Petition for a Stop Sign (Fern Street/8th Street/Winnetka)

Blank reported the City received a petition from property owners on Winnetka Place to create a four-way stop at the intersection of North Fern St/8th Ave NW. Blank stated this intersection currently has stop signs on the north and south legs and no stop signs on the east and west legs. Fern Street/8th Ave carries approximately 2,000 vehicles per day, and Winnetka Place carries approximately 150 cars per day. The High School student parking lot carries approximately 400 vehicles per day.

Blank explained that proper intersection traffic control based on traffic engineering principles is specific to each location and is dependent upon factors including traffic volumes, speed, sight

distance, and accident history. In 2002, a city-wide review of all intersections was performed to ensure that existing stop signs were warranted. Stop signs that were not warranted pursuant to these engineering principles were removed.

Blank explained that before installing four-way stops traffic warrants and volumes should be similar in each direction, volumes averaging at least 500 vehicles per hour for 8 hours in an average day, and five or more accidents that would be prevented with a four-way stop. Blank pointed out that none of these conditions exist at the intersection.

Blank reported MnDOT guidance states that with volumes up to 9,000 vehicles per day, and speeds less than 30 MPH, the appropriate pedestrian crossing treatment is to install marked crosswalks with signs. Blank explained that it's not until speeds reach 40 mph that additional signs or markings are recommended.

Blank reported he consulted with Chief Schuster about accidents at this intersection. Blank reported there are not records of accidents at this intersection, no records of speeding at this intersection, and the area is posted for 20 mph during the school day. Blank continued that with the street curves west and east of the intersection which have design speeds of 26 mph and 17 mph, speeds are inherently reduced from the 30-mph speed limit.

Blank stated there is more than adequate vehicle stopping sight distance for pedestrians in the crosswalk. Eastbound stopping sight distance is approximately 250' versus the 160' required. Westbound is approximately 200' versus the 95' required.

Blank explained staff does not recommend installing additional stop signs at this intersection for the following reasons:

- four-way stop warrants are not met,
- the appropriate traffic control is the existing two-way stop condition,
- the intersection already has the recommended crosswalk markings and signs based on volumes and speeds,
- there are no records of accidents or speeding at this intersection, and
- there is adequate vehicle stopping sight distance.

Blank added, if a four-way stop is created, there would likely be significant traffic backups during the school day which would cause the Police Department to direct traffic during peak times before and after school.

Godfrey asked where the sidewalks will be located. Blank explained sidewalk will be on the north side of Fern St N/8th Ln NW up until the Winnetka Place intersection. East of Winnetka Place the sidewalk will transfer to the south side of Fern St. N/8th Ln NW.

Palmer suggested making sure the lines are painted and maintained so drivers can see there is a crosswalk located there.

Godfrey recommended putting the one that puts in the street and having SRO monitor the first couple weeks of school for enforcement.

Chuck Harvey of 620 Winnetka Place, Cambridge, Minnesota stated he felt this issue was a safety issue. Harvey stated although there have been zero accidents, there have been many near misses. Harvey feels if a pedestrian is hit, the City will be liable. He felt people drive at excessive speeds. Harvey expressed that he felt safety is more important than congestion.

Schuster stated he has spoken with SRO Peck and there have not been issues at that intersection. Woulfe asked for suggestions for stepping up enforcement. Schuster stated the fine for not yielding for a pedestrian is approximately \$135.00. Schuster stated with the high volume going in and out of that very small area a squad car cannot be stationed. Conley suggested posting a squad car on Winnetka Place to help with enforcement.

Palmer asked how many residences are in the cul-de-sac. Blank stated there are 13 residences and four or five signed the petition.

Woulfe asked Schuster to speak with the school district to find out if they would be willing to have a crossing guard at that intersection.

Godfrey stated he would like to see data related to the number of accidents that occur at intersections that have stop signs that are unwarranted.

Council consensus was to table this item to their first meeting in August and asked staff to reach out to the school district to talk with them about a crossing guard, come up with some additional options, and research data on unwarranted stop sign accidents.

Appointment of ADA Coordinator for the City of Cambridge

Woulfe stated the Americans with Disabilities Act requires local government entities with more than 50 employees to designate at least one responsible employee to coordinate ADA compliance. This was brought to our attention during our latest LMCIT Loss Control Representative visit.

Woulfe stated after discussing this issue with Department Heads, we are recommending appointing Matt Small as the ADA Coordinator for the City of Cambridge. Woulfe stated Matt is very knowledgeable about building codes and what requirements ADA places upon the City for a wide variety of accesses.

Woulfe reported if Council approves of Matt as the ADA Coordinator, staff will post the two attached notices and ensure they are published on the City's website, posted in large print on the bulletin board, and placed on the public access channel. Woulfe noted she will also get the policies printed in braille for posting.

Woulfe stated Matt will need to attend some ADA Coordinator training, but they can fit that within their existing training budget and will be done during late fall or winter when his schedule eases up.

Godfrey moved, seconded by Conley to appoint Matt Small as the City's ADA Coordinator. Motion carried 4/0.

Audit Engagement

Moe reported the City of Cambridge is required to have an independent audit firm conduct an annual audit of our financial statements along with performing certain compliance procedures. Moe stated the audit for the last several years has been conducted by Redpath & Company with Dave Mol being the partner on the engagement. Moe reported for the last eight years, the audit fee has remained the same.

Moe explained Redpath & Company has sent us a letter of engagement for the next three years (2018-2021) with an option to renew for two additional years (2022-2023) and the proposal has a two percent increase in fees per year. Moe requested direction from the Council as to whether they should accept the engagement proposal from Redpath or go through an official process to solicit requests for proposals (RFP) from audit firm.

Morin stated he thought it would be a good idea to see what other companies are charging and pointed out it is good to have a fresh perspective. Moe stated there is turnover within the audit team.

Conley asked if there would be a lot of training and resources that staff will need to provide if a new audit firm is chosen based off of the RFPs. Moe explained there would be some time that would need to be spent with a new firm.

Godfrey asked if the City issued an RFP is the City required to go with lowest proposal. Woulfe stated since it is a service, the Council can select the company they feel will service the city best. Godfrey asked staff to make sure they include what the City is looking for in an auditing firm.

Godfrey moved, seconded by Morin, to direct staff to solicit proposals from audit firms and return to Council for approval by October 1, 2018. Motion carried 3/1 with Conley voting nay.

Conditional Offer for Part-Time Receptionist Position

Woulfe explained staff recently went through the hiring process for the afternoon Finance Receptionist position and used those candidates to interview for the Community Development Receptionist position. Woulfe stated she and Westover re-interviewed candidates and they are recommending Candy Conrad for the position of part-time receptionist for the Community Development Department with a start date of July 9, 2018 pending successful completion of all pre-employment testing and a starting wage of \$13.51 per hour.

Conley moved, seconded by Morin, to approve the hiring of Candy Conrad for the position of part-time receptionist for the Community Development Department beginning July 9, 2018 pending successful completion of pre-employment testing and beginning at \$13.51 per hour. Motion carried 4/0.

Request from Bluejacket Hall of Fame

Woulfe explained since the letter of request was received by the City she was bringing this for Council's consideration, however, per statutes the City is very limited as to what they can donate funds towards. Palmer stated as private citizens they are able to make a donation, but not as the City of Cambridge. Godfrey asked staff to draft a letter explaining why the City cannot donate to this cause.

Approve Job Descriptions Updated During Salary Study

Woulfe stated the City contracted with Springsted, Inc. to update the City's pay equity plan, prepare updated job descriptions, and conduct a salary study comparing Cambridge salaries to that of peer cities. Woulfe reported at the April 2, 2018 City Council meeting, Springsted presented the results of their study and updates to the pay equity plan.

Woulfe stated staff is still working on finding funds to implement the salary recommendations which will be discussed at the next long-range planning session. Woulfe indicated the next step is to have City Council adopt the finalized job descriptions and pay equity grades for all positions.

Woulfe reminded Council that job descriptions are not meant to include every task but be reflective of the major tasks that employees do. Employees have signed off on their updated job descriptions. The signed descriptions are on file in their personnel files. Woulfe added, the City will be required to submit its Pay Equity Report to the State of Minnesota in January 2019.

Godfrey moved, seconded by Conley, to approve the job descriptions, pay grade assignments, and organizational chart as presented. Upon call of the roll, Godfrey, Morin, Palmer, and Conley voted aye, no nays. Motion carried 4/0.

Committee Reports

Reports from Council were heard from the following committees: Airport Advisory Board, Allina Community Engagement Council, Bike Isanti County, Discover Downtown Task Force, Cambridge Fire Department, Cambridge-Isanti District 911 Communications Task Force, Cambridge Action Community Team (ACT on Alzheimer's), Cambridge Parks, Trails, and Recreation Commission, Cambridge Planning Commission, Community Education Advisory Council, East Central Regional Development Commission (ECRDC), Isanti County EDA, Isanti County Initiative on Collaboration, Leadership, and Efficiency (ICICLE), North Highway 65 Corridor Coalition, Northern Lights Express (NLX), and Toward Zero Death (TZD).

Palmer noted she would like Iverson to give a verbal report regarding her meeting with an Advisory Board member at the next meeting.

Mayor's Report

Palmer gave an update on meetings and events.

Council Concerns

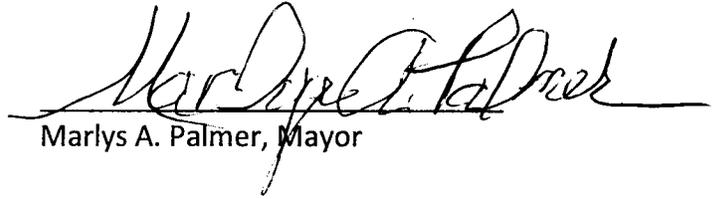

Visit to Rattvik, Sweden (Sister City)

Conley reported she met with the mayor of Rattvik while she was in Sweden. Conley stated the mayor is eager to make a trip to Cambridge and they are starting the planning process. Conley stated she got a tour of their city offices during her meeting.

There was nothing additional for the City Attorney or City Administrator's Reports.

Adjournment of Council Meeting

Being no further business before the City Council, Godfrey moved, seconded by Conley, to adjourn the regular meeting at 5:19 pm. Motion carried unanimously.

Council Financial Snap Shot

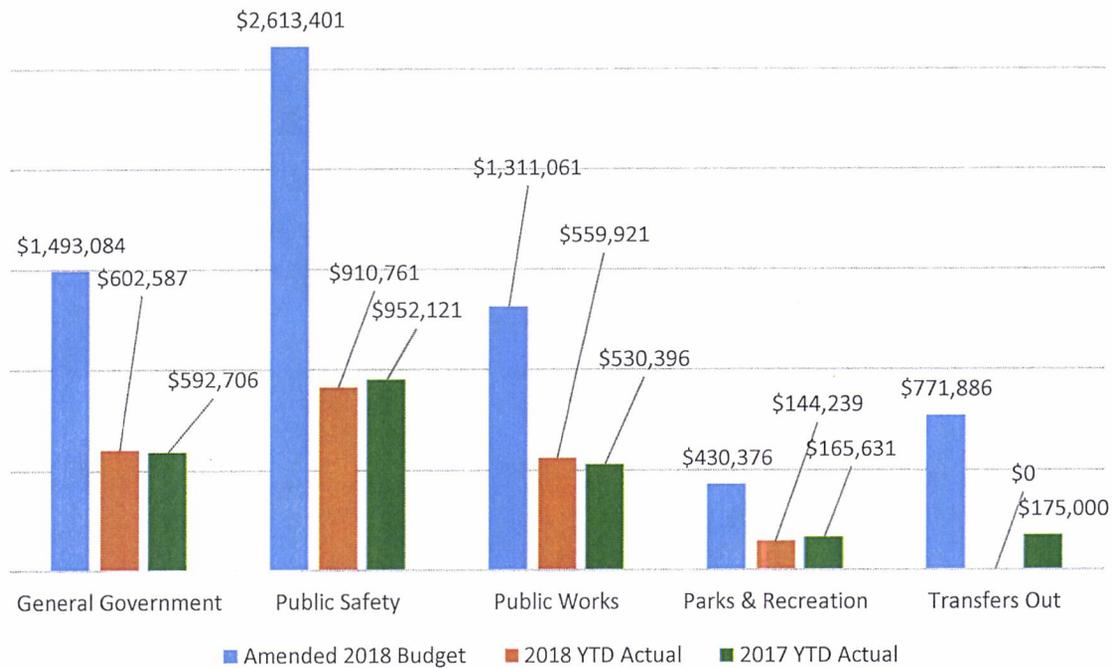

General Fund Revenue Snap Shot 5-31-18

Notes—

- Tax revenue is only received in July and December from Isanti County.
- Inter-governmental revenue is primarily received in July, October and December.
- Permit revenue typically is slow at the beginning of the year and picks up late spring and summer. In 2017, large permit for Gracepoint pulled in February which was unusual. Permits for 2018 are in good shape, but 2017 was exceptionally active, accounting for the difference compared to last year.
- Other revenue—on track as expected.
- Transfers are done typically near the end of the year.

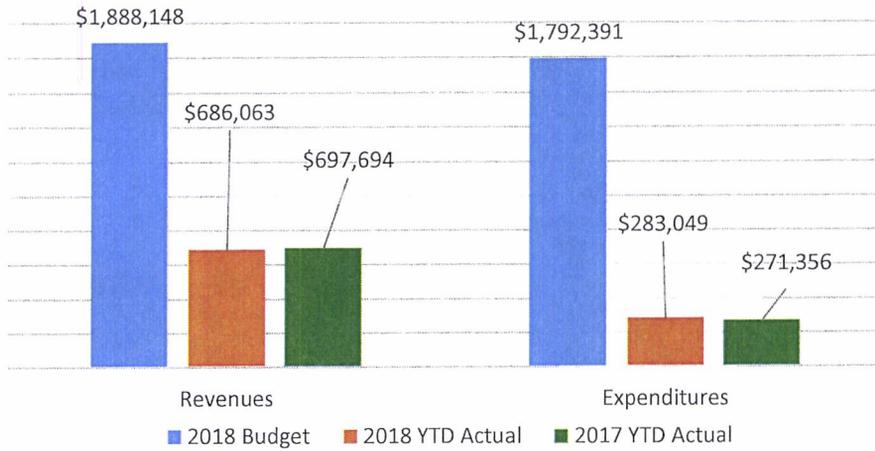

General Fund Expenditure Snap Shot 5-31-18

Notes—

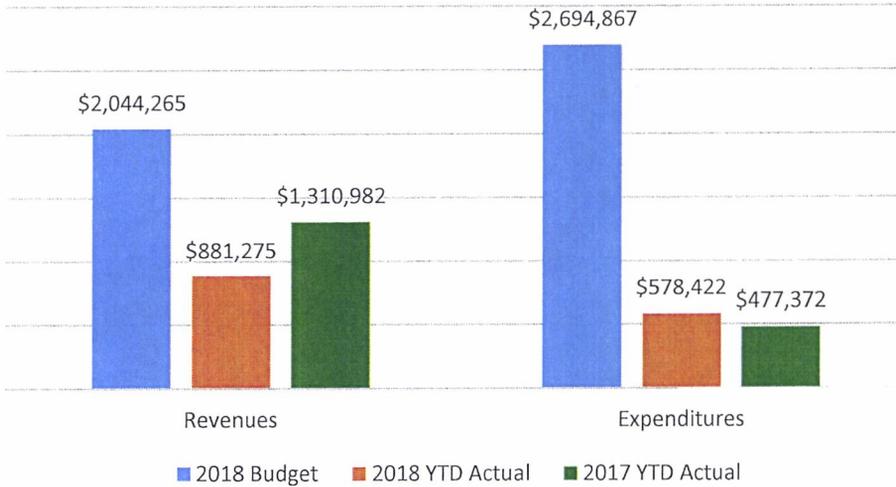

- **Public Works expenditures are trending higher than last year now due to snow plowing overtime in spite of the reduction of street lighting costs due to the new Street Light Utility.**
- **All other expenses trending as expected.**
- **Transfers typically are done towards the end of the year but in 2017, a transfer was done in May 2017 related to funding park land acquisition.**

Water Fund 5-31-18

Notes—
No concerns with revenues or expenditures at this time.

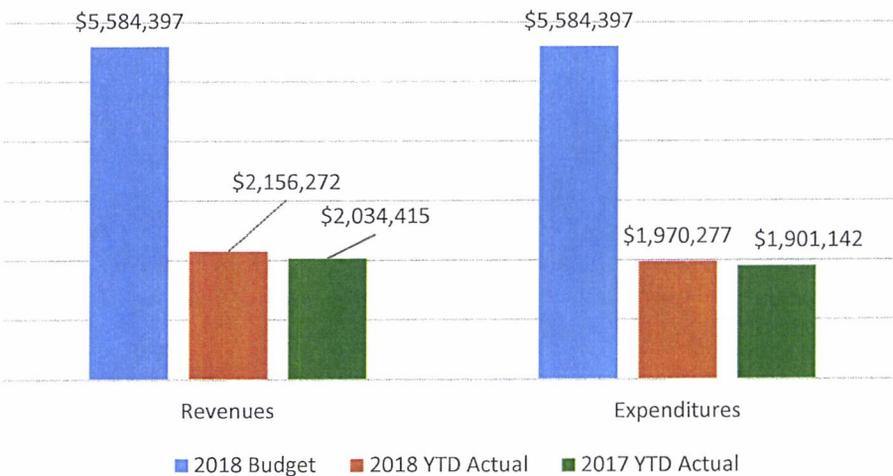

Wastewater Fund 5-31-18

Notes—
No concerns with revenues or expenditures at this time. In 2017, the City received significant sewer connection charge fees related to the Gracepoint construction project. Revenues for 2018 on track.

Expenses in 2018 trending higher due to Force Main relocation project.

Northbound Liquor 5-31-18

No concerns with revenues or expenditures at this time.
