New Business

Presentation from Library Task Force and Request for Ballot Question

Woulfe stated that approximately two years ago, the City Council appointed a Library Task Force and commissioned a Library Feasibility Study to determine whether or not a new library was a possibility. The City Council has purchased land (South Dellwood Street and 13th Avenue) for the construction of a new 36,000 square foot library and East Central Regional Library headquarters after reviewing several different parcel options.

After securing the land, the City hired Scott Blank from Short, Elliott, and Hendrickson to create a model display of what the new library could look like. The City Council has also adopted a policy on Naming Rights and Recognition of Contributors Naming Rights. The Friends of the Library have interviewed fundraisers to assist with raising funds for the new library. They will execute a contract with their fundraiser once the City Council has approved moving forward with a ballot question for the new library. Estimated construction and FFE costs for the library are currently at \$6 million dollars and a bonding request for \$1 million has been submitted to the State of Minnesota.

Karen Lee reviewed where the Friends of the Library are in their attempts to assist with the building of the library and East Central Regional Library system headquarters office space. Lee explained the Friends of the Cambridge Public Library issued a Request For Proposal (RFP) in late January and received two responses. Lee stated the interview panel held interviews on March 9 and selected Library Strategies of St. Paul as the consultant.

Lee explained there has been a survey of the Cambridge library usage which indicates that half or more of library patrons live outside the Cambridge city limits, primarily in Isanti County, but in other counties as well. Lee stated because the library serves a wide area, not just the City of Cambridge, the Task Force felt the fairest way to pay for the construction of a new library is with a local option sales tax.

Lee reported it is the Task Force's understanding that City Council will be receiving a proposal from the YMCA that would involve a City constructed facility to be operated by the YMCA. Lee stated in August, 2015 a letter was given to the City Council from five members of the Library Task Force expressing their conviction that the library project and the aquatic center should be treated as separate, independent projects. Lee stated a library serves every one of all ages, from toddlers brought to the library by their parent or grandparent for lap-sit story time to the elderly person with macular degeneration who listens to audio books. Lee

stated they felt a YMCA or similar facility serves only those who can afford to pay the membership fee. Lee felt that each project should be evaluated separately and judged on its own merits.

Lee reviewed the history of the Cambridge Public library and reported when the existing library was constructed in 1960, the population was 2,728 and the County was 13,530. Lee reported an addition to the library was completed in 1975 and the population at that time was 3,467 in the City of Cambridge and 16,560 in Isanti County. Lee explained the population in Cambridge today is over 8,300 people and the County population is over 38,000. Lee expressed concern that since 1960, the hospital, school system, community college, and several churches have all added on or built new facilities to meet the needs of the increased population and felt it is time that a new library is constructed to meet the needs of the community.

Lee explained the basement of the existing building houses the headquarters staff of the six county East Central Regional Library (ECRL) system and it is vital that the new library building include space for ECRL headquarters. Lee stated the headquarters staff is 24 jobs that she felt needs to remain in Cambridge and there are other counties that covet headquarters because it adds jobs and prestige to those counties.

Lewis commented that a library builds economic growth in a community. Iverson stated she felt a library isn't just a place to read books and felt the expansion was needed.

Kafer expressed concerns about how a local option sales tax could impact Cambridge businesses and shoppers. Kafer questioned whether it would deter new businesses. Lewis responded by stating communities that invest in themselves grow and noted the impact will not be significant. Lewis explained the purchase of a \$25 meal in Cambridge would increase their bill by 0.13 cents. Kafer expressed concern with the fact Isanti County is not participating in conversations.

Palmer commented if passed, the sales tax is not permanent. Woulfe confirmed the sales tax would need to have a sunset date.

Morin explained that historically libraries are built by cities and towns and do not receive county assistance. Commissioner Morris agreed with Morin adding that counties fund operational costs (books, staff, etc.), but the building is traditionally provided by the city. Morris encouraged Council to place the question on the ballot to let the citizens decide.

Iverson moved, seconded by Lewis, to support the construction of the Cambridge Public Library which will also house the East Central Regional Library Headquarters and directed Woulfe to bring a resolution back for City Council's approval to place a question on the 2016 ballot for a .005% local option sales tax which will pay for the construction of the new facility. Motion carried 4/1 with Kafer voting nay.

Service Project Request from Cub Scout Pack 235

Schwab explained in February, the City was contacted by Cub Scout Pack 235 to purchase trees to be planted and the scouts would do the planting as a part of a service project at

Sandquist Park. Schwab stated staff has identified areas that surround the borders of the existing fields to provide some shade and act as a wind break. Schwab noted locating the trees in this area will not interfere with any future field development.

Schwab stated the plan is to plant a total of 450 trees consisting of 250 pines, 100 maples and 100 poplar and all of the trees will be purchased as saplings from the Isanti County Soil and Water Conservation District (ICSWCD) Spring Tree Purchasing program. Schwab explained Cub Master Darrick Wotacheck was able to get some wood chips donated to go around the base of the trees and staff has agreed to purchase fertilizer tablets to get the trees off to a good start.

Schwab reported staff planted a few bundles of trees last year that were donated as leftovers by the ICSWCD and most of them were doing well. Schwab stated if approved, the trees will be planted the weekend of April 23-24, 2016.

Schwab introduced Wolf Den Leader Stacey Kram and she introduced the Scouts in attendance and explained the project. Council thanked the boys for their efforts.

Kafer moved, seconded by Morin, to approve the purchase of trees, fertilizer, and the request from Cub Scout Pack 235 to provide the planting at Sandquist Park not to exceed \$582, which will be paid by Park Department funds.

Annexation Ordinances

This item was tabled.

Resolution R16-020 Call for Sale to Fund the 2016 Street Improvements and Refinance 2015 Street Improvement Bonds

Moe explained in 2015 the City Council moved up a street project to avoid maintenance costs on a street scheduled for replacement within several years. Moe reported to save money on issuance costs, the City issued temporary bonds and did not expend money for bond issue costs associated with a fully rated bond issue sale. Moe further explained the plan was to roll the 2015 temporary bonds into the 2016 bond sale already planned and staff is seeking to include \$3.2 million of bond issuance to replace the 2015 temporary bonds. Moe stated staff is able to use the \$244,000 of prepaid assessments to lower the amount of principal issue, saving the City future interest costs.

Moe stated that according to the City's long range plan, staff recommends issuance of \$3.4 million of bonds to finance the 2016 improvements including the portion to be repaid by utility funds. Moe noted these bonds will also be financed in part by assessments, tax levy and utility funds, as called for in the City's long range financial plan.

Morin moved, seconded by Lewis, to approve Resolution R16-020 as presented. Upon call of the roll, Iverson, Lewis, Palmer, Kafer, and Morin voted aye. No nays. Motion carried.

Resolution R16-021 Call for Early Retirement of 2009 Bonds and Approve Inter-fund Borrowing Necessary to Facilitate Early Retirement of Debt

Moe explained with the transfer of funds recently approved by Council eliminating any future tax levy contribution to the 2009 Bond Debt Service fund and some prepayments of assessments, staff reviewed this bond issue for potential early retirement. Moe stated the 2009 Bonds are scheduled to be paid in full February 1, 2020 and if the City retired these bonds now, they can save approximately \$52,000 of interest costs over the remaining life of the bonds, savings that can hopefully be used to lower future tax levies for debt. Moe explained to accomplish the early retirement of debt, the City needs to transfer some existing cash on hand in one debt service fund to the 2009 debt service fund.

Morin noted the Storm Sewer Fund does not have adequate cash to retire its approximately \$60,000 of 2009 Bonds and the Sewer Fund has ample fund balance in order to do a short-term loan to accommodate the early prepayment.

Moe reported she has consulted with the audit firm on the proposed financial movements and they concur that the proposed actions are acceptable.

Lewis moved, seconded by Iverson, to approve Resolutions R16-021 and R16-022 as presented, and approve the temporary inter-fund loan from Sewer Fund (Fund 602) to Storm Sewer Fund (Fund 603) to provide cash for utility fund side of early debt retirement. Storm Sewer Fund will repay loan under same repayment terms in regards to term, as would have been required under the original bonds, however, interest will be 1% as presented. Upon call of the roll, Kafer, Morin, Palmer, Lewis, and Iverson voted aye, no nays. Motion carried unanimously.

Code Enforcement Anonymous Complaints

Levitski explained staff was asked at the Community Development visioning session held on March 7 to place this item on City Council's meeting agenda for discussion. Levitski reviewed the statistics for the last three years and noted anonymous calls were minimal. Levitski reviewed the Minnesota §13.44, Subdivision 1 which ensures complainant data is classified as confidential data. Levitski reviewed a survey staff conducted of 15 different communities noting only two did not allow anonymous complaints.

Following a brief discussion, Lewis moved, seconded by Kafer, to no longer accept anonymous complaints for code enforcement. Upon call of the roll, Kafer, Morin, and Lewis voted aye. Palmer and Iverson voted nay. Motion carried.

League of Minnesota Cities Annual Conference

Morin moved, seconded by Lewis, to approve Councilmembers Iverson, Morin, and Lewis and Administrator Woulfe's attendance at the League of Minnesota Cities Annual Conference in St. Paul in June.

Iverson moved, seconded by Lewis to break from 7:40 pm until 7:50 pm. Motion carried unanimously.

Mayor's Report

Palmer provided an update on meetings attended and upcoming meetings and events.

Council Concerns

There were no Council concerns.

City Attorney's Report

Squires explained there has been an issue that has developed with a School District #911 School Board Member and because of a conflict, the Cambridge Police Department will not be conducting the investigation. Squires asked for Council's approval for him to pursue getting access to the data that will be turned over to another jurisdiction to make the appropriate determinations.

Morin moved, seconded by Lewis, to approve Squires to petition School District #911 for data and then turn that data over to the jurisdiction which will be conducting the investigation. Motion carried unanimously.

City Administrator's Report

There was nothing additional to report.

Closed Session

Council moved into closed session at 8:12 pm. This meeting was closed under Minnesota Statutes §13D.05, to evaluate the performance of City Administrator Woulfe, an individual subject to the council's authority. Morin moved, seconded by Lewis to adjourn the closed session at 8:54 pm. Motion carried unanimously.

Adjournment of Closed Session and Council Meeting

Being no further business before the City Council, Lewis moved, seconded by Morin, to adjourn the regular meeting at 8:55 pm. Motion carried unanimously.
