

Cambridge City Council Meeting Minutes
Monday, March 4, 2019

A regular meeting of the Cambridge City Council was held on Monday, March 4, 2019, at Cambridge City Hall Council Chambers, 300 3rd Avenue NE, Cambridge, Minnesota, 55008.

Members Present: Mayor James Godfrey; Council Members Kersten Barfknecht-Conley, Lisa Iverson, Marlys Palmer and Bob Shogren. All present, no absences.

Staff Present: City Administrator Woulfe, Police Chief Schuster, Finance Director Moe, Community Development Director Westover and Utilities/Public Works Director Schwab.

Call to Order, Pledge of Allegiance, and Approval of Agenda.

Godfrey called the meeting to order at 3:30 pm and led the public in the Pledge of Allegiance. Conley moved, seconded by Palmer, to approve the amended agenda as presented. Motion carried unanimously.

Consent Agenda

Iverson moved, seconded by Shogren, to approve consent agenda Items A-H:

Upon call of the roll, Godfrey, Shogren, Palmer, Iverson, and Conley voted aye, no nays. Motion carried.

There were no items for Work Session

Unfinished Business

Water Tower Lettering

Woulfe explained on February 4, 2019 City Council took a request from Cambridge Isanti Schools to have the new 750,000-gallon water tower lettered to read "Cambridge Home of the Bluejackets".

Woulfe stated Council approved that request, with the placement on two sides of the tower. Woulfe reported council asked staff to bring back a draft of the lettering as it would appear on the tower. Woulfe stated the lettering draft is in the packet for review.

Council expressed their agreement of the new design.

Approve Development Contract for Parkwood Townhomes Phase 2

Westover reported this item was tabled from the February 19, 2019 Council meeting to give the developer and staff more time to finalize the details of the contract.

Westover stated on October 15, 2018, the final plat of Parkwood Townhomes Phase 2 was approved by Council. Westover explained as a condition of approval, the Developer is required to enter into a Development Contract with the city to cover any developer installed improvement and city fees. Westover stated staff have been working with the Developer on the project and have come to the agreement provided in the packet and needs review and approval from Council.

Westover explained the Development Contract is required as part of the city's subdivision ordinance (Chapter 155) and covers developer installed improvements, park dedication, sewer and water area charges, etc.

Shogren moved, seconded by Iverson, to authorize the City Administrator and Mayor to execute the Development Contract between Chenlee Liu, Parkwood on the Lakes Townhomes, LLC and the City of Cambridge for Parkwood Townhomes Phase 2. Motion carried unanimously.

New Business

Approve contract with Lexipol for Fire Department procedures.

Woulfe reported in the spring of 2018 she requested the Fire Department Officers review and update Operating Procedures. Woulfe explained the Officers of the Department met several times to divide up the procedures and make changes to reflect their operations. Woulfe stated after some changes were made and some comparisons to policies staff found online, fire officers concluded the procedures were still sub-par. Woulfe noted that Pennings reported after talking with other Fire Departments we found we were not the only ones to find this task overwhelming, nor our specialty.

Woulfe explained the Deputy Chief Pennings viewed a webinar on Lexipol fire policies and found the system very user friendly and comprehensive. Woulfe explained it makes sense to purchase the Lexipol fire policy system, which will provide the Cambridge Fire Department with:

- Up to date industry standards and best practices.
- Content is specific to laws and practices in Minnesota.
- Daily scenario-based training that reinforces our Department policy.
- Timely updates in response to new legislation and case law.

Woulfe explained Finance Director Moe found the annual fee of \$1961.00 fits into the Fire Department's current operating budget without any issues.

Conley moved, seconded by Palmer, to approve proposal from Lexipol for the Fire Department's Policy Manual, Daily Training Bulletins, Policy Updates, web-based delivery, and reporting capability. Motion carried unanimously.

House and garage moving proposal for 635 1st Ave. E., Cambridge, MN

Gustafson explained the City has purchased several homes on Highway 95 for future Right of Way (ROW). Gustafson stated an RFP was placed on the city's website, staff mailed out the RFP to four house movers and provided a copy to two locals. Gustafson stated staff has been in conversation with two home movers and we have received one proposal.

Gustafson explained the RFP provided a date the house needed to be moved, what was expected post house removal, a proposed date of property walk through, staff contact information and due date for submitting proposals.

Gustafson stated Otting House Movers proposed a bid to pay \$1,000 to remove the house and garage from 635 1st Ave. E., Cambridge, MN. Gustafson reported they are only interested in removing the buildings, not the foundation removal or landscaping of the property. Gustafson stated they have provided a certificate of liability insurance, building movers license and a letter from the bank indicating they have the financial security to complete the purchase and the move the house.

Gustafson explained in speaking with Bill Otting of Otting Home Movers, he stated the requirements in the original RFP would cause his company to lose money and discussed other cases in which he removed homes and the City took care of the remaining items.

Gustafson reported that Todd Schwab received a quote of \$4,800 to have the city services disconnected, block walls removed, holes placed in basement floor for proper drainage, foundation cavity filled, at which point MnDOT would be responsible for removing the concrete driveway, footings and basement floor.

Gustafson stated the City has two options to move forward:

1. Accept the proposal as presented where the house and garage will be removed, use the money paid to offset the \$4,800 for the remaining necessities and have MnDOT remove the concrete foots, driveway, basement slab, etc. when the Highway project begins. If Council chooses this option staff will need to find a funding source to pay the outstanding amount.
2. Reject the proposal and wait for the project to begin where at that time MnDOT will need to pay the cost of removing the buildings footings, foundation, driveway, garage slab and disconnecting the city services and appropriate landscaping. The proposed project for Highway 95 is anticipated in 2023.

Woulfe explained there are benefits to spending the upfront costs as the property insurance deductible in the event of a fire, natural disaster, damage, etc. is rather high and could cost the City more money in the long term. Woulfe also explained the reason for requesting bids to remove the home is because the cost for full demolition runs closer to \$18,000. Woulfe stated it's probably in the City's interest to remove the home now to avoid future complication.

Shogren moved, seconded by Conley, to direct staff to proceed with option two; reject the proposal and wait for MnDOT to cover the costs in 2023 with the Highway 95 project. Motion carried unanimously.

Ordinance 688 Small Cell Tower Amendment

Westover the amendments to Title IX, Chapter 94 Streets and Sidewalks section are required due the Federal Communications Commission's Declaratory Ruling and Third Report and Order (FCC Order) for small wireless facilities (small cells) located in the city right-of-way. Westover explained the new legislation outlines regulations for small cell fees, review periods, and aesthetics.

Conley moved, seconded by Iverson, to adopt Ordinance 688 Amending Title IX General Regulations Chapter 94 Streets and Sidewalks (small cell towers). Motion carried unanimously.

Conley moved, seconded by Iverson, to authorize staff to publish the summary ordinance. Motion carried unanimously.

Library Purchase Agreement - Due Diligence Period

Woulfe explained the local option sales tax bills are heading through the legislative process. Woulfe stated both the House and Senate authors will support a local option sales tax for a library. Woulfe stated Senator Koran, at the meeting held on February 22, 2019, stated his support for the library project and working with the City on getting a local option sales tax bill done this legislative session.

Woulfe reported the House version of the local option sales tax bill was heard on Monday, March 4 and the deadline for getting bills out of committees is March 29, 2019. Woulfe stated all local option sales tax bills will be rolled into the omnibus tax bill and be voted on in May towards the end of the legislative session. Woulfe stated statutorily, the Legislature needs to adjourn by May 20.

Woulfe explained the purchase agreement for the turn-key library was approved by City Council at their January 22, 2019 City Council meeting. Woulfe stated the purchase agreement has a 45-day due diligence period where the City could cancel the contract without additional cost. Woulfe reported this due diligence period ends March 10, 2019. Woulfe stated if Council would like to hold onto the option of keeping this property available for the library, we would need to pay holding costs of \$12,000 per month to BJ Baas. Woulfe explained included in this cost is interest, utilities, and insurance and stated the costs are minimal compared to the \$4-5 million the City could pay if it switched to a different site.

Woulfe stated at the January 22, 2019 meeting, Council felt the benefits of the turn-key purchase agreement were:

- Site is 3.9 acres.
- The building is 44,328 square feet which meets library needs for an excellent level of service.
- The building is sprinkled and has generator back-up power.
- With this parcel there is room for future expansion and sufficient parking stalls.
- This project will cost at least \$4 million less than new construction. New construction of a similar size building is estimated at \$12 million dollars given current construction costs. (This cost does not include land or relocation costs if a new site is needed.)
- Reuses a vacant building.
- This parcel is already exempt from property taxes so the location will not reduce the City's tax capacity.

Woulfe explained due to the timing of Legislature and the anticipated date of adjournment by May 20, 2019 should Council wish to hold the property, she recommends extending the hold through June 10, 2019 because May 10 would not be enough time.

Woulfe stated the cost to hold the property from March 10, 2019 through June 10, 2019 would total \$36,000 and pursuant to Director of Finance Moe, the City could do a draw-down of its general fund balance and still be in full compliance with our fund balance policy.

Karen Lee, Library Board Member addressed Council stating she attended the Capital with Administrator Woulfe today and has received numerous letters of support from the public and other entities. Lee encouraged Council to extend the holding costs because it's the best opportunity for the new library.

Carla Lydon, Executive Director of East Central Regional Library addressed Council. Linden stated her agreement with Lee and explained she has spoken with Legislators who have indicated they do not have a problem with the library project as long as the local sales tax option passes.

Godfrey questioned if the library project is part of the final bill, the most that can be collected through the local sales tax option is 8 million dollars, whereas the library project is projected at 8.2 million, will the remaining 200,000 be part of the City Street Improvement Projects? Woulfe explained they will figure out how it goes into the Street Improvements Project when they issue the bond for it.

Shogren questioned if the City would recover the \$36,000 at any point. Woulfe stated the \$36,000 would not be recovered.

Palmer questioned if the utilities had been factored into the new facility being it will be much larger than the existing facility. Woulfe stated it was projected in the feasibility report that due to the energy efficiencies utility costs would be lower or about the same of the current building despite the size increase.

Conley moved, seconded by Palmer, to pay holding costs in the amount of \$12,000 per month from March 10, 2019 through June 10, 2019 not to exceed \$36,000. Motion carried unanimously.

Accept resignation of Mike Fabini effective May 31, 2019, appoint Matt Small as building official, and authorize the hire of a building inspector

Westover stated that Mike Fabini, Building Official, has decided to retire and has officially submitted his resignation letter. Westover explained staff is requesting Council accept the resignation of Mike Fabini, Building Official at which his last day will be May 31, 2019.

Westover reported due to Fabini's resignation, staff is requesting Council approve the conditional offer letter to Matt Small, Building Inspector, to take on the title of Building Official. Westover explained Small would start as Building Official effective May 31, 2019. Westover stated at the time of Small's hire, he had the qualifications to become the Building Official and staff sees this as an opportunity to efficiently transition an experienced employee into the Building Official position upon Fabini's retirement. Westover also requested the Council authorize the hiring process for the vacant Building Inspector position that Mr. Small will leave behind.

Shogren moved, seconded by Iverson, to accept resignation of Mike Fabini effective May 31, 2019, approve the conditional promotion offer to Matt Small effective May 31, 2019 and authorize staff to initiate the hiring process for the Building Inspector position. Motion carried unanimously.

Approve Change Order for Retrofitting Current lights to LED Lights for a portion of City Hall and Fire Department

Gustafson reported the initial proposal for retrofitting current lights to LED lights for the cost of \$13,799 was approved by City Council on January 22, 2019. Gustafson reported the number of lights for replacement was incorrectly counted and an additional \$370 is needed to complete the project. Gustafson explained this was part of the 2019 capital improvement project and the original budget was for \$31,500 and adequate funds are available to draw from 419-41320-581.

Shogren moved, seconded by Iverson, to approve the \$370 change order for retrofitting current lights to LED lights for a portion of City Hall and Fire Department. Motion carried unanimously.

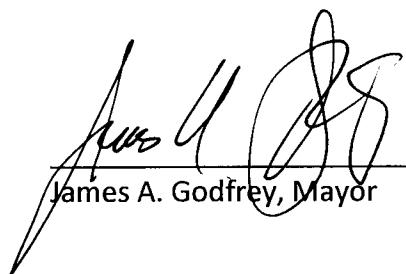

There were Committee Reports, Mayor Report, Council Concerns or City Attorney Report.

City Administrator's Report

Woulfe explained the reservations were made at the Hotel in Duluth for the 2019 Annual LMC Conference.

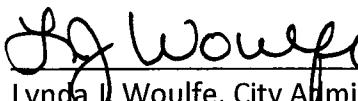

Adjournment of Council Meeting

Being no further business before the City Council, Shogren moved, seconded by Palmer, to adjourn the regular meeting at 4:24 pm. Motion carried unanimously.
