

## **Cambridge City Council Meeting Minutes**

### **Monday, July 17, 2017**

A regular meeting of the Cambridge City Council was held on Monday, July 17, 2017, at Cambridge City Hall Council Chambers, 300 3rd Avenue NE, Cambridge, Minnesota, 55008.

**Members Present:** Mayor Marlys Palmer; Council Members Kersten Conley, Joe Morin, and Lisa Iverson

**Members Absent:** Jim Godfrey (excused)

**Staff Present:** City Administrator Woulfe, Community Development Director Westover, City Engineer Blank, Assistant Public Works Director Milz, and Economic Development Director Gustafson

#### **Call to Order & Pledge of Allegiance**

Palmer called the meeting to order at 6:02 pm and led the public in the Pledge of Allegiance.

#### **Citizens Forum**

No citizens addressed the City Council.

#### **Approval of the Agenda**

Morin moved, seconded by Conley, to approve the agenda as presented. Motion carried 4/0.

#### **Consent Agenda**

Iverson moved, seconded by Morin, to approve consent agenda Items A-E:

- A. Regular and Summary City Council Meeting Minutes for July 3, 2017
- B. Warrants #106219 - #106504 and ACH/Wire items totaling \$1,796,092.25
- C. Resolution R17-038 Approving Master Contract with MnDOT
- D. Resolution R17-039 Accepting donation from American Legion Auxiliary Unit 290 for Fourth of July Fireworks Display
- E. Resolution R17-040 Approve Call of 2011A Bond Issue

Upon roll call Morin, Palmer, Conley, and Iverson voted aye, no nays. Motion carried 4/0.

#### **Work Session**

##### ***Update from Waste Management***

Peter VanDussen, Director of Collection Operations for Minnesota and the Dakota areas, stated he desires to have a good relationship with the City of Cambridge and understands the transition to Waste Management from East Central Sanitation has had numerous issues.

VanDussen explained there were three main issues Waste Management had with the ownership transition. First, were service route changes that were executed in June to help reduce fuel and truck emissions. These route changes resulted in significant driver turnover. The new drivers needed to learn the new routes, which took time, and resulted in missed or

delayed pickups. VanDussen explained the issue of pick-ups not occurring has since been resolved.

VanDussen reported the second issue was a confusion on the billing cycle and the misperception that residents were being billed at a higher rate. VanDussen explained East Central Sanitation was on a four week billing cycle and Waste Management bills once per month. There was a notice that was sent explaining this to customers. VanDussen acknowledged the March bill went late out due to the ownership transition and the April bill went out on time so there was confusion with customers thinking they were billed twice in one month.

VanDussen explained the third issue was related to receiving negative feedback regarding customer service at the call center. VanDussen acknowledged this was a problem and they have been coaching and mentoring their representatives on how to deal with numerous call volume with frustrated customers.

Council confirmed complaint calls to City Hall have declined. Woulfe stated she had not heard yet if the issue with the Post Office has been resolved. VanDussen said staff would provide Woulfe an email explaining the outcome for the Post Office Issue. Council thanked Waste Management representatives for taking ownership of the issues.

Council confirmed they still take aluminum cans with recycling but they do not buy the aluminum. VanDussen stated the recycling and compost drop off will continue at Waste Management's new site (NRI's former building).

Chenlee Liu, owner of House of Liu located at 129 2<sup>nd</sup> Ave SW, Cambridge, stated she also owns several rental properties in Cambridge and is disappointed in Waste Management's service and would like the City of Cambridge to reconsider allowing more than one garbage company to pick up refuse.

Palmer stated Waste Management's contract is valid until the end of 2019 and their contract will be honored until that time.

## **Unfinished Business**

### ***Installing Shed at Community Garden***

John Nordin introduced members of the Board and stated he is a member of the Isanti County Master Gardeners. Nordin requested Council's approval to build an additional shed in the Community Garden. Nordin explained they have more maintenance equipment and equipment that does not need to be accessed by all gardeners which would be housed in the new shed.

Nordin stated the shed would be located in the northwest corner of the fenced area and noted the Isanti County Master Gardeners have committed \$500 for a new shed and the garden fund will cover the rest of the cost. Nordin added they hope to build the shed in September of this year. Nordin presented Council with the plan for the new shed which is planned to be 7.5 feet by 24 feet.

Morin confirmed they do not need a building permit because the shed is less than 200 square feet.

Iverson moved, seconded by Morin to approve the shed placement as presented at the Cambridge Community Garden. Motion carried 4/0.

## New Business

### ***2018 Street Improvements – Approve Resolution R17-041 Ordering Feasibility Report and Approving Engineering Services Agreement***

Blank reported as part of the City's annual Long Range Plan update, staff recently updated the proposed Capital Improvement Program (CIP) through the year 2026. A major goal of this plan is to maintain and improve the City's streets and underground utilities in an organized and consistent manner so that improvements are cost effective and major work is not deferred to the future. The proposed 2018 Street Improvements are included in this program.

Blank explained the proposed 2018 Street Improvements consist of reconstructing the streets and underground utilities on N. Fern Street from Highway 95 to 8th Ave. NW, N. Dellwood Street from Highway 95 to 2nd Ave. NW, N. Elm Street from 2nd Ave. NW to Bluejacket Drive, 2nd Ave. NW from N. Fern Street to N. Cypress Street, 8th Ave. NW from N. Fern Street to N. Cypress Street, 3rd Ave. SW from S. Fern Street to Cul-de-sac, 5th Ave. SW from S. Fern Street to Cul-de-sac, Alley from S. Fern Street to the west and between 2nd and 3rd Ave. SW, Alley between S. Fern Street and S. Elm Street and Highway 95 and 2nd Ave SW, and Alley between S. Dellwood Street and S. Cypress Street and Highway 95 and 2nd Ave SW. Blank showed the location of the streets on a map for Council.

Blank stated in order to provide adequate time for plan preparation, MnDOT approval, and get the project bid early in the season, it is necessary to initiate the project with the required feasibility study now.

Blank stated the feasibility study includes surveying the project area, performing preliminary design of the improvements, estimating the improvement costs, determining project funding including special assessments, preparing a feasibility report, and conducting public improvement and assessment hearings. Blank referred to the engineering proposal from SEH to perform these services which was included in their Council packet.

Woulfe reminded the Council by approving the feasibility study it is not committing the City to the project.

Iverson moved, seconded by Morin, to approve Resolution R17-041 Ordering Preparation of Report on Improvements 2018 Street Improvements. Motion carried upon roll call, Morin, Conley, Palmer, and Iverson voted yay, no nays. Motion carried.

Conley moved, seconded by Iverson, to approve the Engineering Services Agreement with SEH to perform the feasibility study with a fee not to exceed \$53,500. Motion carried 4/0.

***Letter to Senator Klobuchar, Senator Franken, and Representative Nolan on  
Privatization of Air Traffic Controllers***

Milz stated at the May 25, 2017 Airport Advisory Board Meeting, a request was made by the board to send a letter denying support of privatization of the Air Traffic Control system.

Milz explained there has been much discussion over removing control of the ATC from the Federal Aviation Administration and giving control to a newly created nonprofit corporation run by airlines and other aviation interests. Milz reported the Airport Board feels that privatizing the ATC would result in increased fees to small aviation users.

Michael Grzincich, a member of airport advisory board who is an aircraft pilot and rents a hangar at the airport voiced concern and stated the Airport Advisory Board feels that by privatizing ATCs it would mean more fees. Grzincich stated they felt this would hinder the blue collar flyers as it would impose a usage fee that currently does not exist.

Morin moved, seconded by Conley, to approve signing and sending the letter that was included in the staff report to Senator Klobuchar, Senator Franken, and Representative Nolan. Motion carried 4/0.

***Approve Downtown Grant Funds for Cambridge State Bank 127 Main Street S***

Gustafson explained an application for the Downtown Improvement Grant Funds has been submitted by Kim Erickson of Cambridge State Bank and they are seeking grant funds up to 50% maximum match of \$9,573.00 to make improvements to the Bank's façade. Gustafson reviewed the detailed cost of the project which was included in the staff report and noted the applicant has provided the required items to complete the project.

Gustafson reported based on the guidelines established by the City Council for the Cambridge Downtown Grant Fund, this project meets the guidelines and provides updates and repairs to the façade that will provide a visual improvement, lighting efficiency which is a goal for this program and downtown beatification.

Gustafson stated payment will be issued to the contractors upon completion of their work and paid out at 50% from the City and the property owner is responsible for the remaining 50% along with any amount that would exceed the maximum grant amount of \$9,573.00. Gustafson reported the project is scheduled to start in August 2017 and finish within 45 to 60 days and noted the project must be completed by December 31, 2017.

Kim Erickson of Cambridge State Bank gave the history of the building and what the plans are for improvements. Erickson confirmed the bid is at worst case scenario.

Iverson moved, seconded by Conley to approve \$9,573 Cambridge Downtown Grant Funds to Cambridge State Bank 127 Main St SW, Cambridge, MN. Motion carried 4/0.

Morin moved, seconded by Conley to break from 7:33 pm until 7:43 pm.

***Approve Transfer of Funds to the Cambridge Downtown Revolving Loan Grant Fund***

Gustafson stated during the March 3, 2017 EDA visioning session staff and EDA Commission discussed several options with available funds from the Heritage Greens TIF Fund. Option 1, Acquire the former Ben Franklin building if it went into tax forfeiture; Option 2, work with a potential developer to construct a building along Hwy 95 with retail on the bottom and housing above; and Option 3, invest in downtown by offering a grant program to assist with the revolving loan fund for building upgrades such as new signage, awning replacement, lighting etc.

Gustafson reported there are TIF funds available from the Heritage Greens TIF Fund with an approximate balance of \$337,000 and a portion of those funds could be transferred to the Cambridge Downtown Revolving Loan and Grant Fund to future assist downtown businesses.

Gustafson stated with the current projects approved and ongoing discussions with property owners, staff is recommending a transfer of \$40,000.00 to the Cambridge Downtown Revolving Loan and Grant Fund to assist businesses. Gustafson reviewed the projects that have been approved to date and the projects being discussed which included Chilson's Jewelry, City Center Market, Former Ben Franklin Building and Herman's Bakery.

Conley confirmed the original funds came from the sale of the former Police Department building.

Palmer stated she has heard concerns this should be opened up to all businesses. Gustafson explained the guidelines were approved by Council. Palmer recommended after these funds have been used they revisit the guidelines.

Conley moved, seconded by Iverson to approve the transfer of Funds from the Heritage Greens TIF Fund of \$40,000.00 to the Cambridge Downtown Revolving Loan and Grant Fund. Motion carried 4/0.

***Approve Preliminary Plat for South Main  
Approve Final Plat for South Main***

Westover reported Steven Maas currently owns three separate parcels. He has owned the automobile sales lot on the southern parcel for many years and within the last few years purchased the property to the north (the wood shingle building just south of Newton Financial) now known as South Main automotive. A third diagonal parcel extends along the east side of both of these parcels and due to the complexity of the existing property lines, he has requested to plat the property upon guidance from the city to clear up property line issues. Platting the property will combine all of these parcels into two lots. The plat contains 1.48 acres.

Westover stated Maas intends to improve the building with some interior and exterior remodeling and noted automotive sales and service is an approved use in the B-2 zoning district. Westover reported the plat is consistent with the Subdivision Ordinance, Chapter 155

of the City Code and the City's Comprehensive Plan and the plats can be reviewed simultaneously when no new infrastructure is required.

Westover stated at their meeting on July 5, 2017, the Commission recommended approval on a 5/0 vote that the preliminary and final plats be approved as long as the conditions of approval are met.

Morin moved, seconded by Conley to approve Resolution R17-042 Approving a Preliminary Plat for South Main Plat and Resolution R17-043 Approving a Final Plat for South Main Plat provided the following conditions are met:

1. The Final Plat must be recorded with the Isanti County Recorder's Office within 30 days of approval from the city.
2. A copy of the recorded final plat must be submitted to the City within 5 days of recording.

Motion carried 4/0.

***Approve Interim Use Permit for Automobile Sales and Service, Minor  
(Valder's Vehicles)***

Westover stated on August 18, 2014, an Interim Use Permit (IUP) was approved by Council to allow Automobile Sales for this property. The IUP was issued for three (3) years and will expire on August 18, 2017. Westover explained Valder would like to continue to operate his used car dealership at 309 1st Ave E. and has requested another IUP.

Westover explained a condition of the initial IUP was to have the parking lot paved and the site is still in need of new pavement and parking area. Westover reported Valder intends to resurface the parking lot however the site is an active contaminated site currently being reviewed by the Minnesota Pollution Control Agency (MPCA) for corrective action. Westover stated she has a call into the MPCA to get an update on the status of the corrective action.

Westover explained many years ago when the site was used as a gas station (Union 76), petroleum leaked into the ground and according to the MPCA, the petroleum contamination was 18-22' deep and extends across Buchanan Street to the west. Because it is so deep, it can't simply be dug out. A mechanical remediation system was installed by the MPCA to reduce the amount of contamination. The MPCA explained that no new pavement can be installed during this process. If the process is complete and the MPCA indicates paving can occur, Mr. Valder has expressed the desire to pave the parking lot.

Westover stated the Highway 95 project will have an impact on this property and if Highway 95 is widened to four lanes, the entire front parcel will no longer be in existence, therefore, it wouldn't be cost effective to require Valder to pave the parking lot if it will be removed for the Highway 95 project. Westover explained negotiations need to happen between the City and the property owner regarding this matter and until they know more, staff recommends the parking lot resurfacing as a condition of the newly re-issued IUP.

Westover recommended reviewing the Interim Use Permit again after three years (in July 2020) to establish a concrete update on the progress of the MPCA corrective action and the

Highway 95 widening project. At that time the parking lot resurfacing can be addressed along with any other issues or concerns.

Westover stated Valder repairs the sales lot vehicles but does not offer outside customer automotive repair, therefore, Automobile Service, Minor, has been added to the IUP request.

Westover reported at their meeting on July 5, 2017, the Commission recommended approval on a 5/0 vote that the Interim Use Permit be approved with the conditions listed in the staff report. Palmer confirmed the current service that is being performed on the property will not add to the contamination of the site.

Morin felt three years was too long since they gave North Metro Auto Sales a two-year permit, he felt it should only be two-years.

Morin moved, seconded by Iverson, to approve Resolution R17-044 Approving an Interim Use Permit Jordan Valder (Valder's Vehicles) to Allow Automobile Sales and Automobile Service, Minor in the B-1 Zoning District (Site Address 309 1<sup>st</sup> Ave E) with the following conditions:

1. The Interim Use Permit shall discontinue after two years from the date of approval (August 2019).
2. The Interim Use Permit for automobile sales is not transferrable and shall only be used by Jordan Valder, Valder's Vehicles.
3. Section 156.090 Auto-Oriented Uses of the City Code must be met at all times, where applicable.
4. Applicant will be required to re-surface the parking lot upon determination by the City depending on the Highway 95 widening project and the contamination remediation efforts by the Minnesota Pollution Control Agency. A site plan will be required for the parking lot showing customer and employee parking as well as sales lot parking in accordance with the City Code.

Motion carried 4/0.

### **Mayor's Report**

Palmer provided an update on meetings attended and upcoming meetings and events. Palmer recommended having a donation can out on the night fireworks are displayed and recommended it come back as a discussion item for City Council.

### **Council Concerns**

There were no Council Concerns.

### **City Administrator's Report**

#### ***Street Closure Request for Cambridge Bar & Grill***

Woulfe explained Sean and Jody Okerlund of Cambridge Bar and Grill have requested to close Main Street S from 2<sup>nd</sup> Ave SW to 3<sup>rd</sup> Ave SW for two separate block parties. The first

party is scheduled for Saturday, July 29, 2017 and the second block party is scheduled for Saturday, August 19, 2017. Woulfe stated the applicant has requested the street be closed from 8am until Midnight.

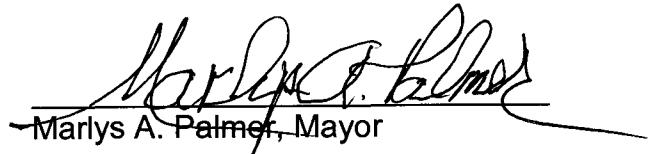

Morin question why the request was until Midnight instead of 11:00 pm. Woulfe confirmed the bands would be finished by 11:00 pm which meets the ordinance requirements, but there is clean-up which needs to be done in that final hour. Morin confirmed they will supply their own security.

Iverson moved, seconded by Conley, to approve closing Main St S from 2<sup>nd</sup> Ave SW to 3<sup>rd</sup> Ave SW from 8am until Midnight on Saturday, July 29, 2017 and Saturday, August 19, 2017. Motion carried 4/0.

Woulfe distributed a communications plan for Council to review and asked they give her feedback after they have had time to review the plan. Woulfe state she would put the Communications Plan on the next Council agenda for approval.

#### **Adjournment**

Being no further business before the City Council, Morin moved, seconded by Conley, to adjourn the regular meeting at 8:25 pm. Motion carried 4/0.

Marlys A. Palmer, Mayor

ATTEST:

Lynda J. Woulfe, City Administrator
