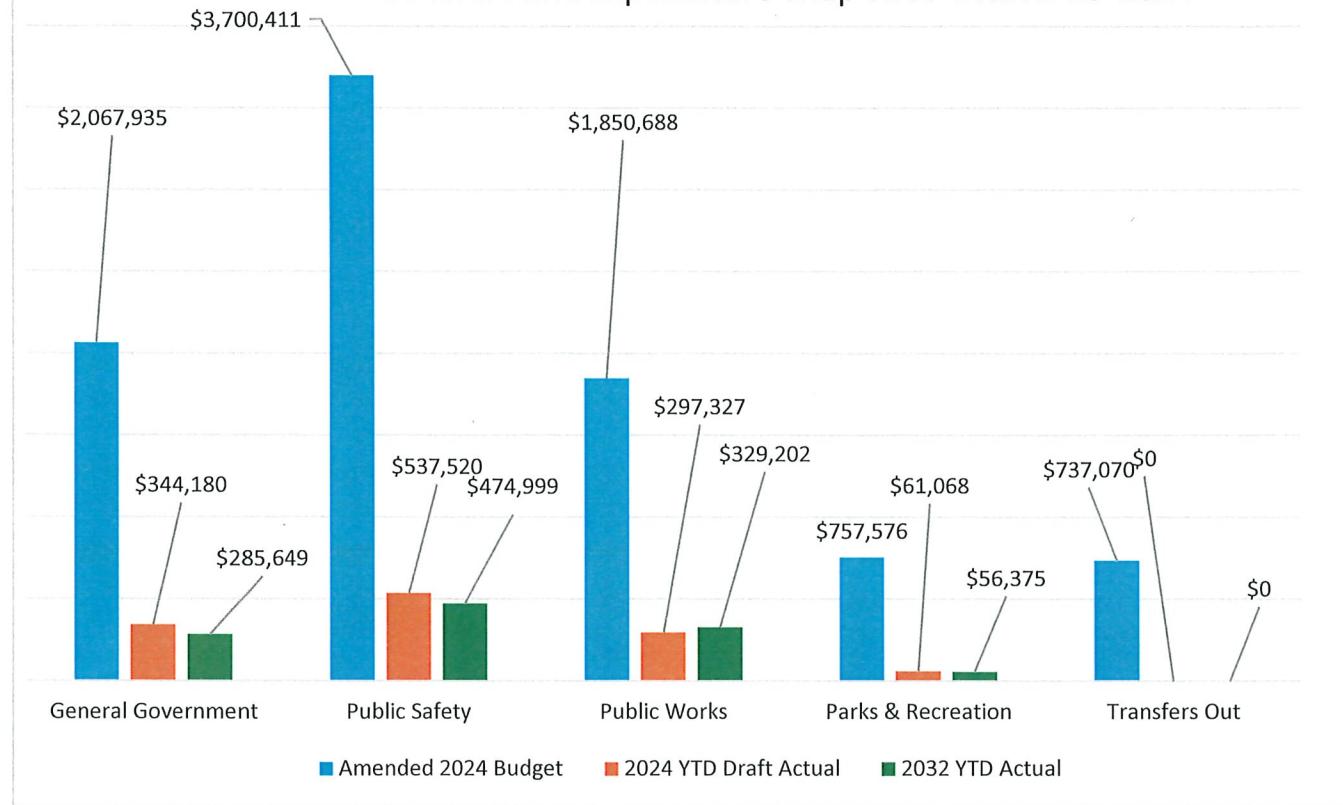

Council Financial Snapshot

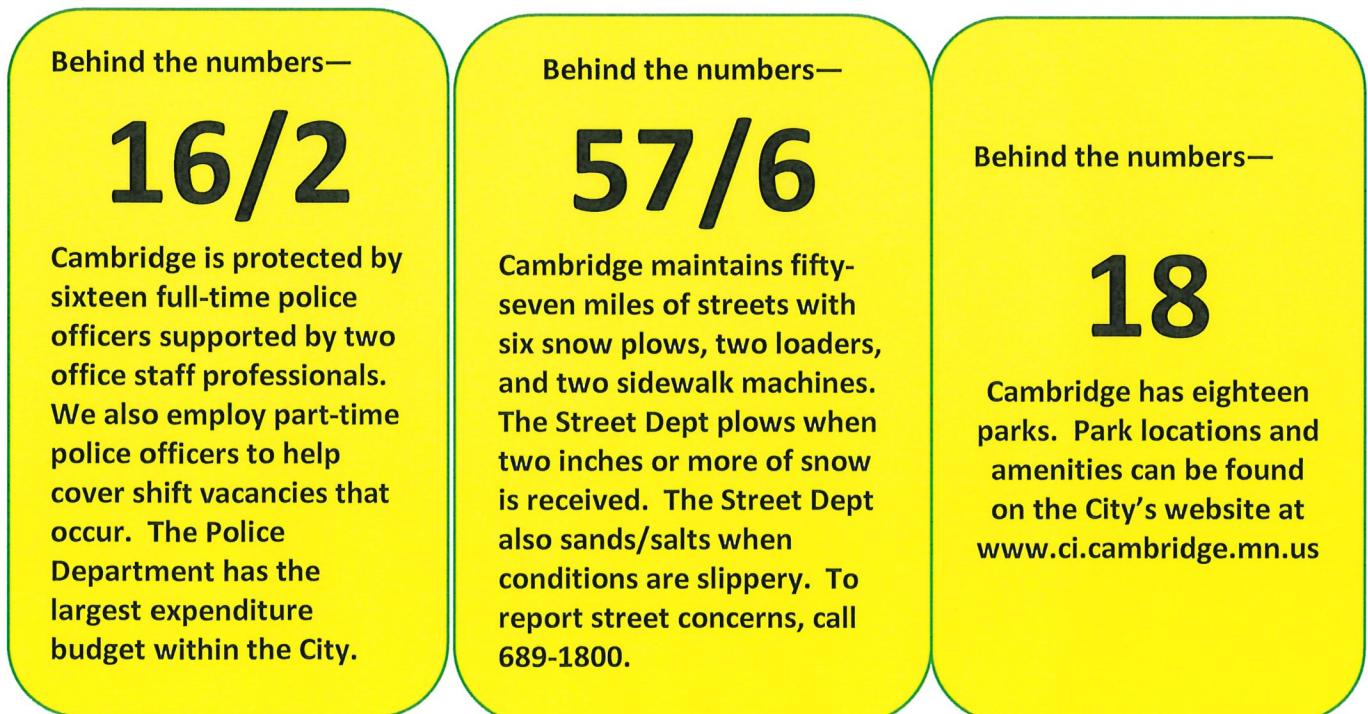

Notes—

- Tax collections occur in July and December. Normal to have \$0 at this point in the year.
- Permit activity is typically slow at the beginning of the year.
- Inter-governmental revenue is primarily received in July, October and December.
- Other revenue is higher than previous years as township fire contract billings were higher than prior year settle-up provisions. Rest of other revenue will come in over remainder of the year.
- Transfers from other funds typically occur later in the year.

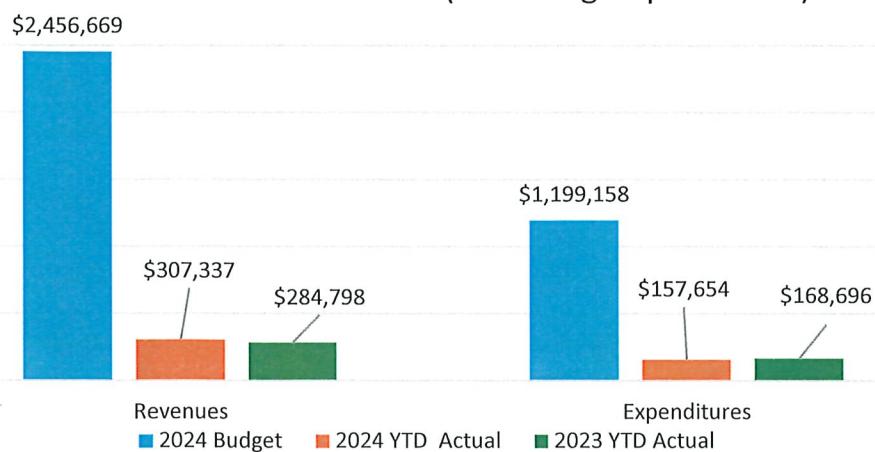

General Fund Expenditure Snap Shot Draft 2-29-2024

Notes—Expenditures for all categories, except Public Works, are higher due to implementation of class and comp study in 2024. Public Works regular salaries are higher in 2024 than 2023 due to the class and comp study but overtime related to snow plowing and cost of snow removal materials are down significantly, as compared to 2023 due to minimal snow events in 2024.

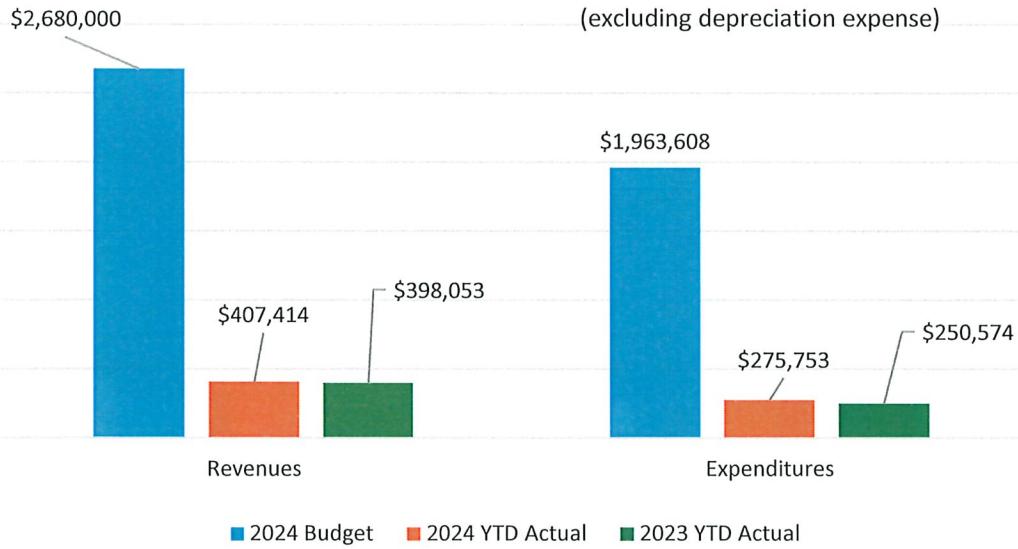

Water Fund Draft 2-29-2024 (excluding depreciation)

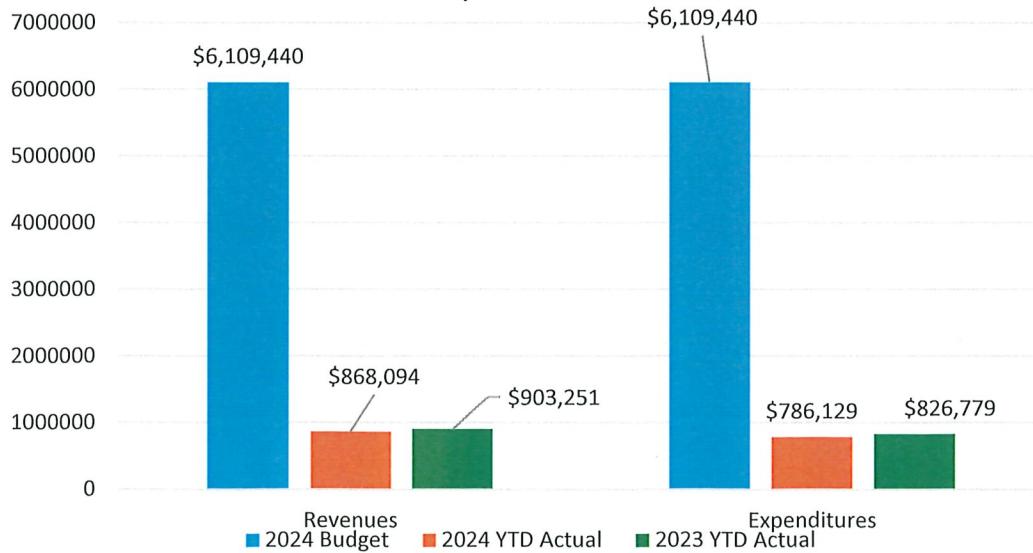

Water Fund Notes—
Revenue as expected for 2024. Slight decrease in expenditures as compared to prior year due to large plan maintenance outlay in 2023 that did not occur in the comparative time frame in 2024.

Wastewater Fund Draft 2-29-2024 (excluding depreciation expense)

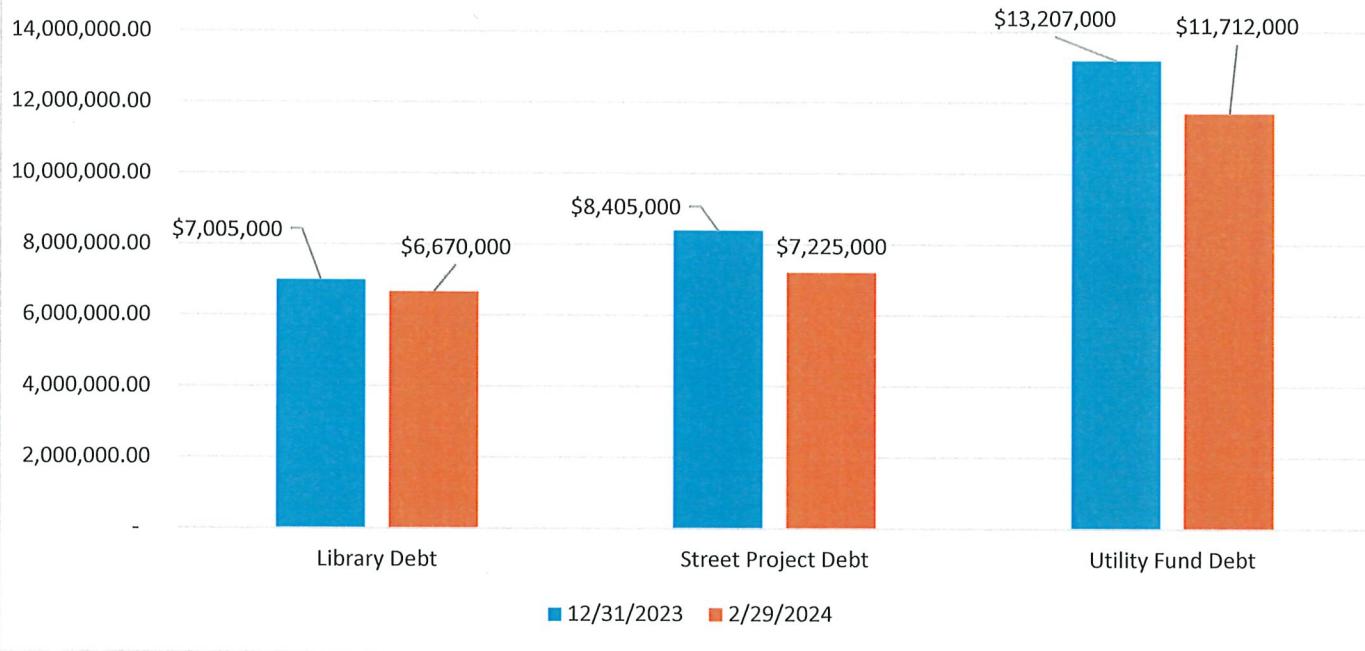

Wastewater Fund Notes—
Revenue and expense as expected except for increases in salary due to implementation of class and comp study.

Northbound Liquor Draft 2-29-2024

Northbound Liquor revenue and expense on track for 2024 at this point.

Notes:		
Generally, salaries are allocated to each park based on a time estimate received from our Public Works Director. During the year, as the seasons change, the allocations change to reflect current park activity.		
Not location specific expenses includes things that would be too difficult to allocate to a specific park like park liability insurance, gas for park vehicles, small tools, vehicle repairs, and park commission expense.
